*Remnant and Republic* Charles William Teel, 1995 1 REMNANT 2 CREATION 3 COVENANT 4 SANCTUARY 5 SABBATH 6 LAW 7 SALVATION 8 WHOLENESS 9 SECOND ADVENT 10 MILLENNIUM      *Adventism and the American Republic*

Douglas Morgan, 2001 *Adventism and the American Republic* tells how their convictions led Adventist adherents to become champions of religious liberty and the separation of church and state all in the interest of delaying the fulfillment of a prophecy that foresees the abolition of most freedoms Through publication of *Liberty* magazine lobbying of legislatures and pressing court cases Adventists have been libertarian activists for more than a century and in recent times this stance has translated into strong resistance to the political agendas of Christian conservatives Drawing on Adventist writings that have never been incorporated into a scholarly study Morgan shows how the movement has struggled successfully to maintain its identifying beliefs with some modifications and how their sectarian exclusiveness and support of liberty has led to some tensions and inconsistencies BOOK JACKET      **The Christian Consumer** Laura M. Hartman, 2011-11-10 Be it fair trade coffee or foreign oil our choices as consumers affect the well being of humans around the globe not to mention the natural world and of course ourselves Consumption is a serious ethical issue and Christian writers throughout history have weighed in discussing topics such as affluence and poverty greed and gluttony and proper stewardship of resources These voices are often at odds however In this book Laura M Hartman formulates a coherent Christian ethic of consumption imposing order on the debate by dividing it into four imperatives Christians are to consume in ways that avoid sin embrace creation love one's neighbor and envision the future An adequate ethics of consumption she argues must include all four considerations as tools for discernment even when they seem to contradict one another The book includes discussions of Christian practices such as fasting gratitude solidarity gift giving Sabbath keeping and the Eucharist Using exemplars from the Christian tradition and practical examples from everyday life *The Christian Consumer* offers a thoughtful guide to ethical consumption
