

Religion and Morality

Religion Morality The New Right

Robert Wuthnow

Religion Morality The New Right:

Sociology in Perspective Mark Kirby, 2000 This text specifically for AQA specifications is designed to be easy and encouraging for students to use The book contains updated material and activities together with a new chapter on study skills It also indicates clearly where activities meet the new evidence requirements for key skills *New Right, New Racism* Amy Elizabeth Ansell, 2016-07-27 New Right New Racism is a comparative analysis of the role of racialized symbols in the right turn of US and British politics in the late 1970s through to today The author argues that the symbol of race has been central to the New Right's project to redefine the cultural codes and broader social imaginary upon which the consensus politics of the post war years was built In the process of mobilizing race as an ideological articulator of the exit from consensus politics the New Right has promoted a new form of racism qualitatively distinct from more traditional forms

Hippies of the Religious Right Preston Shires, 2007 This volume demonstrates that the Christian Right has a surprising past Historical analysis reveals that the countercultural movements and evangelicalism share a common heritage Shires warns that political operatives in both parties need to heed this fact if they hope to either in the case of the Republican Party retain their evangelical constituency or in the case of the Democratic Party recruit new evangelical voters

The Reagan Revolution and the Rise of the New Right Kenneth J. Heineman, 2021-06-24 For students of U S history The Reagan Revolution explores how a Hollywood upstart and eventual conservative leader became one of the most successful and influential presidents in U S history one whose presidency helped to define the end of the Cold War This book covers Ronald Reagan's long rise to the presidency and the conservative political revolution he brought about in the 1980s Spurning the moderate values and policies Republicans had previously championed Reagan's revolution continues to play an outsized role in America's political life This important reference book gives browsers and readers alike an opportunity to focus on many of the intertwined issues of the 1980s abortion gay rights law and order the Cold War tax cuts de industrialization the Religious Right and the political divisions that made Reagan's legislative victories possible The book opens with a concise biography covering Reagan's rise from radio personality and actor to governor and president Subsequent chapters cover politics and policy Chapters also include an important review of Reagan's legendary public relations operations morning in America and the perfection of the television photo op and the ways in which 1980s popular culture influenced and was influenced by his presidency This section portrays Reagan as a product of Hollywood who keenly understood the importance of public opinion and creating a positive image The New Right v. The Constitution Stephen Macedo, 1997-08-01 Perhaps the most enduring legacy of the Reagan administration will be the conservative judges it has placed on the Supreme Court and other federal courts In this provocative essay Harvard political scientist Stephen Macedo warns that the New Right's Jurisprudence of Original Intent seems to put untrammelled majoritarianism in place of constitutionally guaranteed liberties Macedo accuses the New Right of moral skepticism in the service of majoritarianism and proposed instead a principled

judicial activism that interprets the Constitution as a charter of liberties protecting individual freedom against a whole range of legislative and executive assaults Macedo's defense of constitutional liberties sharply challenges constitutional theorists of both left and right

Abortion from the Religious and Moral Perspective: George F. Johnston, 2003-03-30 For approximately three decades the abortion debate has polarized America Views range from the extreme conservative position that all abortions are morally objectionable to the extreme liberal position that abortion throughout all nine months of pregnancy is acceptable In the middle are those who advocate laws limiting the number of valid reasons for abortion This comprehensive volume includes bibliographic citations that address the moral and religious aspects of abortion It covers such topics as the various arguments both for and against abortion the status of the fetus and overviews of several religions stances on abortion Citations also include references on how Christianity has influenced abortion politics and law discussions of Operation Rescue and official statements on abortion by the Catholic Church and several Protestant denominations Researchers as well as anyone interested in the moral and religious elements of abortion will find this resource invaluable It covers the literature on abortion and religion found in books essays journal articles academic dissertations and Web sites And unlike many of the available bibliographies this one focuses only on the religious and moral issues therefore providing greater depth on those two issues within one work

The New Christian Right Robert C. Liebman, Robert Wuthnow, This book of original essays provides an objective and enlightening analysis of the emergence and changing forms of the New Christian Right The subject is in itself important in contemporary American life but in addition The New Christian Right reexamines standard theories of social movements and the relationship between religion and politics in America today The book presents findings from original research including surveys personal interviews with elites analysis of financial documents reanalysis of existing data and analysis of direct mail solicitations and other primary literature The New Christian Right is balanced and objective rather than partisan and evaluative Using non technical and non jargonistic language the authors raise questions concerning the nature of religion the role of status groups and contemporary directions in American culture

Rules of the Game, 2006-06-30 From The 64 000 Question and Twenty One to Jeopardy and Who Wants to Be a Millionaire quiz shows have permeated American culture ever since their beginnings in early radio In Rules of the Game Olaf Hoerschelmann critically examines the quiz show genre in American culture drawing on a large body of radio and television programs and on archival materials relating to the broadcast industry program sponsors advertising agencies and individual producers Hoerschelmann relates quiz shows to the larger social and industrial structures from which they originate and examines the connection of quiz shows to the production of knowledge in American society He also provides a rethinking of media genre theory offering a detailed analysis of the text audience relationships on quiz shows and their significance for the practice of broadcasting

The Restructuring of American Religion Robert Wuthnow, 2021-02-09 The description for this book The Restructuring of American Religion Society and Faith since World War II will be forthcoming

The Age of Evangelicalism Steven Patrick

Miller, 2014 At the start of the twenty first century America was awash in a sea of evangelical talk The Purpose Driven Life Joel Osteen The Left Behind novels George W Bush Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe wrote of a sense in which we are all evangelicals now Steven P Miller offers a dramatically different perspective the Bush years he argues did not mark the pinnacle of evangelical influence but rather the beginning of its decline The Age of Evangelicalism chronicles the place and meaning of evangelical Christianity in America since 1970 a period Miller defines as America's born again years This was a time of evangelical scares born again spectacles and battles over faith in the public square From the Jesus chic of the 1970s to the satanism panic of the 1980s the culture wars of the 1990s and the faith based vogue of the early 2000s evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential Born again Christianity permeated nearly every area of American life It was broad enough to encompass Hal Lindsey's doomsday prophecies and Marabel Morgan's sex advice Jerry Falwell and Jimmy Carter It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor As Miller shows evangelicalism influenced not only its devotees but its many detractors religious conservatives secular liberals and just about everyone in between The Age of Evangelicalism contained multitudes it was the age of Christian hippies and the silent majority of Footloose and The Passion of the Christ of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon Barack Obama was as much a part of it as Billy Graham The Age of Evangelicalism tells the captivating story of how born again Christianity shaped the cultural and political climate in which millions of Americans came to terms with their times

Liberalism Versus Conservatism François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what do these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author

Jimmy Carter, the Politics of Family, and the Rise of the Religious Right J. Brooks Flippen, 2011-03-15 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born again evangelical Once in office his faith indeed helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private matters beyond government interference J Brooks Flippen argues Carter unintentionally alienated both social liberals and conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans

worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by Roe v Wade feminism and the struggle for homosexual rights as evidence of cultural decay and as a challenge to religious orthodoxy Social liberals viewed Carter's faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter's struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day

Religion, Secularism, and Political Belonging

Leerom Medovoi, Elizabeth Bentley, 2021-03-08 Working in four scholarly teams focused on different global regions North America the European Union the Middle East and China the contributors to Religion Secularism and Political Belonging examine how new political worlds intersect with locally specific articulations of religion and secularism The chapters address many topics including the changing relationship between Islam and politics in Tunisia after the 2010 revolution the influence of religion on the sharp turn to the political right in Western Europe understandings of Confucianism as a form of secularism and the alliance between evangelical Christians and neoliberal business elites in the United States since the 1970s This volume also provides a methodological template for how humanities scholars around the world can collaboratively engage with sweeping issues of global significance Contributors Markus Balkenhol Elizabeth Bentley Kambiz GhaneaBassiri David N Gibbs Ori Goldberg Marcia Klotz Zeynep Kurtulus Korkman Leerom Medovoi Eva Midden Mohanad Mustafa Mu chou Poo Shaul Setter John Vignaux Smith Pooyan Tamimi Arab Ernst van den Hemel Albert Welter Francis Ching Wah Yip Raef Zreik

Moral Panics, Sex Panics Gilbert Herdt, 2009-06-01 Finalist for 2010 LGBT Anthology Award from the Lambda Literary Awards Unwed teen mothers abortion masturbation pornography gay marriage sex trafficking homosexuality and HIV are just a few in a long line of issues that have erupted into panics These sexual panics spark moral crusades and campaigns defining and shaping how we think about sexual and reproductive rights The essays in Moral Panics Sex Panics focus on case studies ranging from sex education to AIDS to race and the down low to illustrate how sexuality is at the heart of many political controversies The contributors also reveal how moral and sexual panics have become a mainstay of certain kinds of conservative efforts to win elections and gain power in moral social and political arenas Moral Panics Sex Panics provides new and important insights into the role that key moral panics have played in social processes arguing forcefully against the political abuse of sex panics and for the need to defend full sexual and reproductive rights Contributors Cathy J Cohen Diane DiMauro Gary W Dowsett Janice M Irvine Carole Joffe and Saskia Eleonora Wieringa

Intellectual Freedom and Censorship

Frank W. Hoffmann, 1989 Listings are grouped into five parts covering the theoretical foundations of censorship and intellectual freedom key court cases professions concerned with intellectual freedom procensorship anti censorship

individuals and groups cases of censorship in the mass media The latter section will be **The New Right in the New Europe** Seán Hanley,2007-08-07 Using the Czech example this book considers the emergence of centre right parties in Eastern Europe following the collapse of communism **New Left, New Right, and the Legacy of the Sixties** Paul Lyons,1996 Lyons concludes that despite all of the progress initiated by the political momentum of the Sixties we as Americans are still plagued by debates about issues like multiculturalism Afrocentrism and affirmative action and in order to effectively address these issues today we must acknowledge and accept the contributions made by both movements Faith in Politics A. James Reichley,2004-05-26 According to current polls about 85 percent of Americans identify with some religious faith and more than 40 percent say they attend religious services at least once a week In recent years religious observance and even religious belief have become important factors influencing voter choice Active participation in electoral politics by some religious groups has fueled apprehensions that the traditional separation of church and state may be threatened A James Reichley explores the questions and conflicting positions surrounding the relations between government and politics in a new book that draws upon his landmark work Religion in American Public Life In Faith in Politics Reichley explores the history of religion in American public life and considers some practical and philosophic questions affecting future participation by religious groups in the formation of public policy Reichley begins by examining the various attitudes and points of view of strict separationists liberal social activists moderate accommodationists and direct interventionists He goes on to discuss the way religion and politics relate to each other through a theoretic structure of seven value systems monism absolutism ecstacism egoism collectivism civil humanism and transcendent idealism Further chapters examine the trends and constitutional arrangements that developed during the formative years of the American Republic the evolution of judicial interpretations of the free exercise and establishment clauses and the history of church involvement in politics from the early years of the Republic to the 2000 election and the aftermath of the September 11 terrorist attacks A chapter covering events and developments from 1986 to 2002 includes accounts of political activism by the African American church ideological divisions among Roman Catholics Jewish liberalism and commitment to Israel the rise and decline of the religious right and political differences The Moral Property of Women Linda Gordon,2002-09-15 Now in paperback The Moral Property of Women is a thoroughly updated and revised version of the award winning historian Linda Gordon s classic study Woman s Body Woman s Right 1976 It is the only book to cover the entire history of the intense controversies about reproductive rights that have raged in the United States for more than 150 years Arguing that reproduction control has always been central to women s status Gordon shows how opposition to it has long been part of the entrenched opposition to gender equality **The Rise and Fall of the Religious Left** L. Benjamin Rolsky,2019-11-12 For decades now Americans have believed that their country is deeply divided by culture wars waged between religious conservatives and secular liberals In most instances Protestant conservatives have been cast as the instigators of such warfare while religious liberals have

been largely ignored In this book L Benjamin Rolsky examines the ways in which American liberalism has helped shape cultural conflict since the 1970s through the story of how television writer and producer Norman Lear galvanized the religious left into action The creator of comedies such as All in the Family and Maude Lear was spurred to found the liberal advocacy group People for the American Way in response to the rise of the religious right Rolsky offers engaged readings of Lear s iconic sitcoms and published writings considering them as an expression of what he calls the spiritual politics of the religious left He shows how prime time television became a focus of political dispute and demonstrates how Lear s emergence as an interfaith activist catalyzed ecumenical Protestants Catholics and Jews who were determined to push back against conservatism s ascent Rolsky concludes that Lear s political involvement exemplified religious liberals commitment to engaging politics on explicitly moral grounds in defense of what they saw as the public interest An interdisciplinary analysis of the definitive cultural clashes of our fractious times The Rise and Fall of the Religious Left foregrounds the foundational roles played by popular culture television and media in America s religious history

Religion Morality The New Right Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion Morality The New Right has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion Morality The New Right has opened up a world of possibilities. Downloading Religion Morality The New Right provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion Morality The New Right has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion Morality The New Right. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion Morality The New Right. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion Morality The New Right, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion Morality The New Right has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religion Morality The New Right Books

What is a Religion Morality The New Right PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion Morality The New Right PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion Morality The New Right PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion Morality The New Right PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion Morality The New Right PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
