Around Milton Timothy Starr, 2015-09-28 The town of Milton New York lies near the center of Saratoga County It is crisscrossed by a series of rivers which have played an important role in the town s development most notably the Kayaderosseras Milton s only village Ballston Spa with the attraction of its rare mineral springs was once among the country s most popular tourist destinations One of the largest and most elegant hotels in the world the Sans Souci vied with a host of others for the patronage of thousands of travelers who made the pilgrimage each summer to partake in the healing waters When the tourist trade faded it was replaced by a massive expansion of industry that was situated along the town s waterways Among the most significant of these concerns were the mills of the Paper Bag King George West Isaiah Blood s ax and scythe works and the mammoth tannery of Samuel Haight Today its proximity to the state capital and other cities makes the town an increasingly popular residential area complemented by a quaint and bustling business district in Ballston Spa

The Fall of the House of Walworth Geoffrey O'Brien, 2010-07-20 In the tradition of *The Devil in the White City* comes a spell binding tale of madness and murder in a nineteenth century American dynasty On June 3 1873 a portly fashionably dressed middle aged man calls the Sturtevant House and asks to see the tenant on the second floor The bellman goes up and presents the visitor s card to the guest in room 267 returns promptly and escorts the visitor upstairs Before the bellman even reaches the lobby four shots are fired in rapid succession Eighteen year old Frank Walworth descends the staircase and approaches the hotel clerk He calmly inquires the location of the nearest police precinct and adds I have killed my father in my room and I am going to surrender myself to the police So begins the fall of the Walworths a Saratoga family that rose to prominence as part of the splendor of New York s aristocracy In a single generation that appearance of stability and firm moral direction would be altered beyond recognition replaced by the greed corruption and madness that had been festering in the family for decades
