women Grounded in historical cultural and legal realities both Native and non Native these essays point to the possibility of actual and positive change in a world where Native women are systematically undervalued left unprotected and hurt Deer draws on her extensive experiences in advocacy and activism to present specific practical recommendations and plans of action for making the world safer for all

Can't I? Angela N. Parker, 2021-09-14 A challenge to the doctrine of biblical inerrancy that calls into question how Christians are taught more about the way of Whiteness than the way of Jesus Angela Parker wasn't just trained to be a biblical scholar she was trained to be a White male biblical scholar She is neither White nor male Dr Parker's experience of being taught to forsake her embodied identity in order to contort herself into the stifling construct of Whiteness is common among American Christians regardless of their race ethnicity gender or sexual orientation This book calls the power structure behind this experience what it is White supremacist authoritarianism Drawing from her perspective as a Womanist New Testament scholar Dr Parker describes how she learned to deconstruct one of White Christianity's most pernicious lies the conflation of biblical authority with the doctrines of inerrancy and infallibility As Dr Parker shows these doctrines are less about the text of the Bible itself and more about the arbiters of its interpretation historically White males in positions of power who have used Scripture to justify control over marginalized groups This oppressive use of the Bible has been suffocating To learn to breathe again Dr Parker says we must let God breathe in us We must read the Bible as authoritative but not authoritarian We must become conscious of the particularity of our identities as we also become conscious of the particular identities of the biblical authors from whom we draw inspiration And we must trust and remember that as long as God still breathes we can too
