Martin, 1960      *REMEMBER LOT'S WIFE* AKINBOWALE ISAAC ADEWUMI, Believers are enjoined to take a cue from the lessons of the microcosm of events that characterized the family of Lot Hence Remember Lot's wife serves as a timeless admonition for believers of every generation urging us to prioritize our allegiance to God above all else It challenges us to examine our hearts and lives and ensure that we are not ensnared by the allurements of worldly pleasures or distracted by the trappings of the past as it happened to Lot's wife Instead it calls us to forsake anything that hinders our journey towards God's purposes and embrace the future with faith and obedience so as to escape the impending global destruction and enjoy the fullness of God's abundant grace and eternal blessings      *Remember Lot's Wife* Ada Whitla, 1903      **Remember Lot's Wife** April Yamasaki, 1991      **Remember Lot's Wife** Samuel Garratt, 1877      Lot's Wife. **Remember Lot's wife** John Carpenter, 1588      "*Remember Lot's Wife!*" John L. Bray, 1992      **Holiness** J. C. Ryle, 2001-11 This book lays out the requirements and difficulties that will come with the pursuit of holiness in our Christian lives Ryle starts out with the way to achieve holiness and the difficulties that arise with pursuing a holy life and then going throughout the Bible giving true examples of the cost of holiness and the rewards it brings as the Bible promises us To often we sing and pray for such a life without being willing to undergo the necessary life changes and adjustments to get there This book lays out what we can expect in such a journey and what God will ask of each of us to get us to the point He wants us to be      **Lot's Wife, a Warning Against Bad Examples** W. theory and a fragmentary history of destructive spectatorship in the twentieth century Its subject is the notion that the sight of historical catastrophe can destroy the spectator The fragments of this history all lead back to the story of Lot s wife looking back at the destruction of the cities of Sodom and Gomorrah she turns into a pillar of salt This biblical story of punishment and transformation a nexus of sexuality sight and cities becomes the template for the modern fear that looking back at disaster might petrify the spectator Although rarely articulated directly this idea remains powerful in our culture This book traces some of its aesthetic theoretical and ethical consequences Harries traces the figure of Lot s wife across media In extended engagements with examples from twentieth century theater film and painting he focuses on the theatrical theory of Antonin Artaud a series of American films and paintings by Anselm Kiefer These examples all return to the story of Lot s wife as a way to think about modern predicaments of the spectator On the one hand the sometimes veiled figure of Lot s wife allows these artists to picture the desire to destroy the spectator on the other she stands as a sign of the potential danger to the spectator These works that is enact critiques of the very desire that inspires them The book closes with an extended meditation on September 11 criticizing the notion that we should have been destroyed by witnessing the events of that day
