The Hibbert Lectures ,1910 *Vol. Iii: Medieval Indian Society And Culture* J.L. Mehta, A History of Greek Philosophy W. T. Stace,2018-03-10 It is natural that at the commencement of any study one should be expected to say what the subject matter of that study is Botany is the knowledge of plants astronomy of the heavenly bodies geology of the rocks of the earth s crust What then is the special sphere of philosophy What is philosophy about Now it is not as easy to give a concise definition of philosophy as it is of the other sciences In the first place the content of philosophy has differed considerably in different periods of history In general the tendency has been to narrow down the scope of the subject as knowledge advanced to exclude from philosophy what was formerly included in it Thus in the time of Plato physics and astronomy were included as parts of philosophy whereas now they constitute separate sciences This however is not an insurmountable difficulty What chiefly militates against the effort to frame a definition is that the precise content of philosophy is differently viewed by different schools of thought
