Passional Culture Timothy Mitchell, 2015-09-30 The Holy Week dramas of southern Spain have astounded visitors for centuries Striking as they are however they are only the tip of a cultural iceberg Casual visitors cannot guess how the cult of the crucified Christ shapes daily behavior and thought patterns The Passion as lived by Andalusians is closely linked to a penitential ideology that profoundly influences how they feel about life death wealth and poverty It affects the way men and women see themselves and each other and has played havoc with Catholic orthodoxy by creating unique institutions and customs In *Passional Culture* Timothy Mitchell explores these cultural factors and shows how they have led to popular stagings of the Passion that are moving riddled with heresy and obsessed with authority conflicts He explains why the image of the Mater Dolorosa has come to overshadow that of Christ himself With keen analysis as well as anecdotes illustrations and popular songs Mitchell makes fascinating aspects of Spanish civilization available to Americans for the first time
