Ross Hastings,2025-08-19 Pastors regularly face concrete ethical questions and they too pursue a moral life In the busyness of ministry it can be tempting to think pragmatically or derive one's ethics from the latest cultural concerns But standard approaches to ethics whether deontological utilitarian or virtue ethical all fall short of being distinctly Christian Ethics ought to be grounded in the gospel and in our triune God In *Pastoral Ethics* W Ross Hastings provides pastors with an evangelical and trinitarian framework for moral formation and ethical discernment For Hastings ethics must be reclaimed as theological Theology without ethics becomes Gnosticism Ethics without theology leads to legalism and death Christian ethics participates in God's life and God's work This communion with God leads to obedience to his commands as summed up in the Decalogue and over several chapters Hastings provides a rich exposition for pastoral formation Pastors find their identity in God and this inspires right thinking and acting with regard to authority life and death sexuality work and rest speech and desires An approach to ethics that prompts faith hope and love *Pastoral Ethics* is an essential guide for Christians in all ministry contexts **Christian Ethics (Revised Edition)** Wayne Grudem,2024-09-18 What Does the Bible Teach about How to Live in Today's World How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God's will in the ordinary decisions of life To address questions like these Wayne Grudem author of the bestselling book *Systematic Theology* draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of *Systematic Theology* and the *What the Bible Says About* series *Biblical and Applicable* Teaches readers how to protect 7 central tenets of God's law God's honor human authority life marriage property truth and purity of heart Accessible An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter Replaces ISBN 978 1 4335 4965 6 **Christian Education** Robert E. Malines: Continuing the Conversations Thomas Pott, James Hawkey, Keith Pecklers, 2023-12-13 The Malines Conversations are often described as a precursor to the theological dialogue between the Catholic Church and the Anglican Communion initiated after the Second Vatican Council The fruit of a friendship between a French priest and an English aristocrat Cardinal Mercier's initial invitation in 1921 to a group of thinkers from both communions led to several rounds of discussion focused on issues that have long divided Catholics and Anglicans Since 2013 an informal and international group of Anglican and Catholic friends known as the Malines Conversations Group has been meeting annually for discussion and fellowship This volume represents the fruit of some of these conversations The informal nature of the group allows for wide ranging interrogation of diverse topics The discussions acted as a kind of theological laboratory enabling us to explore afresh some of the issues at stake both between and within our churches This volume of essays includes contributions from sacramental theologians liturgists ecclesiologists historians and philosophers Most are actively involved in Christian ministry Interspersed throughout are very short reflections from other theologians and Church leaders who have participated in the

conversations as guests over the last decade In the words of Rowan Williams epilogue the hope and prayer of the contributors is that this celebration and exploration of the heritage of Malines might give us again the grace of being surprised by the gift of Catholic communion *More Lasting Unions* Stephen Garrard Post,2000 A powerful reassertion of the social and spiritual significance of marriage and the family Many recent social theorists maintain that marriage and the nuclear family are not particularly important to the fabric of our culture In this powerful refutation grounded in both Christian teaching and social science data Stephen G Post asserts that the bonds of marriage and family are fundamental to our social and spiritual well being Unique in the field for its wide treatment of relevant issues *More Lasting Unions* also takes up these important topics the special needs of children and of aging parents adoption as an alternative way of family building the perils of family self indulgence and consumerism balancing family commitments and concern for neighbors **Religious Book Review** ,1976 *The Evangelical Moment* Kenneth J. Collins,2005 Offers a new interpretation of the evangelical story and articulates an ecumenical vision for evangelism
