Martinez Perez, 2023-04-05 This weekly Devotional was written with the belief and assurance that God will meet all our needs as we walk the paths of our daily living to inspire in the readers the fact that God is always closer to us in an intimate way to mold and fashion us in the same manner that the potter does with the clay to be the person He intended to share eternity with for the glory of His precious name. ground Well now little child that s some vocabulary you ve got there But tell me do you need some help The voice boomed in Chloe s ear and she gazed in wonder into eyes that oddly danced and flashed sparks of white and gold For a moment she forgot about rushing home to her angry alcoholic mother and instead stood still breathing in deep the sudden scent of vanilla enveloping her A smile broke from her lips and she very nearly giggled I m Mr Xander he said reaching for her hand with long large fingers So began a strange chain of events following Chloe into adulthood as she traveled down dark roads and strayed into shadowy spots searching for what she knew not in her childhood and so had no idea how to identify and obtain in her maturing years the grace love and acceptance of God But can she leave the darkness for the light It s a question all sinners must wrestle with and in the end the only real answer is this God does indeed work in mysterious ways **Sonnet**
