### THE RENAISSANCE

#### INTRODUCTION

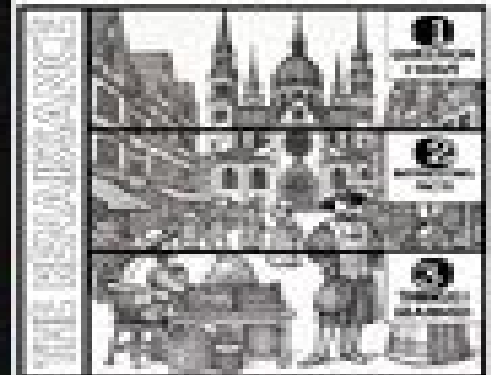

The Renaissance was a period of great cultural and intellectual change in Europe, from the late 14th to the early 17th century. It began in Italy and spread to the rest of Europe. The word 'Renaissance' comes from the French word 'renaître', which means 'to be born again'. This period was characterized by a renewed interest in the art, science, and literature of the ancient Greeks and Romans. The Renaissance was a time of great achievement in many fields, including art, science, and literature. It was a time when the human mind was freed from the constraints of the Middle Ages and began to explore the world around it. The Renaissance was a time of great discovery and innovation, and it laid the foundation for the modern world.
