## Religious Cults Associated With The Amaz:

**Religious Cults Associated With the Amazons (Classic Reprint)** Florence Mary Bennett, 2018-03-05 Excerpt from Religious Cults Associated With the Amazons There is another allusion in Homer to the Amazons although this is indirect rather than direct It occurs in the second book of the Iliad where the spot of assembly for the Trojans and their allies is designated 4 There is before the city a certain lofty barrow in the plain far away standing detached on this side and on that which men forsooth call Batieia but the immortals name it the grave of swift bounding Myrina Here then were the Trojans numbered and their allies The scholiast and the commentary of Eustatius on the passage tell that this Myrina was an Amazon the daughter of Teucer and the wife of Dardanus and that from her the city Myrina in Aeolis was said to have been named 5 It seems reasonable to suppose that the commentators are correct for in later literature we hear much of an Amazon by this name and there is frequent mention of graves of various Amazons here and there in Greek lands always regarded with wonder and awe akin to the reverence with which Homer mentions the tomb of Myrina About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Religious Cults Associated With the Amazons** Florence Mary Bennett, *Religious Cults Associated with the Amazons* Florence Bennett Anderson, 1912 Religious Cults Associated With the Amazons Florence Mary Bennett, 2015-06-17 Excerpt from Religious Cults Associated With the Amazons The Iliad contains two direct references to the Amazons namely in the story of Bellerophon and in a passage from the famous teichoscopy The context to which the first of these belongs is classed by critics as an echo from the pre Homeric saga and therefore it may be inferred that the Amazon tradition in Greek literature dates from a time even earlier than the Homeric poems The description of the women here is very slight being given by the epithet *amiaveipa* of the line but from the facts that battle with them is considered a severe test of the hero's valour and that as warriors they are ranked with the monstrous chimaera the fierce Solymi and picked men of Lycia we gather that they are conceived as beings to be feared The scene of combat with them is Lycia The second of the two passages cited above is more definite Priam exclaiming on the happy lot of Agamemnon who has been pointed out to him says to Helen Oh happy Atreid fate's child blessed with prosperity Verily to thee are many subject youths of the Achaeans Once did I go to vine rich Phrygia where I beheld vast numbers of Phrygian men with swift moving steeds the people of Otreus and godlike Mygdon who were then encamped by the banks of the Sangarius For I was numbered an ally with these on that day when the Amazons came pitted against men Yet even these were not as many as are the quick glancing Achaeans About the Publisher Forgotten Books
