The Lord Almighty in His kindness compassion and mercy may give everyone billions but He knows well that human beings are never going to be in pleasure when they are given without limits Therefore God gives according to His wisdoms a little little bit But man is running to reach more and more saying It is not enough Humankind living on this planet are asking for pleasure in their lives and mostly now people are looking and seeing that pleasure is through riches They think that if they get richer there is going to be more pleasure for them and that is wrong Their egos are like a thirsty person thirsty for physical and material desires They are running to the ocean to take away their thirst but no matter how much salty water they drink they become even more thirsty But when a thirsty person drinks once cup of pure plain water that cup is enough to take his thirst away Our physical being is only for a short time a very short time and its perfection is only for keeping our souls in but it is not a perpetual being Yesterday we were nothing Tomorrow we are going to be nothing Between two nothings how are we going to claim I am here Our physical being is going to be dust But the perfection of our spiritual being that is something else If you reach that perfection you are most fortunate Those who took care of their spiritual perfection should be happy with a new beginning with a new structure with a new being They should reach unknown places that they only heard about before and their perfection should continue in the afterlife also Therefore the Lord sent from His Divine Presence from Heavens chosen servants adorned with that secret power to arrange the lives of people on earth for reaching their ultimate perfection Therefore those who are asking for pleasure in their hearts they understand that they will find it only in the Divine Presence and the way to the Divine Presence passes through Divine messengers those who are on the way of God If you listen to someone whose speech gives your heart satisfaction taking darkness away from your heart and your mind and cleaning your intellect you can understand that his level is high If you find

such a one hold onto his hand until he takes you to your final destination in the Divine Presence      **Zikr, the Remembrance of God** M. R. Bawa Muhaiyaddeen, 1975-01-01      **Psalms of Gods** Moulana Shah Maghsoud, 1991

*Remembrance of God in Islam* Sami M Fereig, 2021-03-11 In the Holy Quran God says Remember Me and I will remember you Chapter 2 Verse 152 The remembrance of God will bring His Mercy and Contentment and cause believers to feel peace and tranquillity Almighty God encourages us in so many verses of the Holy Quran to continuously remember Him and always be connected to Him God will then reward us greatly and forgive us Contentment will cause believers to have a righteous and satisfying life Everyone hopes for God's care and to be close to Him It was narrated from the Prophet Muhammad peace be upon him that God says I am just as My servant thinks I am and I am with him when he remembers Me Remembrance is one of the easy and righteous deeds that bring the believer closer to his Lord and he will be rewarded Remembrance of God ranks very highly as a good deed as mentioned in Chapter 29 Verse 45 Recite that which has been revealed to you of the Book and perform the prayer but the remembrance of God is surely greater And God knows all that you do The believer should remember God at all times in health or sickness wealth or poverty when working and when not working Such remembrance will keep him away from bad deeds since God is always in his heart and he is connected to Him through prayers of remembrance The Holy Quran and the Prophetic Tradition have a large store of these remembrances for all times and daily events with many remembrances dedicated to particular occasions These will keep the believer close to God and He will be contented with him As the Prophet peace be upon him said If God is content with you He will give you contentment

**The Illuminated Prayer** Coleman Barks, Michael Green, 2000 The Prayer is a drawing of the curtain an invitation to a secret place that is discovered and explored According to tradition and the testimony of Sufi mystics The Prayer or Salat was first taught by the angels who themselves practiced it in celestial adoration The Prayer is God's gift to all humankind and in this gorgeously illustrated volume its simple archetypal practice unfolds like a fragrant many petaled flower joining words and movements into a single luminous event that engages our entire being These ancient rituals are presented here as a gift for anyone with a heartfelt desire to set aside for a moment the concerns of every day and enter a sacred time and space in which to explore the beckonings of the spirit The authors take us through the words movements and hidden meanings of the Call to Prayer the Ablutions The Prayer itself and the Peaceful Embrace afterwards Faithful practice lends a sacred rhythm to each day and creates a psychological force that helps us nurture and express a profound inner harmony This first marvelously accessible interpretation of The Prayer also offers a compelling introduction to the wisdom and teachings of the beloved contemporary Sufi master Bawa Muhaiyaddeen who brought new life to this mystical tradition by opening a passage to its deepest universal realities It is the loving handiwork of two of Bawa's best known students Coleman Barks and Michael Green who also created The Illuminated Rumi Like a jewel given extra brilliance by its setting The Prayer is surrounded by the wisdom and understanding of the thirteenth century Sufi master Rumi whose generous poetry has become an essential

canon for modern day seekers in the West The final gift is the Primeval Kalima the core practice and most profound teaching of the Sufi the open secret that leads to Divine Luminous Wisdom **The Naqshbandi Sufi Way** Muhammad Hisham Kabbani,1995-01 **Illuminated Remembrance of God** Imam Fode Drame,2017-06-20 It only stands to reason that you remember what you already knew not something you have never known Fifty Days: The Divine Disclosures During a Holy Sufi Seclusion Shaykh Muhammad Hisham Kabbani,2010-08-01 The writings in this book emerged from the heart of Shaykh Muhammad Hisham Kabbani after spending fifty days in a seclusion prescribed by his guiding master in the Sufi Path Shaykh Muhammad Nazim al Haqqani During the course of his time isolated in a small room in Damascus Shaykh Hisham underwent incredible experiences which he then shared in talks given to his students after the pre dawn prayers each morning in Ramadan 2005 In assigning the duty of seclusion to Shaykh Hisham his master Shaykh Nazim al Haqqani said The people have reached their limits of carrying hardship from the overwhelming extent of oppression and darkness The intensity of the hardship required in order to invoke God to bring about the appearance of the expected Savior has just been reached Therefore every night in the last third before dawn Shaykh Hisham will be in the station of intimate discourse with his Lord After completing the special recitations and praise on the Prophet he has been assigned and with which he will be busy 24 hours every night at the most favorable time for the Lord s acceptance of supplication Shaykh Hisham should request the Lord to send a Saviour King to mankind a king who is seeking God s Way His supplication in this manner and in this state will be so effective it will be like 124 000 saints engaged in supplication for forty days without cease They are asking the Lord of servants to send them a king That is why we are sending Shaykh Hisham Effendi whom we know very well Other saints we do not know For this purpose he must not enter into any other activity He must be present spiritually with the Prophet and ask Oh Prophet of Mercy Ask your Lord to send us a Saviour King on the Way of the Lord And we are looking to see the results He must ask this only it is the summary and distillation of the forty days seclusion and its ultimate purpose is consultation with the Prophet upon whom be peace and blessings **Who Are the Guides?** Muhammad Hisham Kabbani,2009 **The Sufilive Series: Shaykh Muhammad Hisham Kabbani** Muhammad Nazim Adil al-Haqqani Naqshbandi,2010 **Virtues of Dhikr (Remembrance of Allah)** Muḥammad Zakariyyā,1982
