Remember Me Like This Bret Anthony Johnston,2014-05-13

Enthralling an exquisitely moral mystery of how we

struggle to accept and love the people we call family The New York Times Book Review Editor's Choice NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review Esquire BookPage A gripping novel with the pace of a thriller but the nuanced characterization and deep empathy of some of the literary canon's most beloved novels Remember Me Like This introduces Bret Anthony Johnston as one of the most gifted storytellers writing today With his sophisticated and emotionally taut plot and his shimmering prose Johnston reveals that only in caring for one another can we save ourselves Four years have passed since Justin Campbell's disappearance a tragedy that rocked the small town of Southport Texas Did he run away Was he kidnapped Did he drown in the bay As the Campbells search for answers they struggle to hold what's left of their family together Then one afternoon the impossible happens The police call to report that Justin has been found only miles away in the neighboring town and most important he appears to be fine Though the reunion is a miracle Justin's homecoming exposes the deep rifts that have diminished his family the wounds they all carry that may never fully heal Trying to return to normal his parents do their best to ease Justin back into his old life But as thick summer heat takes hold violent storms churn in the Gulf and in the Campbells hearts When a reversal of fortune lays bare the family's greatest fears and offers perhaps the only hope for recovery each of them must fight to keep the ties that bind them from permanently tearing apart Praise for Remember Me Like This An achingly beautiful and psychologically insightful portrait of a family a fully immersive novel in which the language is luminous and the delivery almost flawless The Boston Globe Riveting flows like it was plotted by Dennis Lehane but feels like it was written by Jonathan Franzen Esquire Tremendously moving There's real humanity in Johnston's writing and it's heartening to spend time with these folks as they relearn how to be a family Ron Charles The Washington Post Deeply empathetic and masterfully constructed a novel that has both the feel of a great epic and the focused intensity of standing on a highwire Salon

Remember Me Maureen Lang, 2007 Josef von Woerner is a wanted man only he doesn't know it Raised to love Germany above everything else Josef once had few qualms about taking any action necessary to deprive the Allies of essential armaments In this dramatic sequel to Pieces of Silver again set during World War I Josef falls in love with one of the most patriotic women in America who would surely have nothing to do with him if she knew his past Guaranteed fiction

Fay Weldon's Fiction Finuala Dowling, 1998 This study raises several issues of general relevance to contemporary writing and criticism The role of the media in presenting both author and oeuvre the position of the woman writer vis a vis feminism the confrontation of feminism and postmodernism the question of popular versus high art forms and the emergence of the author as public oracle are considered in relation to Weldon's considerable literary output

him in death that fills her with dread Her long lost mentor is found murdered and whatever the picturesque town of Las Piernas is hiding has made some people very rich very guilty and very dangerous *Remember Me* Blue Saffire,2018-07-19 Nothing good ever comes my way It s like a curse was placed on my life the day I was born I can t seem to shake trouble Now trouble has found me in the form of a price tag on my head I just wasn t expecting her of all people to be the one they d send to collect I need him as much as he needs me It s what s keeping me from placing a bullet in his head Dallas got lucky when his name fell into my hands as my next hit I remember him I knew him before the man he has become Now he ll change it all because of me This is a standalone novella that will grow into the Hitter Squad series This book does not end in a cliffhanger but a HEA to be continued is implied **American Jewish Fiction** Josh Lambert,2010-01-01 This new volume in the JPS
