Reminiscences Of The Thirteenth New Jersey Infantry In The Civil War:

The Destructive War Charles Royster, 2011-09-14 From the moment the Civil War began partisans on both sides were calling not just for victory but for extermination And both sides found leaders who would oblige In this vivid and fearfully persuasive book Charles Royster looks at William Tecumseh Sherman and Stonewall Jackson the men who came to embody the apocalyptic passions of North and South and re creates their characters their strategies and the feelings they inspired in their countrymen At once an incisive dual biography hypnotically engrossing military history and a cautionary examination of the American penchant for patriotic bloodshed **The Destructive War** is a work of enormous power **The Era of the Civil War--1820-1876** Louise A. Arnold-Friend, US Army Military History Institute, 1982

Bibliography of State Participation in the Civil War 1861-1866 United States. War Department. Library, 1913 **Reminiscences of the War**, 1876 Pickett's Charge in History and Memory Carol Reardon, 2012-01-01 If as many have argued the Civil War is the most crucial moment in our national life and Gettysburg its turning point then the climax of the climax the central moment of our history must be Pickett's Charge But as Carol Reardon notes the Civil War saw many other daring assaults and stout defenses Why then is it Pickett's Charge at Gettysburg and not for example Richardson's Charge at Antietam or Humphreys's Assault at Fredericksburg that looms so large in the popular imagination As this innovative study reveals by examining the events of 3 July 1863 through the selective and evocative lens of memory we can learn much about why Pickett's Charge endures so strongly in the American imagination Over the years soldiers journalists veterans politicians orators artists poets and educators Northerners and Southerners alike shaped revised and even sacrificed the history of the charge to create memories that met ever shifting needs and deeply felt values Reardon shows that the story told today of Pickett's Charge is really an amalgam of history and memory The evolution of that mix she concludes tells us much about how we come to understand our nation's past **Battle of Despair** Robert P. Broadwater, 2004 Battle of Despair examines Johnston's struggle to create an army with which to oppose Sherman the long odds Johnston faced and the eventual surrender of that army the largest body of Confederate men to surrender at the end of the war Jacket

This Astounding Close Mark L. Bradley, 2006-02 This Astounding Close The Road to Bennett Place **War Department, Office of the Chief of Staff, War College Division, General Staff**, 1913 *"No Such Army Since the Days of Julius Caesar"* Mark A. Smith, Wade Sokolosky, 2017-02-15 Smith and Sokolsky have firmly established themselves within the highest echelon of 1865 Carolinas Campaign historians Civil War Books and Authors Gen William T Sherman's 1865 Carolinas Campaign receives scant attention from most Civil War historians Career military officers Mark A Smith and Wade Sokolosky rectify this oversight with *No Such Army Since the Days of Julius Caesar* a careful and impartial examination of Sherman's army and its many accomplishments The authors focus on the overlooked run up to the seminal Battle of Bentonville They begin on March 11 1865 with the capture of Fayetteville and the demolition of the arsenal there before chronicling the two day Battle of

Averasboro in more detail than any other study At Averasboro Lt Gen William J Hardee s Confederates conducted a well planned and brilliantly executed defense in depth that held Sherman s juggernaut in check for two days With his objective accomplished Hardee disengaged and marched to concentrate his corps with Gen Joseph E Johnston for what would become Bentonville This completely revised and updated edition of No Such Army Since the Days of Julius Caesar is based upon extensive archival and firsthand research It includes new original maps orders of battle abundant illustrations and a detailed driving and walking tour for dedicated battlefield enthusiasts Readers with an interest in the Carolinas Generals Sherman and Johnston or the Civil War in general will enjoy this book Smith and Sokolosky are military historians with a particular interest in what happened in the Carolina States What they bring to the table regarding Sherman and Johnston is remarkable a revelation Books Monthly Michigan at Gettysburg Michigan. Gettysburg Battlefield Commission,1998 Contains information about the organization and work of the Gettysburg Battle Field Commission of Michigan state regimental units in the battle of Gettysburg and proceedings of the dedication ceremonies for the Michigan Gettysburg monuments including regimental reunions and addresses **Journey to Armageddon** Kevin A. Campbell,2021-10-26 The information about the book is not available as of this time Selected Catalogues, 1890-1895 Francis P. Harper (Firm),1890 **The Atlanta Campaign** David A. Powell,2024-05-15 For scope drama and importance the Atlanta Campaign was second only to Ulysses S Grant s Overland Campaign in Virginia Despite its criticality and massive array of primary source material it has lingered in the shadows of other campaigns and has yet to receive the treatment it deserves Powell s The Atlanta Campaign Volume 1 Dalton to Cassville May 1 19 1864 the first in a proposed five volume treatment ends that oversight Once Grant decided to go east and lead the Federal armies against Robert E Lee s Army of Northern Virginia he chose William T Sherman to do the same in Georgia against Joseph E Johnston and his ill starred Army of Tennessee Sherman s base was Chattanooga Johnston s was Atlanta The grueling campaign opened on May 1 1864 While Grant and Lee grappled with one another like wrestlers Sherman and Johnston parried and feinted like fencers Johnston eschewed the offensive while hoping to lure Sherman into headlong assaults against fortified lines Sherman disliked the uncertainty of battle and preferred maneuvering When Johnston dug in Sherman sought his flanks and turned the Confederates out of seemingly impregnable positions in a campaign noted Civil War historian Richard M McMurry dubbed the Red Clay Minuet Contrary to popular belief Sherman did not set out to capture Atlanta His orders were to move against Johnston s army to break it up and to get into the interior of the enemy s country inflicting all the damage you can against their war resources No Civil War army could survive long without its logistical base and Atlanta was vital to the larger Confederate war effort As Johnston retreated Southern fears for the city grew As Sherman advanced Northern expectations increased This first installment of The Atlanta Campaign relies on a mountain of primary source material and extensive experience with the terrain to examine the battles of Dalton Resaca Rome Crossroads Adairsville and Cassville the first phase of the long and momentous campaign While none of these

engagements matched the bloodshed of the Wilderness or Spotsylvania each witnessed periods of intense fighting and key decision making The largest fight Resaca produced more than 8 000 killed wounded and missing in just two days In between these actions the armies skirmished daily in a campaign its participants would recall as the 100 days fight Like Powell s The Chickamauga Campaign trilogy this multi volume study breaks new ground and promises to be this generation s definitive treatment of one of the most important and fascinating confrontations of the entire Civil War *Special Bibliography* ,1982

On to Petersburg Gordon C. Rhea,2017-09-06 On to Petersburg is the final book in Gordon Rhea s five volume history of the Overland Campaign a series of Civil War battles fought between Generals Ulysses S Grant and Robert E Lee in southeastern Virginia in the spring and summer of 1864 Having previously covered the campaign in The Battle of the Wilderness May 5 6 1864 The Battles for Spotsylvania Court House and the Road to Yellow Tavern May 7 12 1864 To the North Anna River Grant and Lee May 13 25 1864 and Cold Harbor Grant and Lee May 26 June 3 1864 Rhea concludes his series with a comprehensive account of the last twelve days of the campaign which concluded with the beginning of the siege of Petersburg Like the four volumes that preceded it On to Petersburg represents decades of research and scholarship and will stand as the most authoritative history of the final battles in the campaign Voices of the Army of the Potomac Vincent L. Burns,2021-10-29 Finalist 2021 Army Historical Foundation Distinguished Writing Awards As historian David W Bright noted in Race and Reunion The Civil War in American Memory No other historical experience in America has given rise to such a massive collection of personal narrative literature written by ordinary people This massive collection of memoirs recollections and regimental histories make up the history of the Civil War seen through the eyes of the participants This work is an overview of what Civil War soldiers and veterans wrote about their experiences It focusses on what veterans remembered what they were prepared to record and what they wrote down in the years after the end of the war In an age of increased literacy many of these men had been educated whether at West Point Harvard or other establishments but even those who had received only a few years of education chose to record their memories The writings of these veterans convey their views on the cataclysmic events they had witnessed but also their memories of everyday events during the war While many of them undertook detailed research of battles and campaigns before writing their accounts it is clear that a number were less concerned with whether their words aligned with the historical record than whether they recorded what they believed to be true This book explores these themes and also the connection between veterans writing their personal war history and the issue of veterans pensions Understanding what these veterans chose to record and why is important to achieving a deeper understanding of the experience of these men who were caught up in this central moment in American life **Lee's Tigers Revisited** Terry L. Jones,2017-10-18 In Lee s Tigers Revisited noted Civil War scholar Terry L Jones dramatically expands and revises his acclaimed history of the approximately 12 000 Louisiana infantrymen who fought in Robert E Lee s Army of Northern Virginia Sometimes derided as the wharf rats from New Orleans and the lowest scrappings

of the Mississippi the Louisiana Tigers earned a reputation for being drunken and riotous in camp but courageous and dependable on the battlefield By utilizing first person accounts and official records Jones provides the definitive study of the Louisiana Tigers and their harrowing experiences in the Civil War A Tempest of Iron and Lead Chris Mackowski, 2024-07-31 May 1864 The Army of the Potomac and the Army of Northern Virginia spent three days in brutal close quarter combat in the Wilderness that left the tangled thickets aflame No one could have imagined a more infernal battlefield until the armies moved down the road to Spotsylvania Court House Even the march itself was unprecedented For three years the armies had fought battles and disengaged after each one That pattern changed on the night of May 7 Instead of leaving the Wilderness to regroup Lt Gen Ulysses S Grant led the Federal army southward skirmishing with Confederates all the way There will be no turning back he had declared He lived up to his word By dawn on May 8 the armies had tussled their way ten miles down the road and opened another large scale fight that would last until May 21 One thing is certain of this campaign thus far explained Dr Daniel Holt of the 121st New York More blood has been shed more lives lost and more human suffering undergone than ever before in a season The fighting launched a score of new place names and events that would sear themselves into the American consciousness such as Spindle Field Upton's assault the Mule Shoe the Bloody Angle and the Harris Farm The casualties exacted at Spotsylvania exceeded those of the Wilderness by thousands The fighting severely tested the offensive capabilities of Gen Robert E Lee's Southern army just as the defensive posture his men embraced would in turn test the limits of Federal endurance A Tempest of Iron and Lead Spotsylvania Court House May 8 21 1864 is a comprehensive and comprehensible study of this endlessly fascinating campaign Author Chris Mackowski is intimately familiar with the battle of Spotsylvania Court House He is a former historian at Fredericksburg and Spotsylvania National Military Park and he continues to give tours of the battlefield as the historian in residence at Stevenson Ridge a historic property on the battlefield's eastern front His meticulous knowledge of the landscape and familiarity with primary source materials earned over nearly two decades coupled with outstanding maps and helpful images create a readable and satisfying single volume account the campaign has so richly deserved Died at Gettysburg! Jeffrey J. Kowalis, 1998

Fredericksburg! Fredericksburg! George C. Rable, 2009-11-15 During the battle of Gettysburg as Union troops along Cemetery Ridge rebuffed Pickett's Charge they were heard to shout Give them Fredericksburg Their cries reverberated from a clash that although fought some six months earlier clearly loomed large in the minds of Civil War soldiers Fought on December 13 1862 the battle of Fredericksburg ended in a stunning defeat for the Union Confederate general Robert E Lee suffered roughly 5 000 casualties but inflicted more than twice that many losses nearly 13 000 on his opponent General Ambrose Burnside As news of the Union loss traveled north it spread a wave of public despair that extended all the way to President Lincoln In the beleaguered Confederacy the southern victory bolstered flagging hopes as Lee and his men began to take on an aura of invincibility George Rable offers a gripping account of the battle of Fredericksburg and places the

campaign within its broader political social and military context Blending battlefield and home front history he not only addresses questions of strategy and tactics but also explores material conditions in camp the rhythms and disruptions of military life and the enduring effects of the carnage on survivors both civilian and military on both sides

Ignite the flame of optimism with Crafted by is motivational masterpiece, **Reminiscences Of The Thirteenth New Jersey Infantry In The Civil War** .
