Letters to Ebay Art Farkas, 2007-08-30 By day Paul Meadors is a fifth grade teacher in a small California town By night he trolls the millions of items for sale on eBay posing as his alter ego Art Farkas and catching sellers off guard with his ludicrous and bizarre questions about their auctions As he amusingly demonstrates time and time again even in today s hyper vigilant and impersonal digital world the spirit of human salesmanship lives on no matter how outrageous the question or request For example Art asks the seller of a set of bongo drums if there would be a way to attach them to his grandmother s back so that she could take them to the corner and play on the street to earn her rent money which elicits a sincere yet biting humorous response From the entertaining auctions themselves to Paul s loony letters and the serious responses they provoke Letters to eBay provides a fascinating and humourous glimpse into the strange world of eBay and those who dwell within

eBay For Dummies Marsha Collier, 2004 eBay is the world s 1 online shopping

destination and can be a bit intimidating for first time users Thankfully though the latest edition of eBay For Dummies addresses all the issues a first time or inexperienced eBay user will confront Readers will be up to date in no time on the latest changes in the eBay interface fee structure and methods for buying and selling Readers will quickly be on the path that makes bidding buying and selling the fun it should be A Reference for the Rest of Us Author Marsha Collier is a recognized eBay expert thanks to her bestselling books appearances as an instructor at eBay University events and appearances on NBC s Today Show ABC s The View and numerous print and radio interviews Topics include getting a user name making first bids completing transactions selling items and what to do if anything goes wrong An ideal resource for everyone from corporate customers to mom pop retailers as well as individuals who are cleaning out their closets and garages *Buy It Now* Michele White,2012-07-10 Explores the communities and social norms on eBay discussing gender race and sexuality and how stereotypes about them are reinforced by the online auction site

The Unofficial Guide to eBay and Online Auctions Dawn E. Reno,Bobby Reno,2000-10-09 A one stop guide to buying and selling on the Internet According to Fortune magazine eBay reports having over 900 000 products for sale in 1 086 categories The site receives 140 million hits a week But starting out either as a seller or a buyer can be challenging The Unofficial Guide to eBay Online Auctions offers step by step guidance on everything from registering and setting up an account to bidding to avoiding auction fever This book shows you how to maximize your online experience with advice on The values and pitfalls of selling in online auctions How to choose the best online auction site The right and wrong ways of buying and selling at an online auction What to do if an item doesn t sell Online fraud what to do if it happens and how to avoid it the next time *The EBay Price Guide* Julia L. Wilkinson,2006 Provides lists of selling prices of items found on eBay in such categories as antiques boats books cameras coins collectibles dolls DVDs real estate stamps tickets and video games

Ebay Home Makeover Alyssa Ettinger,2005 The eBay Home Makeover book is a smart way to make those special connections faster and easier packing even greater power into surfing and shopping time *Fake* Kenneth Walton,2006-05-15 It was the golden age of eBay Optimistic bidders went online to the world s largest flea market in droves ready to spend cash on everything from garden gnomes to Mercedes convertibles Among them were art collectors willing to spend big money on unseen paintings hoping to buy valuable pieces of art at below market prices EBay also attracted the occasional con artist unable to resist the temptation of abusing a system that prided itself on being based on trust Kenneth Walton once a lawyer bound by the ethics of his profession to uphold the law was seduced by just such a con artist and eventually became one himself Ripped from the headlines of the New York Times the first newspaper to break the story Fake describes Walton s innocent beginnings as an online art trading hobbyist and details the downward spiral of greed that ultimately led to his federal felony conviction What started out as a satisfying exercise in reselling thrift store paintings for a profit in order to pay back student loans and mounting credit card debt soon became a fierce addiction to the subtle deception of luring unsuspecting bidders into overpaying for paintings of questionable origins

In a landscape peopled with colorful eccentrics hoping to score museum quality paintings at bargain prices Walton entered into a partnership with Ken Fetterman an unslick yet somehow very effective con man Over the course of eighteen months they managed to take in hundreds of thousands of dollars by selling forged paintings and bidding on their own auctions to drive up the prices When their deception was discovered and made international headlines Walton found himself stalked by reporters and federal agents while Fetterman went on the lam sparking a nationwide FBI manhunt His elaborate game of cat and mouse lasted nearly three years until the feds caught up with him after a routine traffic violation and brought him to justice In this sensational story of the seductive power of greed Kenneth Walton breaks his silence for the first time and in his own words details the international scandal that forever changed the way eBay does business

Digination Robert C. MacDougall, 2012 The shift from orality to literacy that began with the invention of the phonetic alphabet and which went into high gear with Gutenberg s printing press more than 500 years ago helped make the modern world Some commentators have argued that this shift from orality to literacy marked a much broader cultural shift of cataclysmic proportions Today with everything from e mail to blogs iPods and podcasts through Google Yahoo eBay and with cutting edge smart phones we find ourselves developing relationships with these newest communication tools that aren t simply allowing us to communicate faster farther and with more ease than ever before We aren t just moving around ideas data and information at unimaginable speed and scale Our interminglings and fusions with digital communication technologies are also altering both individual and group consciousness in fundamental

ways how we form and sustain relationships how we think and perceive what it means to see and to feel We are remaking human identity once more and manufacturing a new kind of culture along the way The processes bound up in our digination may well be consequential to the trajectory of human evolution That time honored trope the notion that technology is not the problem rather it s how people use technology that s the problem is shown to be wanting Highlighting Marshall McLuhan s tetrads or laws of media as a primary tool of analysis R C MacDougall argues in line with other media ecologists that it s not so much how we use certain tools that matters it s that we use them More than any other technological form perhaps communication technologies play particularly powerful and systemic roles in our culture or any culture for that matter Late adopters and even abstainers are not exempt from the psychological social and cultural effects and side effects of modern digital communication technology While there are certainly varying degrees of immersion that is to say while some of us live in the high rise downtown district some at the city limits and still others out in the proverbial woods we all live in Digination today

The Everything Negotiating Book Margaret Kaeter,Angelique Pinet,2004-12-06 What s the one thing you can do to improve both your business and personal life Learn to negotiate Negotiating effectively is the key to getting what you want when you want it Negotiate well and you maintain control in any situation at home or at work From purchasing a home and asking for a raise to compromising with spouses and children The Everything Negotiating Book takes you step by step through the negotiating process enabling you to Communicate your goals clearly and concisely State your case effectively Identify body language to read hidden clues Compromise without giving in Anticipate reactions and plan your responses Maintain your composure and professionalism Gain the advantage Debate terms and conditions favorably Decide when to walk away and when to persist And much much more Whether you re planning a hostile takeover or debating with your spouse The Everything Negotiating Book prepares you for the battle and arms you with the skills you need to win

Design, History and Time Zoë Hendon,Anne Massey,2019-02-21 Design History and Time reflects on the nature of time in relation to design in both past and contemporary contexts In contrast to a traditional design historical approach which emphasises schools and movements this volume addresses time as a continuum and considers the importance of temporality for design practice and history Contributors address how designers design historians and design thinkers might respond to the global challenges of time the rhythms of work and the increasing speed of life and communication between different communities They consider how the past informs the present and the future in terms of design the importance of time based design practices such as rapid prototyping and slow design time in relation to memory and forgetting and artefacts such as the archive for which time is key and ponder the design of time itself Showcasing the work of fifteen design scholars from a range of international contexts the book provides an essential text for thinking about changing attitudes to the temporal

YouthNation Matt Britton,2015-04-02 Youth is no longer an age it s a commodity YouthNation is an indispensable brand roadmap to the youth driven economy Exploring the idea that youth is no longer an age it s a commodity that s available to

everyone this book shows what it takes to stay connected agile authentic and relevant in today's marketplace Readers will learn the ins and outs of the new consumer and the tools methods and techniques that ensure brand survival in the age of perpetual youth Coverage includes marketing in a post demographic world crafting the story of the brand building engaged communities creating experiences that inspire loyalty and evangelism and the cutting edge tricks that help businesses large and small harness the enormous power of youth The old marketing models are over and the status quo is dead Businesses today have to embody the ideals of youth culture in order to succeed by tapping the new and rapidly evolving resources n business and in life When everything is changing at the pace of a teenager's attention span how do businesses future fit for long term success This book provides a plan and the thoughts strategies and brass tacks advice for putting it into action Use New Gen psychographics to target markets Build stronger evangelism with a compelling brand narrative Create loyal communities with immersive and engaging experiences Navigate the radically changed landscape of the future marketplace In today's hyper socialized Facebook fanatic selfie obsessed world youth is the primary driver of business and culture Smart companies are looking to tap into the fountain of youth and the others are sinking fast YouthNation is a roadmap to brand relevancy in the new economy giving businesses turn by turn direction to their market destination
