Rendezvous In Haiti:

A Rendezvous in Haiti Stephen Becker, 2016-01-12 Two veterans of World War I fight for love and honor in a Caribbean country torn apart by rebellion Lt Robert McAllister of the US Marines first encounters Paul Blanchard on a parade ground in Belgium in 1918 Awarded the Croix de Guerre and the Victoria Cross for his service at Ypres and Passchendaele the British sergeant coughs blood onto his commanding officer's boots and curses the war A year later McAllister commands a platoon of marines in occupied Haiti where a peasant uprising threatens to topple the American backed regime Led by a charismatic revolutionary named Martel the rebels known as the Cacos have a secret weapon a white Caco who fights with a terrifying combination of cunning and courage When the mysterious mercenary abducts a marine colonel's daughter McAllister rushes to save her It is more than his duty he and Caroline Barbour are in love The deeper he journeys into enemy territory however the more McAllister realizes how little he understands not just about this country of breathtaking beauty and staggering violence but about his own heart's desire The biggest shock of all though waits for him at the end of the jungle trail Paul Blanchard hero of the Great War Rich in the exotic colors of the Caribbean *A Rendezvous in Haiti* is an enthralling tale of adventure romance and rebellion from master storyteller Stephen Becker **Rendezvous in Haiti** Stephen D. Becker, 1989

A Rendezvous in Haiti Stephen D. Becker, 1987 How Human Rights Can Build Haiti Fran Quigley, 2014-07-30 A cataclysmic earthquake revolution corruption and neglect have all conspired to strangle the growth of a legitimate legal system in Haiti But as *How Human Rights Can Build Haiti* demonstrates the story of lawyers activists on the ground should give us all hope They organize demonstrations at the street level argue court cases at the international level and conduct social media and lobbying campaigns across the globe They are making historic claims and achieving real success as they tackle Haiti's cholera epidemic post earthquake housing and rape crises and the Jean Claude Duvalier prosecution among other human rights emergencies in Haiti The only way to transform Haiti's dismal human rights legacy is through a bottom up social movement supported by local and international challenges to the status quo That recipe for reform mirrors the strategy followed by Mario Joseph Brian Concannon and their clients and colleagues profiled in this book Together Joseph Concannon and their allies represent Haiti's best hope to escape the cycle of disaster corruption and violence that has characterized the country's two hundred year history At the same time their efforts are creating a template for a new and more effective human rights focused strategy to turn around failed states and end global poverty *A Guide to Haiti* Haiti Government Tourist Bureau, 1957 Paramilitarism and the Assault on Democracy in Haiti Jeb Sprague, 2012-08 In this path breaking book Jeb Sprague investigates the dangerous world of right wing paramilitarism in Haiti and its role in undermining the democratic aspirations of the Haitian people Sprague focuses on the period beginning in 1990 with the rise of Haiti's first democratically elected president Jean Bertrand Aristide and the right wing movements that succeeded in driving him from power Over the ensuing two decades paramilitary violence was largely directed against the poor and supporters of Aristide's

Lavalas movement taking the lives of thousands of Haitians Sprague seeks to understand how this occurred and traces connections between paramilitaries and their elite financial and political backers in Haiti but also in the United States and the Dominican Republic The product of years of original research this book draws on over fifty interviews some of which placed the author in severe danger and more than 11 000 documents secured through Freedom of Information Act FOIA requests It makes a substantial contribution to our understanding of Haiti today and is a vivid reminder of how democratic struggles in poor countries are often met with extreme violence organized at the behest of capital Geographies of the Haitian Diaspora Regine O. Jackson,2011-06-27 This book considers the full sweep of Haitian community invention and recreation in a multitude of national territories with an eye toward the place factors that shape the everyday lives of Haitian migrants Regine O Jackson brings together an interdisciplinary group of scholars to explore how Haitian communities differ across time and place as well as how migrants adjust to new economic political and racial realities The volume includes descriptive ethnographies of Haitians in 19th century Jamaica eastern Cuba Detroit the Dominican Republic Guadeloupe Paris and Boston and innovative scholarly work on non geographic sites of Haitian community building The most important question addressed here is not whether the places described represent typical or exceptional Haitian diasporic communities but how why and to what effect do Haitians in particular places use diaspora as a signifier By examining the diversity and sameness of the Haitian experience in diaspora *Geographies of the Haitian Diaspora* asks how we might situate community in view of increased scholarly attention to transnational processes *Record of Proceedings of a Court of Inquiry in the Case of Rear-Admiral Winfield S. Schley, U.S. Navy* Winfield Scott Schley,1902 **The Journal of James A. Brush** Karen Racine,Graham Lloyd,2020-11-15 Editors Karen Racine and Graham Lloyd provide extensive insight into the Mina expedition during the revolution of Mexican independence as captured in the journal of James A Brush General Xavier Mina believed that the best way to overthrow tyranny in Spain was to fight for the independence of the American colonies A Scottish officer who fought with the British army against Napoleon Brush joined Mina in 1815 and set sail to Mexico thereafter Available in English for the first time this primary document detailing the experiences of the expedition provides a firsthand account of the personalities the events and the social world as it was as well as descriptions of some of the major figures of Mexico s independence era Racine and Lloyd contextualize Brush s journal with informative notes annotations and appendices that include letters song lyrics and decrees giving readers a broader context for the events described The result is a fascinating look into a significant episode of Mexico s War for Independence Islands Magazine ,1988-05 The Routledge Hispanic Studies Companion to Nineteenth-Century Latin America Agnes Lugo-Ortiz,Graciela Montaldo,2024-10-29 The Routledge Hispanic Studies Companion to Nineteenth Century Latin America provides a unique comprehensive and critical overview of Latin American studies in the nineteenth century including the major regions and subfields The essays in this collection offer a complex yet accessible transdisciplinary overview of the heterogeneous and asynchronous historical political and cultural

processes that account for the becoming of Latin America in the nineteenth century from Mexico and the Caribbean Basin to the Southern Cone The thematic division of the book into six parts allows for a better understanding of the ways in which different themes are interrelated and affords readers the opportunity to draw their own connections among subfields The volume assembles a robust sample of recent and innovative scholarship on the subject reformulating from fresh perspectives commonly held views on the issues that characterized the era Additionally it provides an overarching analysis of the field and introduces cutting edge concepts all within one expansive volume opening the dialogue about topics that share common denominators and modeling how those topics can be approached from a variety of perspectives The innovative volume will be of interest to students and scholars of Latin American studies and Spanish studies Readers unfamiliar with the period will acquire a comprehensive view of its complexities while specialists will discover new interpretations and archives *Haiti* Robert Lawless,1990 *Haiti: The Aftershocks of History* Laurent Dubois,2012-01-03 A passionate and insightful account by a leading historian of Haiti that traces the sources of the country s devastating present back to its turbulent and traumatic history Even before the 2010 earthquake destroyed much of the country Haiti was known as a benighted place of poverty and corruption Maligned and misunderstood the nation has long been blamed by many for its own wretchedness But as acclaimed historian Laurent Dubois makes clear Haiti s troubled present can only be understood by examining its complex past The country s difficulties are inextricably rooted in its founding revolution the only successful slave revolt in the history of the world the hostility that this rebellion generated among the colonial powers surrounding the island nation and the intense struggle within Haiti itself to define its newfound freedom and realize its promise Dubois vividly depicts the isolation and impoverishment that followed the 1804 uprising He details how the crushing indemnity imposed by the former French rulers initiated a devastating cycle of debt while frequent interventions by the United States including a twenty year military occupation further undermined Haiti s independence At the same time Dubois shows the internal debates about what Haiti should do with its hard won liberty alienated the nation s leaders from the broader population setting the stage for enduring political conflict Yet as Dubois demonstrates the Haitian people have never given up on their struggle for true democracy creating a powerful culture insistent on autonomy and equality for all Revealing what lies behind the familiar moniker of the poorest nation in the Western Hemisphere this indispensable book illuminates the foundations on which a new Haiti might yet emerge **Haiti** J. Dryden Kuser,2015-02-03 Haiti is a country of rapidly changing conditions Like others emerging from revolution and disorder to peace and the pursuits of peace it finds its possibilities unlimited Furthermore under the Haitian American treaty part of the government is being run by the Haitians themselves in the three departments executive legislative and judicial and a portion is controlled by the United States including the military In such a two party control there is naturally friction and this causes frequent and changing disagreements Whereas in January 1920 the bandit trouble was serious I have just found during a brief November trip that this has ceased to be an active danger In its place there has

arisen not a military worry but a political one Haitian agitators supported by ill advised Americans have spread propaganda favoring the withdrawal of the United States from Haiti Included in this propaganda have been the absurd accusations against the marines of cruelty toward the natives The question of any cruelty or unnecessary killings has been conclusively disproven by the findings of a Court of Inquiry sent to Haiti and which has recently published its findings As to the withdrawal of the United States from Haiti such a course would be a menace to the world and a sad neglect of duty by the United States Any American acquainted with Haitian conditions will agree that the marines would scarcely have boarded the American ships before the entire country would be in a state of civil war the lives and property of foreigners endangered and the possibility of Haiti paying off her foreign debt would be lost As opposed to this prospect of revolution we have a bright future for Haiti if the United States remains The country is naturally rich in its products and its soil and labor is able to work for cheaper wages than elsewhere This is a great incentive for American business to invest its capital which means that the country will rapidly become rich again as it once was in the French days But unlike conditions in those days the Haitian himself will share in the future development and wealth

Reparation for Victims of Crimes against Humanity Jo-Anne Wemmers, 2014-05-30 Each year countless people fall victim to crimes against humanity These include widespread occurrences of systematic murder torture rape disappearances forced deportation and political persecution Crimes against humanity constitute an attack on human dignity and as such they violate the human rights of the victim as well as the laws of humanity In recent years following the creation of the International Criminal Court there has been a growing interest in the prosecution of offenders and in particular in reparation following crimes against humanity While such measures are meant to provide justice for victims victims are often forgotten or lost in legal debates about what constitutes reparation and who is eligible to receive it This book reaches beyond the boundaries of law and psychology and takes a multidisciplinary approach to the question of reparation for victims of crimes against humanity Law does not take place in a vacuum and it is important to consider the impact of the law on the psychology of the victim as well as the legal principles themselves Herein lies the originality of this book which bridges the gaps between psychology victimology criminology and law and will be of key interest to academics and students engaged in the study of these areas

Word of Honor Robert Macomber, 2020-10-01 As part of the award winning Honor Series of historical naval novels Word of Honor is the personal memoir of protagonist Peter Wake a veteran of espionage operations for the Office of Naval Intelligence who also has considerable sea and combat experience At the beginning of this third book of the Spanish American War Trilogy it is three years after the war and Wake is called in to explain his decisions and actions in the Caribbean during the wartime summer of 1898 As he briefs his interrogators Wake recalls surviving two major land battles and a climatic sea battle near Cuba then taking command of auxiliary cruiser Dixon which is manned with regular and reservist officers and men Wake soon tackles enemy blockade runners participates in the invasion of Puerto Rico encounters future president and war hero Theodore Roosevelt and

pursues an elusive Spanish ocean raider on the loose somewhere in the Caribbean Haiti John Dryden Kuser,1921 *Red Crew* Jim Howe,2018-06-15 *Red Crew* is a first hand account of U S Coast Guard anti smuggling operations during the early years of the nation s maritime war on drugs Jim Howe describes his experience as the executive officer of a specialized drug hunting crew that sailed in then state of the art surface effect ships a small flotilla of high speed vessels pressed into the drug war on short notice In the early 1980s South Florida and the Caribbean were awash in illicit drugs with hundreds of smuggling organizations bringing huge loads of marijuana and later cocaine into the United States To fight this epidemic the Reagan administration led a massive effort to disrupt shore side gangs while bolstering interdiction activity at sea To increase the number of days at sea for each surface effect ship a multi crewing concept was employed with four teams of sixteen sailors the Red Blue Green and Gold Crews rotating among three hulls Through its first person narrative *Red Crew* offers a rare glimpse into the day to day pressures challenges failures and successes of Coast Guard cuttermen as they carried out complex and dangerous missions *Red Crew* provides a unique historical view of the early days in the Coast Guard s war on drugs and is the only book length history of the diminutive one of a kind surface effect ship fleet

Port-au-Prince, Haiti: Duvaliers' Pax Haitiana Dynasty and my Coming of Age in the Time of Compas Direct and Mini Jazz | A Memoir Lyonel Gerdes,2025-02-07 *Port au Prince Haiti* is a captivating memoir by Lyonel Gerdes the sequel to his first trilogy book The author shares his personal journey of growing up in the mid 60s to mid 70s in the beautiful neighborhood of Martissant Port au Prince Haiti Despite the magnificent views of green hills and the soothing Caribbean Sea Gerdes faces challenging circumstances including his family s financial struggle emotional neglect and seeking love in the wrong places Through his inner strength and resilience Gerdes overcomes these challenges and comes to terms with his dysfunctional family The book offers readers a unique perspective on life and an inspiring message that one can still turn their earthly journey around despite the inherited condition they were dealt with *Drugs, Law Enforcement, and Foreign Policy: The Cartel, Haiti, and Central America* United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Terrorism, Narcotics, and International Communications,1988

Rendezvous In Haiti Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rendezvous In Haiti has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rendezvous In Haiti has opened up a world of possibilities. Downloading Rendezvous In Haiti provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rendezvous In Haiti has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rendezvous In Haiti. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rendezvous In Haiti. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rendezvous In Haiti, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rendezvous In Haiti has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rendezvous In Haiti Books

What is a Rendezvous In Haiti PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rendezvous In Haiti PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rendezvous In Haiti PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rendezvous In Haiti PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rendezvous In Haiti PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
