## **Religious Fundamentalisms And The Human Rights Of Women:**

Religious Fundamentalisms and the Human Rights of Women C. Howland, 1999-09-03 Dialogue on the conflict between religious fundamentalism and women's rights is often stymied by an all or nothing approach fundamentalists claim of absolute religious freedom while some feminists dismiss religion entirely as being so imbued with patriarchy as to be eternally opposed to women's rights This ignores though the experiences of religious women who suffer under fundamentalism and fight to resist it perceiving themselves to be at once religious and feminist In Religious Fundamentalisms and the Human Rights of Women Howland provides a forum for these different scholars both religious and nonreligious to meet and seek common ground in their fight against fundamentalism Through an examination of international human rights national law grass roots activism and theology this volume explores the acute problems that contemporary fundamentalist movements pose for women's equality and liberty rights

Competing Fundamentalisms and Egyptian Women's Family Rights Jasmine Moussa, 2011-06-22 Critiquing both universalism and cultural relativism as theoretical approaches this book presents a comprehensive study of Egypt's Shar'a derived family law and proposing practical methods to advance women's family rights on the ground while respecting their religious and cultural identities

*The Handbook of Women, Psychology, and the Law* Andrea Barnes, 2005-05-20 The Handbook of Women Psychology and the Law is a groundbreaking book that presents legal and psychological perspectives on how society has responded to the most vital and often controversial contemporary women's issues The Handbook covers such important topics as abortion rape domestic violence sexual harassment employment discrimination divorce poverty welfare and mental health Written by experts in the fields of jurisprudence clinical psychology feminist psychology ethics and public policy this essential volume shows how crucial social issues have effected civil and criminal law This comprehensive resource Describes the evolution of gender related legal decisions Explores sexual harassment in the workplace from both the individual's and the organization's viewpoints Explains the invisible aspect of women's contributions to the workplace Describes the ambivalence of the courts in cases involving pregnant employees Presents an update of the psychological and legal sides of abortion Reports on the gender gap in health insurance coverage Offers a cross cultural overview of women and depression Explores recent legal interventions for incarcerated women who killed their batterers Gives an analysis of rape from an international perspective and explores the use of rape as a weapon of war Presents particular issues affecting women from places such as southern Africa Uganda and China

*Gender and Feminist Theory in Law and Society* Madhavi Sunder, 2017-11-30 This volume chronicles a quarter century of feminist theorizations on equality and liberty The essays demonstrate a continuing commitment to feminist method a democratic notion that all people have a right to participate in the production of knowledge of the world including legal knowledge and manifest feminism's continuing critical tradition namely theorists willingness to see multiple factors including feminism itself as obstructing enlightened constructions of the world Taken together the essays suggest that liberty to make

the world is not just a means to an end equality but is a substantive end in itself      **A Critical Analysis of the Efficacy of Law as a Tool to Achieve Gender Equality** Natalie Persadie, 2012-07-26 Law is often perceived as an instrument that can effect social change While this might be so it must be complemented by the necessary financial and human resources to make the law effective Natalie Persadie explains that among developing countries such as Trinidad and Tobago the achievement of legal advances for women at either the international or national levels is particularly difficult where practical measures are not subsequently implemented This is perhaps attributable to a lack of political will Important issues such as gender equality and domestic violence are not given priority and laws aimed at protecting women and promoting women's rights are ineffective scant or unenforced Gender justice can only be realized through a multilevel approach from above and more importantly from below as women have the potential to effect real national and international legal and institutional change to ensure gender equality at both levels      **Muslim Women in America** Yvonne Yazbeck Haddad, Jane I. Smith, Kathleen M. Moore, 2006-03-02 The treatment and role of women are among the most discussed and controversial aspects of Islam The rights of Muslim women have become part of the Western political agenda often perpetuating a stereotype of universal oppression Muslim women living in America continue to be marginalized and misunderstood since the 9 11 terrorist attacks Yet their contributions are changing the face of Islam as it is seen both within Muslim communities in the West and by non Muslims In their public and private lives Muslim women are actively negotiating what it means to be a woman and a Muslim in an American context Yvonne Yazbeck Haddad Jane I. Smith and Kathleen M. Moore offer a much needed survey of the situation of Muslim American women focusing on how Muslim views about and experiences of gender are changing in the Western diaspora Centering on Muslims in America the book investigates Muslim attempts to form a new American Islam Such specific issues as dress marriage childrearing conversion and workplace discrimination are addressed The authors also look at the ways in which American Muslim women have tried to create new paradigms of Islamic womanhood and are reinterpreting the traditions apart from the males who control the mosque institutions A final chapter asks whether 9 11 will prove to have been a watershed moment for Muslim women in America This groundbreaking work presents the diversity of Muslim American women and demonstrates the complexity of the issues Impeccably researched and accessible it broadens our understanding of Islam in the West and encourages further exploration into how Muslim women are shaping the future of American Islam      Global Health Disputes and Disparities Dru Bhattacharya, 2013 Global Health Disputes and Disparities explores inequalities in health around the world looking particularly at the opportunity for and limitations of international law to promote population health by examining its intersection with human rights trade and epidemiology and the controversial issues of legal process religion access to care and the social context of illness Using a theoretical framework rooted in international law this volume draws on a wide range of rich empirical data to assess the challenges facing the field including international legal treaty interpretation and specific issues related to the application of

law in resolving pressing issues in gender access to care and social determinants of health In doing so it illustrates the challenges for implementing rights based approaches to address health disparities with profound implications for future regulations and policymaking It includes both interviews with leading scholars as well as a variety of case studies from prominent international forums including formal claims brought before the Human Rights Council and the Committee on the Elimination of All Forms of Discrimination Against Women as well as regional and national experiences drawn from disputes in India Indonesia South Africa and the USA This volume is an innovative contribution to the burgeoning fields of global health and human rights and will be of interest to students and researchers in public health global health law and sociology interested in the social determinants of health and social justice from both theoretical and practical perspectives

**Power, Agency, and Women in the Mission of God** Susan L. Maros,Vince L. Bantu,Kirsteen Kim,2024-05-10 This volume fulfills the need for an accessible academic book that addresses the gender issues that women face as Christian disciples whether in formal leadership roles or engaging leadership in informal means and considers these issues in the context of world Christianity In an era in which mission is from everywhere to everywhere when local churches strive to be missional and when Christians are engaged in intercultural ministry this book invites a scholar practitioner conversation

engaging multiple disciplines and perspectives to explore the role of women in the mission of God An interdisciplinary and intercultural conversation about women will enrich the church s ongoing effort to be faithful to God s call to women and men to participate in God s work in the world      **Non-State Actors, Soft Law and Protective Regimes** Cecilia M.

Bailliet,2012-08-09 By offering critical perspectives of normative developments within international law this volume of essays unites academics from various disciplines to address concerns regarding the interpretation and application of international law in context The authors present common challenges within international criminal law human rights environmental law and trade law and point to unintended risks and consequences in particular for vulnerable interests such as women and the environment Omissions within normative or institutional frameworks are highlighted and the importance of addressing accountability of state and non state actors for violations or regressions of minimum protection guarantees is underscored Overall it advocates harmonisation over fragmentation pursuant to the aspiration of asserting the interests of our collective humanity without necessarily advocating an international constitutional order      **Women, Islam and International Law**

Ekaterina Yahyaoui Krivenko,2009 Islam and womena TM s human rights entertain an uneasy relationship Much has been written on the subject This volume addresses it from a new perspective It attempts to define some basis for constructive dialogue and interaction in the context of international law and more precisely in the context of participation of many Muslim States in the United Nations Convention on the Elimination of All Forms of Discrimination Against Women Having discovered a constructive potential in both Islam and womena TM s human rights the author concentrates on the role which international law should play in promoting dialogue and constructive interaction This is done mainly through analysis of the regime of reservations and of the practice of reservations developed in the context of Muslim Statesa TM participation in the CEDAW The basic thesis defended is the following Islam as articulated in the practice of States and womena TM s human rights as reflected in international instruments are both results of human activity Their analysis in this study reveals more commonalities than one might expect International law should be more attentive to their voices and more innovative in using these commonalities in order to promote constructive dialogue between them and thus help to improve the situation of women suffering from discrimination and inequalities      **Advancing the Legal Status of Women in Islamic Law** Mona

Samadi,2021-05-25 Mona Samadi examines the sources of gender differences within the Islamic legal tradition and describes how Islamic law entitles individuals to justice according to their status abilities and potential In the case of men and women s capabilities the underlying principle is that they are entitled to the same rights as long as their capabilities are the same In the legal construction of women s status women have been prescribed lacking the same abilities and capabilities as men As such their status and rights differ justifying men to be the maintainers of women By presenting the historical development of women s status and how women s legal status is debated in contemporary Muslim societies Mona Samadi convincingly provides various methods for facilitating change within the Islamic legal theory framework      **Nordic Cosmopolitanism**

Jarna Petman, Jan Klabbers, 2021-11-01 The present collection of essays for Martti Koskenniemi provides a wide ranging overview of the state of Nordic international legal scholarship In addition to the more theoretical discussions it engages with a variety of current debates such as the war on terrorism the criminalization of international law and the position of human rights in the European Union for example The collection with a mixture of academics and practitioners will prove useful to scholars in international law international relations and related disciplines as well as officials of states and international organizations

Wild Religion David Chidester, 2012-04-23 Wild Religion is a wild ride through recent South African history from the advent of democracy in 1994 to the euphoria of the football World Cup in 2010 In the context of South Africa's political journey and religious diversity David Chidester explores African indigenous religious heritage with a difference As the spiritual dimension of an African Renaissance indigenous religion has been recovered in South Africa as a national resource Wild Religion analyzes indigenous rituals of purification on Robben Island rituals of healing and reconciliation at the new national shrine Freedom Park and rituals of animal sacrifice at the World Cup Not always in the national interest indigenous religion also appears in the wild religious creativity of prison gangs the global spirituality of neo shamans the ceremonial display of Zulu virgins the ancient Egyptian theosophy in South Africa's Parliament and the new traditionalism of South Africa's President Jacob Zuma Arguing that the sacred is produced through the religious work of intensive interpretation formal ritualization and intense contestation Chidester develops innovative insights for understanding the meaning and power of religion in a changing society For anyone interested in religion Wild Religion uncovers surprising dynamics of sacred space violence fundamentalism heritage media sex sovereignty and the political economy of the sacred

Gender and Justice in Multicultural Liberal States Monique Deveaux, 2006-11-30 This book offers a persuasive new argument for reconciling the tensions that arise when liberal democratic states try to protect two important kinds of equality sexual equality and cultural equality
