Evangelicalism Richard Kyle, 2017-09-20 Most forms of religion are best understood in the context of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In *Evangelicalism* Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America's culture and unabashedly populist Many Evangelicals view America as God's chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was

once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful *Routledge Revivals: Radio Broadcasting from 1920 to 1990 (1991)* Diane Foxhill Carothers,2016-11-10 First published in 1991 this book presents a comprehensive annotated bibliography of radio broadcasting Its eleven chapter categories cover almost the entire range of radio broadcasting with the exception of radio engineering due to its technical complexity although some of the historical volumes do encompass aspects thus providing background material Entries are primarily restricted to published books although a number of trade journals and periodicals are also included Each entry includes full bibliographic information including the ISBN or ISSN where available and an annotation written by the author with the original text in hand *Pat Robertson* David John Marley,2007 A portrait of the 700 Club host and co founder of the Christian Coalition considers his role as a reviled figure in the secular world and a formidable role model among Christian fundamentalists in a profile that lauds his achievements while questioning some of his decisions **Religious Broadcasting Sourcebook** Ben Armstrong,Benjamin Leighton Armstrong,1978 [Christian Communicator's Handbook](#) Floyd A. Philosophy and Religion Mark A. Lamport,2022-04-07 The Handbook of Philosophy and Religion is a one volume examination of the most salient concepts that sit at the intersection of religion and philosophy This book grounds readers in the mysteries that have evoked wonder and consternation for millennia such as the nature of divinity in relation to humanity the legitimacy of religious experience and how we frame language to speak about it the possibility of miraculous occurrences and theories regarding life after death **BBC Handbook** British Broadcasting Corporation,1928 *Cumulative Book*

Index ,1925 A world list of books in the English language **Christian Communication** ,1989-09-26 The rise of the fundamental religious broadcasters in the United States has triggered an intense popular interest in mediated Christianity and prompted the traditional churches to reexamine their own policies toward mass communication The ensuing dramatic increase in the number of studies on the subject has prompted a corresponding need for a comprehensive index of valuable materials Christian Communication is the first wide ranging annotated bibliography of available books articles theses and dissertations in English French German Spanish and Italian that deals with all forms and aspects of Christian communication even comic books and the computer The bibliographies for this collection were drawn from several sources including the Library of Congress several important computerized databases manual searches of such institutions as the Billy Graham Center and the Graduate Theological Union among others and references in dissertations Most importantly only accessible items which could be checked and reviewed by Soukup and his research staff have been included here The volume is

arranged to maximize ease of access and use and is based on the general academic division of communication studies The first chapter contains an introduction cross referenced to the bibliographies that reviews the history of church communication the major issues that characterize it and suggests possibilities for future study Next a resource chapter lists periodicals which address specific areas of religious communication or frequently published articles of interest cites bibliographic guides to the material and surveys directories of both personnel working in the field of Christian communication and of catalogs of relevant materials The following seven chapters contain the major bibliographical sections that review communication theory history rhetoric interpersonal communication mass communication intercultural communication and other media The volume closes with helpful name title and subject indexes that make this guide thoroughly user friendly and an important research tool for church communicators theological students and communications scholars working in philosophical or qualitative areas Resources in Education ,1990 **Church Advertising, Public Relations and Marketing in Twentieth-Century America** John C. Hardin,2022-12-14 This book examines the complex relationship between religion and business in twentieth century America It is the story of how Christianity s most basic institution the local church wrestled with the challenges and compromises of competing in the modern marketplace through adopting the advertising public relations and marketing methods of business It follows these sacred promoters and their critics as they navigated between divinely inspired and consumer demanded Amid an animated and contentious battleground for principles practices and parishioners John C Hardin explores the landscape of selling religion in America and its evolution over the twentieth century **Bulletin** United States. Office of Education,1948 *Religious Program Specialist 3 & 2 C.* Joseph Preston,1982 Mediating Religion Jolyon P. Mitchell,Sophia Marriage,2003-06-01 This is the first book to bring together many aspects of the interplay between religion media and culture from around the world in a single comprehensive study Leading international scholars provide the most up to date findings in their fields and in a readable and accessible way Some of the topics covered include religion in the media age popular broadcasting communication theology popular piety film and religion myth and ritual in cyberspace music and religion communication ethics and the nature of truth in media saturated cultures The result is not only a wide ranging resource for scholars and students but also a unique introduction to this increasingly important phenomenon of modern life
