Lucey,2007-06-26 Filled with glamour mystery and madness Archie and Am lie is the true story chronicling a tumultuous love affair in the Gilded Age John Armstrong Archie Chanler was an heir to the Astor fortune an eccentric dashing and handsome millionaire Am lie Rives Southern belle and the goddaughter of Robert E Lee was a daring author a stunning temptress and a woman ahead of her time Archie and Am lie seemed made for each other both were passionate intense and driven by emotion but the very things that brought them together would soon tear them apart Their marriage began with a secret wedding that found its way onto the front page of the New York Times to the dismay of Archie s relatives and Am lie s many gentleman friends To the world the couple appeared charmed rich and famous they moved in social circles that included Oscar Wilde Teddy Roosevelt and Stanford White But although their love was undeniable they tormented each other and their private life was troubled from the start They were the F Scott and Zelda Fitzgerald of their day a celebrated couple too dramatic and unconventional to last but their tumultuous story has largely been forgotten Now Donna M Lucey vividly brings to life these extraordinary lovers and their sweeping tragic romance In the Virginia hunt country just outside of Charlottesville where I live the older people still tell stories of a strange couple who died

some two generations ago The stories involve ghosts the mysterious burning of a church a murder at a millionaire s house a sensational lunacy trial and a beautiful scantily clad young woman prowling her gardens at night as if she were searching for something or someone or trying to walk off the effects of the morphine that was deranging her I was inclined to dismiss all of this as tall tales Virginians love to spin out but when I looked into these yarns I found proof that they were true Donna M
