## Religious Poetry Of The Medieval Hebrews:

*Religious Poetry of the Medieval Hebrews* Charles F. Horne, 2005-12 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. *The Gazelle* Raymond P. Scheindlin, 1999 From the tenth century to the thirteenth, the Jews of Spain belonged to a vibrant and relatively tolerant Arabic-speaking society, a sophisticated culture that had a marked effect on Jewish life, thought, artistic tastes, and literary expression. In this companion volume to *Wine, Women, and Death*, we see how the surrounding Arabic culture influenced the new poetry that was being written for the synagogue service. The Hebrew poems here are accompanied by elegant English translations and explanatory essays. *Short Lyrics of the Highest Literary Quality* Medieval Hebrew Poetry in Muslim Egypt Joachim J.M.S. Yeshaya, 2010-11-19 Offering an edition of secular poems taken from the earliest fifteenth-century manuscript, this book seeks to evaluate Moses Dar's poetry in the light of the Andalusian Hebrew poetical tradition and within the context of Hebrew literary activity in the Muslim East. Hebrew Sacred Poetry in the Middle Ages Nina Salaman, 1911 *Medieval Hebrew Featuring The Midrash* Unknown, **The Religious Poetry of El'azar ben Ya'aqov ha-Bavli** Wout J. van Bekkum, 2022-10-24 This volume presents the reader with a fascinating collection of hymns composed by El'azar the Babylonian, an Arab Jewish poet who is active in Baghdad during the first half of the 13th century. His religious oeuvre consists of dozens of hymns coming down to us from the treasures of the Cairo Geniza and the Firkovicz Collections. His compositions provide a cross-section of genres and liturgical destinations. El'azar's devotional hymnology is characterised by a striking spiritual tendency which reveals his familiarity with contemporary Sufism in both Muslim and Jewish circles.

*Conversos, Inquisition, and the Expulsion of the Jews from Spain* Norman Roth, 2002-09-02 The Jewish community of medieval Spain was the largest and most important in the West for more than a thousand years, participating fully in cultural and political affairs with Muslim and Christian neighbors. This stable situation began to change in the 1390s, and through the next century, hundreds of thousands of Jews converted to Christianity. Norman Roth argues here, with detailed documentation, that contrary to popular myth, the conversos were sincere converts who hated and were hated by the remaining Jewish community. Roth examines in depth the reasons for the Inquisition against the conversos and the eventual expulsion of all Jews from Spain. With scrupulous scholarship based on a profound knowledge of the Hebrew, Latin, and Spanish sources, Roth sets out to shatter all existing preconceptions about late medieval society in Spain. Henry Kamen, *Journal of Ecclesiastical History*. Scholarly, detailed, researched, and innovative. As the result of Roth's writing, we shall need to rethink our knowledge and understanding of this period. Murray Levine, *Jewish Spectator*. The fruit of many years of study, investigation, and reflection, guaranteed by the solid intellectual trajectory of its author, an expert in Jewish studies. A contribution that will be

particularly valuable for the study of Spanish medievalism Miguel Angel Motis Dolader *Anuario de Estudios Medievales*

Hamilton, 2007-10-15 *Representing Others in Medieval Iberian Literature* explores the ways Arabic Jewish and Christian intellectuals in medieval Iberia courtiers and clerics adapt and transform the Andalusí go between figure in order to represent their own role as cultural intermediaries While these authors are of different religious ethnic and linguistic backgrounds they use the go between an essential figure in the Andalusí courtly discourse of desire to open up a secular more tolerant intellectual space in the face of increasingly fundamentalist currents in their respective cultures The way this study focuses on the hybrid discourses and identities of medieval Iberia as Muslim Jewish and Christian responses to continual contact conflict reflects a methodological approach based in Cultural and Translation Studies **Sephardic**

**Hebrew Poetry from Late Antiquity** Wout van Bekkum, 2018-12-10 The discovery of the Genizah manuscript collection is nothing less than a revolution for the knowledge of Hebrew literature and Jewish culture in Late Antiquity and the Middle Ages One of the main results of one hundred years of Genizah research is the rediscovery of Hebrew liturgical poetry which shed much light on various aspects of Jewish studies For the last half century it has been almost commonplace to discover new poems unknown poets novel uses of poetry and unfamiliar poetic versions of familiar prose texts within liturgical settings being revealed among the manuscripts and manuscript fragments The products of the composers and reciters of synagogue poetry convincingly demonstrate the importance of poetry in Jewish worship and communal life The major corpora of Palestinian liturgical poetry bear evidence to the prolific literary activity of a number of famous poets who laid the foundations for the development of Hebrew poetry in later periods Yossi ben Yossi Yannai Simon bar Megas Elazar birabbi Kilir and Yohanan ha Kohen One of these mostly Byzantine Jewish melodists was Yehudah who composed a cycle of poems in accordance with the reading tradition of the Pentateuch and Prophets on the sabbath This study presents Yehudah's oeuvre with commentaries and deals with its historical and literary context in four introductory chapters The edition is complemented by indices and a bibliography **Library of Congress Subject Headings** Library of Congress. Subject Cataloging Policy, 1992 *Poetry and Memory in Karaite Prayer* Joachim Yeshaya, 2013-11-07 In *Poetry and Memory in Karaite Prayer* Joachim Yeshaya offers an edition of liturgical poems which the Karaite poet Moses Dar composed in twelfth century Egypt as introductory poems for the Torah readings on each Sabbath The Hebrew text and Judaeo Arabic heading of each poem are provided in the original order attested in the manuscript NLR Evr I 802 dated to the fifteenth

century Every poem comes with a commentary section consisting of English commentary essays and bilingual Hebrew English line by line annotations In the conclusion following this edition Joachim Yeshaya demonstrates how Dar s liturgical poems are among the earliest examples of the introduction of poetry Andalusian Rabbanite poetical norms and the memory of being exiled from Jerusalem into Karaite prayer Jews of Spain Jane S. Gerber,1994-01-31 The history of the Jews of Spain is a remarkable story that begins in the remote past and continues today For more than a thousand years Sepharad the Hebrew word for Spain was home to a large Jewish community noted for its richness and virtuosity Summarily expelled in 1492 and forced into exile their tragedy of expulsion marked the end of one critical phase of their history and the beginning of another Indeed in defiance of all logic and expectation the expulsion of the Jews from Spain became an occasion for renewed creativity Nor have five hundred years of wandering extinguished the identity of the Sephardic Jews or diminished the proud memory of the dazzling civilization which they created on Spanish soil This book is intended to serve as an introduction and scholarly guide to that history **Medieval Lyric** William Doremus Paden,2000 An essential volume for medievalists and scholars of comparative literature Medieval Lyric opens up a reconsideration of genre in medieval European lyric Departing from a perspective that asks how medieval genres correspond with twentieth century ideas of structure or with the evolution of poetry this collection argues that the development of genres should be considered as a historical phenomenon embedded in a given culture and responsive to social and literary change **A History of Prayer** Roy Hammerling,2008-10-02 Ancient prayers exist in a rich variety of often unexamined forms and so they require a comprehensive study This volume includes diverse scholars who reveal the wondrous breadth of prayerful religious traditions from the first to the fifteenth centuries **Shbahoth - Songs of Praise in the Babylonian Jewish Tradition** Sara Manasseh,2016-12-05 Sara Manasseh brings a significant but less widely known Jewish repertoire and tradition to the attention of both the Jewish community Ashkenazi Sephardi Oriental and the wider global community The book showcases thirty one songs and includes English translations complete Hebrew texts transliterations and the music notation for each song The accompanying downloadable resources include eighteen of the thirty one songs sung by Manasseh accompanied by ud and percussion The remaining thirteen songs are available separately on the album Treasures performed by Rivers of Babylon directed by Manasseh [www.riversofbabylon.com](http://www.riversofbabylon.com) While in the past a book of songs with Hebrew text only was sufficient for bearers of the tradition the present package represents a song collection for the twenty first century with greater resources to support the learning and maintenance of the tradition Manasseh argues that the strong inter relationship of Jewish and Arab traditions in this repertoire linguistically and musically is significant and provides an intercultural tool to promote communication tolerance understanding harmony and respect The singing of the Shbahoth the Baghdadian Jewish term for Songs of Praise has been a significant aspect of Jewish life in Iraq and continues to be valued by those in the Babylonian Jewish diaspora Jews, Visigoths and Muslims in Medieval Spain Norman Roth,2024-04-02 Jews

settled in medieval Spain at least by the third century and under the Christian Visigoths sixth to eighth centuries suffered increasing hostility and persecution from which they were saved by the Muslim invasion 711 This book details the relations between Jews and the Visigoths and then with the Muslims both in Muslim Spain proper al Andalus and in later Christian Spain to the fifteenth century It examines both the positive and negative aspects of those relations drawing on a variety of sources many of which are here utilized for the first time Political socio economic scientific cultural literary and even sexual aspects of the history of the interaction between Jews and Visigoths and Jews and Muslims provide hopefully a new insight into a period of great importance in history      *The Modern Hebrew Poem Itself* Stanley Burnshaw, 2003 A collection of modern Hebrew poetry that presents the poems in the original Hebrew with an English phonetic transcription
