Religious Writings And Religious Systems Volume 2 Christianity:

A System of Christian Doctrine, Volume 2 Isaak A. Dorner, 2016-03-24 This is Volume 2 of a 4 volume set **Religion and Chinese Society Vol. 2** John Lagerwey, 2021-09-24 Thirty years ago Hu Shih's views of Chinese society and history were representative of Sinology in general China itself had no native religion just local customs its only real religion was an import Buddhism These views have now been completely overturned with massive implications for our understanding not only of China but also of humanity as a whole it is no longer possible to imagine that at least one major traditional society constructed and construed itself without reference to a non mundane world that permeated every facet of society and it therefore becomes indispensable for students of China to take the history of Chinese religion into account and for students of religion to take into account the Chinese experience of and Chinese categories for dealing with religious phenomena The present volumes contain a selection of twenty one essays presented in a conference convened jointly by the Ecole française d'Extrême Orient and the Centre for the Study of Religion and Chinese Society of the Chinese University of Hong Kong on Religion and Chinese Society The Transformation of a Field and Its Implications for the Study of Chinese Culture held on May 29 June 2 2000 The collection aims at providing as wide a coverage as possible of recent research in the history of Chinese religion and seeks to draw some tentative conclusions about the implications for the study of Chinese religion and society in general *Socio-Historical Examination of Religion and Ministry, Volume 2, Issue 1* Darren M. Slade, 2020-05-01 Socio-Historical Examination of Religion and Ministry SHERM journal is a biannual not for profit free peer reviewed academic journal that publishes the latest social scientific historiographic and ecclesiastic research on religious institutions and their ministerial practices SHERM is dedicated to the critical and scholarly inquiry of historical and contemporary religious phenomena both from within particular religious traditions and across cultural boundaries so as to inform the broader socio-historical analysis of religion and its related fields of study The purpose of SHERM is to provide a scholarly medium for the social scientific study of religion where specialists can publish advanced studies on religious trends theologies rituals philosophies socio-political influences or experimental and applied ministry research in the hopes of generating enthusiasm for the vocational and academic study of religion while fostering collegiality among religious specialists Its mission is to provide academics professionals and nonspecialists with critical reflections and evidence based insights into the socio-historical study of religion and where appropriate its implications for ministry and expressions of religiosity **The Church of Antioch and the Eucharistic Traditions (ca. 35-130 CE)** Amiel Drimbe, 2020-10-12 The author has chosen 1 to analyse the Eucharistic traditions of earliest Christianity and 2 to trace their use within the church of Antioch focusing on the following key texts 1 Cor 11:23-25 Matt 26:26-29 Did 9:1-10:6 and Ignatius Phil 4:1 Therefore connecting the four Eucharistic texts to the early church of Antioch constitutes the main objective of this study Introduction **Torah for Gentiles?** Daniel Nessim, 2021-03-15 In the matrix of nascent Judaism and Christianity the Didache is a Christian Jewish

voice seeking to mediate the Torah to its gentile recipients in a manner appropriate for them Steering diplomatically between the Scylla and Charybdis of the Law observant Jerusalem church and Pauline dogma the Didache is very clear that gentiles do not need to convert to Judaism On the other hand the author argues the Torah and in particular the second Table of the Decalogue is universally applicable to everyone Jew and gentile While gentiles are not required to keep commands specific to Israel the Deuteronomic paradigm of the Way of Life versus the Way of Death is applicable to all Jesus said my yoke is easy The Didache mandates bearing the yoke of the Lord in order to attain perfection The yoke it advocates is not as easy as one might suppose yet both Jews and Christians would recognize its morals as largely the same as those that underpin Judaeo Christian values today Further they reflect the requirements that Christian Jews saw as necessary for participation in the Christian community in a day when that community still looked very much to its Jewish progenitors

Religion Matters: Volume 2 P. T. Babie, Rick Sarre, 2024-07-19 This book constitutes the second volume of Religion Matters The Contemporary Relevance of Religion Springer 2020 Offering a fresh and much needed perspective it explores the role of religion in the modern neo liberal world The book acclaims that religion is a contextual and contested term which is extensively discussed in the Introduction Designed to be read selectively this book allows readers to delve into topics and traditions of specific interest without the

necessity of reading the entire volume In contrast to volume 1 where contributors critically engaged with religion and various disciplines this book poses a fundamental question Can religion contribute to the discipline under consideration Authors were selected based on their ability to address this question Some chapters concluded that religion may offer very little to the discipline under consideration highlighting the value of volume 1 s critical stance on the place of religion in contemporary society However the project s overall aim remained somewhat unfulfilled leading to the creation of this second volume The primary omission from the first book was a comprehensive exploration of the sciences and health sciences which this second volume aims to rectify Furthermore additional authors were chosen to investigate the nature of connectedness facilitated by religion horizontally through membership within wider communities societies cultures or religious traditions and vertically by examining historical relationships within a particular faith tradition culture community or society This volume also broadens its focus to include non Christian perspectives Indigenous perspectives and an increased representation of female contributors

When Judaism and Christianity Began. Vol. 2 Alan Avery-Peck,Daniel Harrington,Jacob Neusner,2022-12-05 In these volumes top scholars in the study of religion celebrate the enduring heritage in learning bequeathed to coming generations by Anthony J Saldarini 1941 2001 Twenty nine commemorative essays focus on the topical areas of formative Christianity and Judaism to which Dr Saldarini devoted his efforts earliest Christianity with special attention to the Gospels Judaism in late antiquity and the interchange between Judaism and Christianity then and now So too the disciplines represented in these pages match his history including archaeology literature religion and theology

Recognizing the standards of learning set by Dr Saldarini in all of these areas the colleagues represented in these volumes memorialize him by following in the model he set of meeting the highest standards of the diverse fields that intersect in the study of Judaic and Christian antiquity The print edition is available as a set of two volumes 9789004136595 **Matthew and the Mishnah** Akiva Cohen,2016-06-10

Akiva Cohen investigates the general research question how do the authors of religious texts reconstruct their community identity and ethos in the absence of their central cult His particular socio historical focus of this more general question is how do the respective authors of the Gospel according to Matthew and the editor s of the Mishnah redefine their group identities following the destruction of the Second Temple Cohen further examines how after the Destruction both the Matthean and the Mishnaic communities found and articulated their renewed community bearings and a new sense of vision through each of their respective author redactor s foundational texts The context of this study is thus that of an inner Jewish phenomenon two Jewish groups seeking to re establish their community

identity and ethos without the physical temple that had been the cultic center of their cosmos
