Kollar,2013-02-19 A book Enchanted Treasure is my second much better improved edition It is an awesome and complete collection of poems I have ever created so far My many poems are just fiction but many others as well are based on true events for example Lady Jane Bloody Mary Bloody Tower Execution of the Queen Anne Boleyn King Henry VIII and so on May this enchanted treasure be also your treasure as the same as it is for me *London Society* James Hogg,Florence Marryat,1871 **Ballads and Lyrics of Old France, with Other Poems** Anonymous,2019-11-25 In Ballads and Lyrics of Old France with Other Poems the anonymous author presents a rich tapestry of medieval French poetry that merges the lyrical grace of ballads with the poignant expressions of the human condition This collection not only showcases a variety of poetic forms including chansons and rondels but also delves into themes of chivalry romance and the passage of time reflecting the societal values and artistic sensibilities of the era The literary style exhibits a melodic cadence and employs vivid imagery inviting readers into a world infused with both nostalgia and cultural resonance The anonymity of the author lends a sense of universality to the work allowing the poetry to transcend individual identity and speak to the collective experience of its time Influenced by the folklore traditions and historical narratives surrounding France the author's choice to capture these old ballads may stem from a desire to preserve the cultural heritage of the region as well as an appreciation for the oral storytelling tradition that has shaped French literature This collection is highly recommended for readers and scholars alike who seek to explore the lyrical beauty and cultural depth of medieval France Whether you are a devoted poetry enthusiast or a curious newcomer Ballads and Lyrics of Old France invites you to revel in the timeless tales that continue to echo through the ages
