Congress,1919 Shadow Walker Kerry Newcomb,2001-06-15 Cole Anthem had faced the horrors of war but Teardrop Arkansas held terrors of its own While the Anthem family was building a ranching empire in Texas Cole Athem was proving himself in war Now Cole is a man in a 17 year old s body using his cunning

and skill to make living bounty hunting in Arkansas until Cole hunts down a half breed renegade called the Osage Kid The town of Teardrop believes the Kid committed a sting of vicious murders But Cole knows he didn t and suddenly he and his prisoner are launched into a manhunt for a murderer With Teardrop swirling with rumor intrigue and more than one pretty woman with a plan the teenage bounty hunter and the wily outlaw are searching the wild Ozarks for something more veil than a killer and more dangerous than any man The powerful third novel in Kerry Newcomb's acclaimed Anthem series is a classic novel of law lawlessness and courage on the American frontier THE KID FROM ARMOURDALE Lloyd E. Howser, 2007-05-15 This is a story about a kid that was raised during the Great Depression when the word welfare was virtually unspoken He had deep loyalties for God country and family It was the custom in those days to salute the flag each school day He attended weekday church school every Wednesday afternoon during his elementary school years His family was poor but proud and self reliant Lloyd learned early in life that if he wanted something he had to work for it His loyalty to his country was reflected in his leaving high school and volunteering for the navy the day after the Japanese attacked Pearl Harbor It's about the struggle of two high school dropouts that fell in love They started life together on the bottom rung and it never occurred to them to feel sorry for themselves They were happy in their stroll together down the rough and rocky road that lay ahead Theirs was a love affair that lasted fifty seven years They were both from broken homes and determined that their children would not suffer a similar fate It is the story of two kids willing to work hard to study and learn to save a penny wherever possible It is a story of survival They ate weeds as some people might call them They liked to call them spring greens He hunted rabbit squirrel and quail in winter and fished during the summer It all went into the larder Inch by inch they elevated their lot in life not unlike a waterlogged timber that might slowly rise to the surface and into the sunshine They grabbed snatches of education wherever they could Esther took typing shorthand and secretarial courses and later a school of cosmetology Lloyd finished high school took college courses and acquired a little more than the equivalent of two years of college when the air force selected him for an engineering course at the University of Colorado It s about the search for Valhalla a place and the means to retire after a lifelong struggle by two kids so unlikely to succeed in life Together they proved the truth of the old adage If there is a will there is a way
