Remember The Catskills Tales By A Recovering Hotelkeeper:

Remember the Catskills Esterita Blumberg, 1996 **Catskill Hotels** Irwin Richman, 2003 At one time according to the Catskill Institute there were more than a thousand hotels spread across the mountains of Greene Ulster Delaware and Sullivan Counties The Catskills were an exciting world full of pleasures to be enjoyed with summer and winter activities characterized by entertainment food sports card playing and food again Catskill Hotels with a collection of some two hundred images tells the story of this world which began with America s first resort hotel the Catskill Mountain House continued with places such as the world famous Grossinger s and can still be found today at Kutsher s Country Club the Mountain House at Lake Mohonk and a few other hardy resorts **The Catskills** Stephen M. Silverman, Raphael D. Silver, 2015-10-27 The Catskills Cat Creek in Dutch America s original frontier northwest of New York City with its seven hundred thousand acres of forest land preserve and its five counties Delaware Greene Sullivan Ulster Schoharie America s first great vacationland the subject of the nineteenth century Hudson River School paintings that captured the almost godlike majesty of the mountains and landscapes the skies waterfalls pastures cliffs refuge and home to poets and gangsters tycoons and politicians preachers and outlaws musicians and spiritualists outcasts and rebels Stephen Silverman and Raphael Silver tell of the turning points that made the Catskills so vital to the development of America Henry Hudson s first spotting the distant blue mountains in 1609 the New York State constitutional convention resulting in New York s own Declaration of Independence from Great Britain and its own constitution causing the ire of the invading British army the Catskills as a popular attraction in the 1800s with the construction of the Catskill Mountain House and its rugged imitators that offered WASP guests one hundred percent restricted accommodations Hebrews will knock vainly for admission a policy that remained until the Catskills became the curative for tubercular patients sending real estate prices plummeting and the WASP enclave on to richer pastures Here are the gangsters Jack Legs Diamond and Dutch Schultz among them who sought refuge in the Catskill Mountains and the resorts that after World War II catered to upwardly mobile Jewish families giving rise to hundreds of hotels inspired by Grossinger s the original Disneyland with knishes the Concord Brown s Hotel Kutsher s Hotel and others in what became known as the Borscht Belt and Sour Cream Alps with their headliners from movies and radio Phil Silvers Eddie Cantor Milton Berle et al and others who learned their trade there among them Moss Hart who got his start organizing summer theatricals Sid Caesar Lenny Bruce Mel Brooks Woody Allen and Joan Rivers Here is a nineteenth century America turning away from England for its literary and artistic inspiration finding it instead in Washington Irving s Rip Van Winkle and his childhood recollections set in the Catskills in James Fenimore Cooper s adventure romances which provided a pastoral history describing the shift from a colonial to a nationalist mentality and in the canvases of Thomas Cole Asher B Durand Frederick Church and others that caught the grandeur of the wilderness and that gave texture color and form to Irving s and Cooper s imaginings Here are the entrepreneurs and financiers who saw the Catskills as a way to strike it rich plundering the

resources that had been likened to creation the Catskills tanneries that supplied the boots and saddles for Union troops in the Civil War and the bluestone quarries whose excavated rock became the curbs and streets of the fast growing Eastern Seaboard Here are the Catskills brought fully to life in all of their intensity beauty vastness and lunacy **The Catskills Alive!** Francine Silverman,2009-09-02 Less than a day s drive from New York City Boston or Philadelphia the Catskills have long been a popular weekend and summer retreat for city folk The area offers fine accommodations top notch dining and spectacular surroundings This book profiles hundreds of hotels and restaurants with an emphasis on the very best places Daytime activities shopping antique hunting and more are featured **Catskill Culture** Phil Brown,1998 **In the Catskills** Phil Brown,2004-04-21 A nostalgic pastiche of fiction memoir photography art postcards menus etc celebrating Jewish resort life in the Catskills Providence Journal With selections ranging from literature to song lyrics this book highlights the Catskills experience over a century and assesses its continuing impact on American music comedy food culture and religion It features selections from such fiction writers as Isaac Bashevis Singer Herman Wouk Allegra Goodman and Vivian Gornick and original contributions from historians sociologists and scholars of American and Jewish culture that trace the history of the region the rise of hotels and bungalow colonies the wonderful flavors of food and entertainment and distinctive forms of Jewish religion found in the Mountains What was life the work the play the food the romance like at Catskills Mountains resorts These very personal recollections capture the special sense of community and freedom that developed among Jewish families leaving the city behind for a summer vacation and enjoying a cultural space of their own From Bingo by the Bungalow by Thane Rosenbaum to Young Workers in the Hotels by Phil Brown to Shoot the Shtrudel to Me Yudel by Henry Foner this charming anthology captures an era that has had enormous impact on the Jewish experience and American culture as a whole A warm charming and valuable work Much of the writing is simply gorgeous Contemporary Sociology Borscht Belt Bungalows Irwin Richman,2010-06-10 A history memoir and photo album of Jewish summers in the Catskills **Make 'em Laugh!** Zeke Jarvis,2015-04-07 This lighthearted and eye opening book explores the role of comedy in cultural and political critiques of American society from the past century This unprecedented look at the history of satire in America showcases the means by which our society is informed by humor from the way we examine the news to how we communicate with each other to what we seek out for entertainment From biographical information to critical reception of material and personalities the book features humorists from both literary and popular culture settings spanning the past 100 years Through its 180 entries this comprehensive volume covers a range of artists individuals such as Joan Rivers Hunter S Thompson and Chris Rock and topics including vaudeville cartoons and live performances The content is organized by media and genre to showcase connections between writers and performers Chapters include an alphabetical listing of humorists grouped by television and film stars stand up and performance comics literary humorists and humorists in popular print **Sullivan County** Irwin Richman,2001 Sullivan County the Borscht Belt the Catskills all are synonyms for the

greatest American Jewish resort area the playground of about one million visitors a year during its peak from 1920 to 1970 The Sullivan County of Borscht Belt legend really consists of the eastern part of Sullivan County and a bit of southern Ulster County Here are the large towns of Liberty Monticello and Ellenville and the small towns of Woodbourne Hasbrouck South Fallsburg Livingston Manor Fallsburg Loch Sheldrake Greenfield Park Mountaintale Accord Ulster Heights Kiamesha Lake Kerhonkson Swan Lake Glen Wild Hurleyville Ferndale White Sulphur Springs Rock Hill Parksville Woodridge and White Lake In Sullivan County Borscht Belt you will find the lost world of the kuchaleins and bungalow colonies and the hotels great and small This was a world to be enjoyed whether swimming in the Neversink River watching unmatched entertainment or eating the legendary Borscht Belt meals Join us on the lawn on the handball court or at the Ping Pong table Dive into the pool Welcome to day camp All of this and more are here in Sullivan County Borscht Belt You Never Call! You Never Write! Joyce Antler,2007-04-02 In *You Never Call You Never Write* Joyce Antler provides an illuminating and often amusing history of one of the best known figures in popular culture the Jewish Mother Whether drawn as self sacrificing or manipulative in countless films novels radio and television programs stand up comedy and psychological and historical studies she appears as a colossal figure intensely involved in the lives of her children Antler traces the odyssey of this compelling personality through decades of American culture She reminds us of a time when Jewish mothers were admired for their tenacity and nurturance as in the early twentieth century image of the Yiddishe Mama a sentimental figure popularized by entertainers such as George Jessel Al Jolson and Sophie Tucker and especially by Gertrude Berg whose amazingly successful Molly Goldberg ruled American radio and television for over 25 years Antler explains the transformation of this Jewish Mother into a brassy voiced smothering and shrewish scourge in Irving Howe s words detailing many variations on this negative theme from Philip Roth s Portnoy s Complaint and Woody Allen s Oedipus Wrecks to television shows such as The Nanny Seinfeld and Will and Grace But she also uncovers a new counter narrative leading feminist scholars and stand up comediennes to see the Jewish Mother in positive terms Continually revised and reinvented the Jewish Mother becomes in Antler s expert hands a unique lens with which to examine vital concerns of American Jews and the culture at large A joy to read *You Never Call You Never Write* will delight anyone who has ever known or been nurtured by a Jewish Mother and it will be a special source of insight for modern parents As Antler suggests in many ways we are all Jewish Mothers today

New York Hotel Experience Annabella Fick,2017-03-15 For more than two hundred years hotels have played a significant role in American history The modern hotel is even an American invention In five case studies of iconic New York hotels this book presents the hotel experience of the white upper class literati young artists African Americans and Jewish Americans in the twentieth century Using a variety of texts including autobiographies movies and novels the impact of hotel experience on society and culture which has been neglected until now becomes apparent This unique approach offers a new way of reading New York and helps to better understand the city s special dynamics **Cold War Progressives** Jacqueline

Castledine,2012-11-01 In recognizing the relation between gender race and class oppression American women of the postwar Progressive Party made the claim that peace required not merely the absence of violence but also the presence of social and political equality For progressive women peace was the essential thread that connected the various aspects of their activist agendas This study maps the routes taken by postwar popular front women activists into peace and freedom movements of the 1960s and 1970s Historian Jacqueline Castledine tells the story of their decades long effort to keep their intertwined social and political causes from unraveling and to maintain the connections among peace feminism and racial equality Postwar progressive women and their allies often saw themselves as members of a popular front promoting the rights of workers women and African Americans under the banner of peace However the Cold War indelibly shaped the contours of their activism Following the Progressive Party s demise in the 1950s these activists reentered social and political movements in the early 1960s and met the inescapable reality that their agenda was a casualty of the left liberal political division of the early Cold War era Many Americans now viewed peace as a leftist concern associated with Soviet sympathizers and civil rights as the favored cause of liberals Faced with the dilemma of working to reunite these movements or choosing between them some progressive women chose to lead such New Left organizations as the Jeannette Rankin Brigade while others became leaders of liberal second wave feminist movements Whether they committed to affiliating with groups that emphasized one issue over others or attempted to found groups with broad popular front type agendas Progressive women brought to their later work an understanding of how race class and gender intersect in women s organizing These women s stories demonstrate that the ultimate result of Cold War era McCarthyism was not the defeat of women s activism but rather its reconfiguration

Making Mountains David Stradling,2009-11-23 For over two hundred years the Catskill Mountains have been repeatedly and dramatically transformed by New York City In Making Mountains David Stradling shows the transformation of the Catskills landscape as a collaborative process one in which local and urban hands capital and ideas have come together to reshape the mountains and the communities therein This collaboration has had environmental economic and cultural consequences Early on the Catskills were an important source of natural resources Later when New York City needed to expand its water supply engineers helped direct the city toward the Catskills claiming that the mountains offered the purest and most cost effective waters By the 1960s New York had created the great reservoir and aqueduct system in the mountains that now supplies the city with 90 percent of its water The Catskills also served as a critical space in which the nation s ideas about nature evolved Stradling describes the great influence writers and artists had upon urban residents especially the painters of the Hudson River School whose ideal landscapes created expectations about how rural America should appear By the mid 1800s urban residents had turned the Catskills into an important vacation ground and by the late 1800s the Catskills had become one of the premiere resort regions in the nation In the mid twentieth century the older Catskill resort region was in steep decline but the Jewish Borscht Belt in the southern Catskills was thriving The

automobile revitalized mountain tourism and residence and increased the threat of suburbanization of the historic landscape Throughout each of these significant incarnations urban and rural residents worked in a rough collaboration though not without conflict to reshape the mountains and American ideas about rural landscapes and nature *It's Good to Be the King* James Robert Parish,2008-02-01 This book traces the extraordinary life and career of Mel Brooks who has ridden a wave of show business success perhaps unsurpassed by anyone of his generation Offering many insights into the wacky world of Brooks and his many collaborators as well as an intimate look into his successful marriage to the brilliant and beautiful actress Anne Bancroft It s Good to Be the King might just be the most delightful engaging and entertaining biography you ll ever read "Don't Mind Me, I'll Just Sit Here in the Dark" Samantha Hope Goldstein,2000 American Book Publishing Record ,1997 *Guide to Reprints* 2007 K. G. Saur Editorial Staff,2006-01-10 New York State ,2004 **Jewish Folklore and Ethnology Review** ,1997 **Congress Monthly** ,1997
