Religious Experience In Earliest Christianity

Luke Timothy Johnson

Religious Experience In Earliest Christianity:

Religious Experience in Earliest Christianity Luke Timothy Johnson, 1998 In three fascinating probes of early Christianity examining baptism speaking in tongues and meals in common Johnson illustrates how a more wholistic approach opens up the world of healings and religious power of ecstasy and spire in short the religious experience of real persons Early Christian texts he finds reflect lives caught up in and defined by a power not in their control but engendered instead by the crucified and raised Messiah Jesus

Religious Experience in Earliest Christianity Luke Timothy Johnson, In three fascinating probes of early Christianity examining baptism speaking in tongues and meals in common Johnson illustrates how a more wholistic approach opens up the world of healings and religious power of ecstasy and spire in short the religious experience of real persons Early Christian texts he finds reflect lives caught up in and defined by a power not in their control but engendered instead by the crucified and raised Messiah Jesus

Religious Experience of the Pneuma Clint Tibbs, 2012-04-26 This book explores the Christian religious experience of the pneuma given in 1 Corinthians 12 and 14 The experience Paul mentions in these texts as well as the mention of spirits in three different places suggest that Paul was actually writing about communicating with the spirit world

Religious Experience and the Creation of Scripture Mark Wreford, 2021-01-28 This volume examines the reasons that prompted the New Testament writers to create the texts which would become the formation of the Christian religion exploring the possibility that certain religious experiences were understood as revelatory and consequently inspired the writing of texts which were seen as special from their inception Mark Wreford uses Luke Acts and Galatians as test cases within the New Testament reflecting both on the stated importance of religious experiences whether the author's own or others to the development of these texts and the status the texts claim for themselves Wreford suggests that Luke Acts offers a helpful example of the relationship between religious experience and the creation of Scripture as an extensive narrative which reflects on early Christian claims to Spirit inspired witness and which begins with an explicit authorial statement of purpose Similarly in Galatians Paul's autobiographical account of God's revelation of Christ to him is the foundation of a letter that is intended to play an authoritative role in shaping its addressees own faith and practice Wreford argues that religious experiences are presented as the driving force behind the creation of the texts examining how such religious experience links with notions of scripture and canonicity He then asserts that both Luke and Paul understood themselves to be creating new scriptural writings on the basis of their relationship to new religious experiences citing the experience and speech at Pentecost the inclusion of gentiles in the experience and Paul's own conversion experience as key elements behind the self understanding of these New Testament authors

Holy Spirit and Religious Experience in Christian Literature ca. AD 90-200 John Eifion Morgan-Wynne, 2006-06-01 Holy Spirit and Religious Experience seeks to find out how far the centrality of the Holy Spirit in Christian experience during the earliest period of the church was maintained or diminished in the third to the fifth generations ca AD 90 200 Three themes are

explored First the sense of encounter with the divine presence the numinous a sense of being caught up into the divine being or being overwhelmed by the One who is beyond us Secondly a sense of being illuminated in respect to the truth given deeper understanding of God s purpose whether for the individual or the congregation or guided in decision making Thirdly a sense of ethical empowerment an awareness of being helped by divine power assisted in a course of action or development of character in grappling with temptation or in the ultimate test of loyalty martyrdom This book is arranged geographically from Syria and Asia Minor in the East to Rome and Gaul in the West including North Africa and Egypt Christian authors within these areas are examined chronologically from the later New Testament writers through the second century to Clement of Alexandria and Tertullian of Carthage for the evidence they supply The variegated picture which emerges it is contended reflects second century Christianity

The Oxford Handbook of Early Christian Ritual Risto Uro, Juliette Day, Rikard Roitto, Richard E. DeMaris, 2019 The Handbook provides an indispensable account of the ritual world of early Christianity from the beginning of the movement up to the end of the sixth century

The Cambridge Companion to Religious Experience Paul K. Moser, Chad Meister, 2020-07-16 For centuries theologians and philosophers among others have examined the nature of religious experience Students and scholars unfamiliar with the vast literature face a daunting task in grasping the main issues surrounding the topic of religious experience The Cambridge Companion to Religious Experience offers an original introduction to its topic Going beyond an introduction it is a state of the art overview of the topic with critical analyses of and creative insights into its subject Religious experience is discussed from various interdisciplinary perspectives from religious perspectives inside and outside traditional monotheistic religions and from various topical perspectives Written by leading scholars in clear and accessible prose this book is an ideal resource for undergraduate and graduate students teachers and scholars across many disciplines

SCM Studyguide to Religious and Spiritual Experience Jeff Astley, 2020-03-31 Spiritual religious sacred or mystical experiences may be broadly defined as subjective human experiences that appear to the person undergoing them or to others to convey or imply contact with or knowledge about a transcendent power presence or superior reality beyond the realm of the physical Research has shown that these forms of awareness of something beyond are of considerable significance in the ordinary lives of very many people as well as being elements of signal importance in the origin and development of religion not least by deepening characteristically spiritual or religious attitudes emotions beliefs values and practices along with fundamental orientations of life and quests for meaning This Studyguide provides a succinct and lucid introduction to the subject for those studying religion at both undergraduate and GCE AS A level By exploring the key areas of both the empirical and theoretical study of religious and spiritual experience the Studyguide will serve as an accessible and nonpartisan guide to enable its readers to explore the range of challenging data debates approaches and issues that relate to the study of this widespread and significant phenomenon

A Language for the Soul Stuart C. Devenish, 2024-10-24 This volume offers Christian spiritual instructors a language for the soul

uncovered from the storehouses of Christianity's ancient living spiritual tradition. That language describes the deep soul movements that unfold in the interior life of believers in response to the Divine invitation. It presents an accessible language of the soul for use in today's professional, educational, ministerial, and everyday life situations. The end product is an experiential dictionary comprised of sixty word concepts which name and explore the inward human reactions to the whispering of God's Spirit. Those reactions result from inward desires that lead to the embrace of faith, the quest for consecration, and the journey of discipleship. Nurturing these intra-personal choices and commitments is the central task of Christian ministry, but many faith instructors remain unaware of these critical inner life processes. More than other resources available today, this experiential dictionary informs, enriches, and intensifies the spiritual journeys of genuine disciples and seekers. The volume is tailored for seminaries, churches, schools, and community settings. It has application to the training of ministry leaders, the instruction of believers, and in supporting the growing number of secular mystics who are open to merging their journeys of self-discovery with the quest for Christ discovery.

Jesus and the Thoughts of Many Hearts Collin Bullard, 2015-02-26. In the Gospel of Luke, the aged Simeon foresees the future opposition which Jesus will face (2:34-35) and concludes his ominous oracle with a vivid description of the final outcome of Jesus' ministry, so that the thoughts of many hearts may be revealed (2:35). Bullard presents an investigation of the narrative and Christological significance of this revelation of thoughts in the ministry of Jesus, especially as this revelation is demonstrated and fulfilled in Jesus' ability to know the thoughts in the hearts of those whom he encounters throughout the Gospel. Bullard first explores a number of potential literary parallels to Jesus' knowledge of thoughts in Greco-Roman and Jewish sources. He then undertakes a narrative and redaction critical study which spans the Gospel in order to provide a full description of the revelation of thoughts in Jesus' ministry. What Jesus knows and how he knows it are fundamental features of his identity governing how he relates to others in the narrative. Yet the issue of whether or how Jesus' knowledge of thoughts fits into Luke's overall Christological portrait has been given only superficial attention. Bullard offers an account of the Christological significance of Jesus' knowledge that makes sense of both its internal narrative development and external literary parallels.

Psychedelics and Christian Faith Ronald Cole-Turner, 2025-01-22. Psychedelic drugs may be illegal, but research shows that they are highly promising treatments for a range of mental health challenges: Post-traumatic stress disorder (PTSD), depression, substance abuse disorders, and many other conditions may soon be treated by adding one or two psychedelic sessions to conventional psychotherapy. The new approach is called psychedelic-assisted therapy, and some believe it will be so transformative that they call this moment the psychedelic renaissance. What makes it important for Christians is that these drugs bring about profoundly meaningful spiritual experiences. In the very same labs where psychedelics are studied for their mental health benefits, researchers are documenting that they bring about intensely meaningful mystical or spiritual experiences. In fact, the latest research points to a connection between the spiritual experience and the mental health benefit, as if the healing comes

from the spiritual experience Christians are typically cautious about psychedelics but our moment calls for theological and pastoral boldness It is time to prepare a welcome for those whose spiritual awareness has been awakened by these drugs whether used in therapy or in other settings All spiritual seekers especially today s psychedelic spiritual seekers deserve a home in the community of faith

Reading Acts Today Loveday Alexander,2011-09-15 **In the World but Not of the World** A. Sue Russell,2019-11-20 There has been much discussion of two dimensions of the kingdom of God in scholarship the temporal already not yet and the embodied spirit flesh Russell proposes that there is a third parallel dimension a social dimension Using Victor Turner s concepts of structure antistructure and liminality Russell explores how these concepts are consistently expressed in Jesus teaching in Paul s writing and through the writers of the second and third centuries She demonstrates how from the very beginning of the Jesus movement Christ followers were unique not because their members were to live liminal lives apart from structure but because they lived out new antistructural relationships within existing structures and thus transformed them They lived liminally within their structure

Dictionary of Christian Spirituality Zondervan,2016-11-22 In recent decades Christian spirituality spiritual formation and spiritual theology have become important concepts in the global evangelical community Consequently an accessible and reliable academic resource is needed on these topics one that will offer a discerning orientation to the wealth of ecumenical resources available while still highlighting the distinct heritage and affirming the core grace centered values of classic evangelical spirituality The Dictionary of Christian Spirituality reflects an overarching interpretive framework for evangelical spiritual formation a holistic and grace filled spirituality that encompasses relational connecting transformational becoming and vocational doing dynamics At the same time contributors respectfully acknowledge the differences between Reformed Holiness and Pentecostal paradigms of the spiritual life And by bringing together writers from around the world who share a common orthodoxy this reference work is truly global and international in both its topical scope and contributors Entries give appropriate attention to concepts concerns and formative figures in the evangelical tradition of spirituality that other reference work neglect They offer a discerning orientation to the wealth of ecumenical resources available exploring the similarities and differences between Christianity and alternate spiritualities without lapsing into relativism The Dictionary of Christian Spirituality is a resource that covers a wide range of topics relating to Christian spirituality and is biblically engaged accessible and relevant for all contemporary Christians

Jesus and the Spirit James D. G. Dunn,1997-06-11 Explores the religious experiences of Jesus Paul and the early church with special emphasis on the Holy Spirit and charismatic experiences

Lubavitcher Messianism Simon Dein,2011-01-20 In 1994 the Lubavitcher Rebbe Menachem Schneerson died leaving no successor For many years his followers had maintained that he was Moshiach the Jewish Messiah and would usher in the Redemption After his death Lubavitch divided into two opposing groups While some messianists hold that the Rebbe died but is to be resurrected as the messiah others hold that he is still alive but concealed The anti

messianists maintain that the Rebbe could have been Moshiach if God had willed it but they disagree vehemently that as such he could come back from the dead Using ethnographic data obtained by the author through twenty years of fieldwork this book presents a social psychological account of Lubavitcher Messianism and moves beyond the typical scholarly preoccupation with belief and dissonance to examine the role of rhetoric religious experience and ritual in maintaining counterintuitive convictions Through examining the parallels between early Christianity and messianism in Lubavitch this book provides a comprehensive perspective for examining messianism generally **Lord Jesus Christ** Larry W.

Hurtado,2005-09-14 This outstanding book provides an in depth historical study of the place of Jesus in the religious life beliefs and worship of Christians from the beginnings of the Christian movement down to the late second century Lord Jesus Christ is a monumental work on earliest Christian devotion to Jesus sure to replace Wilhelm Bousset's Kyrios Christos 1913 as the standard work on the subject Larry Hurtado widely respected for his previous contributions to the study of the New Testament and Christian origins offers the best view to date of how the first Christians saw and revered Jesus as divine In assembling this compelling picture Hurtado draws on a wide body of ancient sources from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the Gospel of Thomas and the Gospel of Truth Hurtado considers such themes as early beliefs about Jesus divine status and significance but he also explores telling devotional practices of the time including prayer and worship the use of Jesus name in exorcism baptism and healing ritual invocation of Jesus as Lord martyrdom and lesser known phenomena such as prayer postures and the curious scribal practice known today as the nomina sacra The revealing portrait that emerges from Hurtado's comprehensive study yields definitive answers to questions like these How important was this formative period to later Christian tradition When did the divinization of Jesus first occur Was early Christianity influenced by neighboring religions How did the idea of Jesus divinity change old views of God And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a Christian Boasting an unprecedented breadth and depth of coverage the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology Hurtado's Lord Jesus Christ is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it Snatched Into Paradise (2 Cor 12:1-10) James Buchanan

Wallace,2011 In 2 Corinthians 12 1 10 Paul claims to have been snatched into paradise but then tells how he received a thorn in the flesh Many recent scholars contend that Paul belittles ecstatic experiences such as the ascent to paradise This monograph places 2 Corinthians 12 1 10 in the contexts of ancient ascent traditions as well as other accounts of extraordinary religious experience in Paul's letters and it engages premodern interpretation of the ascent This study argues that for Paul extraordinary experiences such as the ascent enable self transcending love for God and neighbors The Holy Spirit and Christian Experience Simeon Zahl,2020 The Holy Spirit and Christian Experience is a work of Christian theology

that reflects on the emotional dimensions of Christian religious belief It draws on insights from outside of the field of Christian theology as well as classic theological figures to argue for the importance of paying theological attention to affect and emotion Journal of Biblical and Pneumatological Research Paul Elbert, 2012-09-28 Journal of Biblical and Pneumatological Research VOLUME FOUR FALL 2012 The Journal of Biblical and Pneumatological Research JBPR is a new international peer reviewed academic serial dedicated to narratively and rhetorically minded exegesis of biblical and related texts Potential topics include theological and pneumatological interpretation the role of spiritual experience with authorial canonical and contemporary contexts and the contextual activity of Ruach Yahweh Ruach Elohim and various identifications of the Holy Spirit JBPR hopes to stimulate new thematic and narrative critical exploration and discovery in both traditional and under explored areas of research CONTENTS Editor's Overview of Volume 4 MARKUS LOSKER Seeing the Unseeable Speaking the Unspeakable From a Kenosis of Exegesis toward a Spiritual Biblical Theology ANDREAS HOECK S S D The Johannine Paraclete Herald of the Eschaton RIKU P TUPPURAINEN The Contribution of Socio Rhetorical Criticism to Spirit Sensitive Hermeneutics A Contextual Example Luke 11 13 LYLE STORY One Banquet with Many Courses Luke 14 1 24 PIETER DE VRIES Ezekiel Prophet of the Name and Glory of YHWH The Character of His Book and Several of Its Main Themes MARK SAUCY How Does the Holy Spirit Change Us A Review Essay Review of Elim Hiu Regulations Concerning Tongues and Prophecy in 1 Corinthians 14 26 40 Relevance beyond the Corinthian Church M Fred Haltom Review of Joseph Peter Becker Paul's Use of Xarix in 2 Corinthians 8 9 An Ontology of Grace Rebecca Skaggs and Thomas Doyle Review of Manfred Baumert Nat rlich bernat rlich Charismen entdecken und weiterentwickeln Natural Supernatural Discovering and Developing Spiritual Gifts Wolfgang Vondey Review of Norbert Baumert Sorgen des Seelsorgers bersetzung und Auslegung des ersten Korintherbriefes Worries of Pastors Translation and Interpretation of First Corinthians Manfred Baumert and Paul Elbert Review of Gonzalo Haya Prats Empowered Believers The Holy Spirit in the Book of Acts Martin Mittelstaadt Lyle Story and James Shelton

Decoding **Religious Experience In Earliest Christianity**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Religious Experience In Earliest Christianity Introduction

In today's digital age, the availability of Religious Experience In Earliest Christianity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religious Experience In Earliest Christianity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religious Experience In Earliest Christianity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religious Experience In Earliest Christianity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religious Experience In Earliest Christianity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religious Experience In Earliest Christianity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religious Experience In Earliest Christianity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts

millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religious Experience In Earliest Christianity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religious Experience In Earliest Christianity books and manuals for download and embark on your journey of knowledge?

FAQs About Religious Experience In Earliest Christianity Books

1. Where can I buy Religious Experience In Earliest Christianity books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
