The Polish Swan Triumphant George Gömöri, 2013-11-18 This present collection of George Gömöri's essays covers several centuries of Polish literature and its reception abroad The first three essays are devoted to Jan Kochanowski the greatest poet of the Polish Renaissance followed by shorter pieces on Stefan Batory King of Poland from 1576 to 1586 whom Montaigne thought to be one of the greatest princes of our age This is followed by a comparative essay on the Pole Mikołaj Sęp Szarzyński and the Hungarian poet Bálint Balassi both important poets of the late sixteenth century and an essay with an Amendment investigating Sir Philip Sidney's little researched visits to Hungary and Poland A substantial part of the book is devoted to the Baroque period first on the poet Hieronim Morsztyn recently rediscovered in Poland A long essay analyses his first important work *Worldly Delights* a poem which illustrates the transition from the classical models of the late Renaissance to Baroque poetics The following part of the book examines the huge impact that the neo-Latin poet Maciej Kazimierz Sarbiewski made on more than one English poet of the seventeenth century while also explaining the political reasons for his warm reception

in England The Verse Letter of the Polish Baroque follows the development of this interesting genre from Daniel Naborowski to Jan Andrzej Morsztyn The final part of the book deals with the great precursor of modern Polish poetry Cyprian Norwid 1821 1883 The final essays in this collection investigate Norwid s views on Lord Byron expressed both in his poetry and his public lectures in Paris as well as the complex views of the Polish poet on nineteenth century England which he only briefly visited and the United States where he resided for two years *Ancient Literature Breaking Down Stereotypes* Lyudmyla Shevchenko-Savchynska, Kostyantyn Balashov, 2015-01-01 What do you know about Ukraine The sad reason Russian aggression forced the world to talk about this great Eastern European country its history over the past several centuries was undeservedly in the shadow of the neighbor invader But do you know at least something about Ukrainian literature We offer to get acquaintance with it not from the very beginning but from the Renaissance The reason for that is very simple a significant part of the authors from Ukraine of that time used Latin to express their thoughts and feelings as well as the rest of Europe This tradition has not completely collapsed even today to prove that if you conscientiously have studied and still remember this classic language you can enjoy the quotes in the original At the Renaissance era the intellectuals have considered themselves as a separate community higher than political boundaries So the literature they have created is a common heritage So here in front of you still unknown page of European literature written in Ukraine Meet it taste it share it
