anywhere **Renegade Hearts** Carolyn Chase, 1989 Set against a backdrop of America's beginnings this is the first of the sweeping new series Thirteen Colonies Lovely Elizabeth is alone in colonial Georgia until an aristocratic newcomer arrives to steal her heart Will he steal her land as well *The Renegade's Heart* Claire Delacroix, 2013-01-15 She would risk

everything to save his soul Released from the captivity of the Fae Murdoch Seton wants nothing more than to forget his lost years Undertaking a quest to recover treasure stolen from his family seems the perfect solution but Murdoch is not counting upon a curious maiden who holds both the secret to the theft and his sole redemption Isabella is outraged to find her brother's keep besieged by a renegade knight especially one too handsome for his own good or hers After a single encounter she becomes convinced that his cause is just and decides to unveil the true thief never imagining that their single shared kiss has launched a battle for Murdoch's very soul As the treacherous Fae move to claim Murdoch forever Isabella seeks to heal the knight who has stolen her heart But will Murdoch allow her to take a risk and endanger herself Or will he sacrifice himself to ensure Isabella's future I've written many series set in my fictional medieval Scottish world of Ravensmuir Kinfairlie and Inverfyre This is the order in which the stories take place although you can start with any series I recommend you read each series in order There's a tab on my website for ALL books in this world <http://delacroix.net/ravensmuir> I The Rogues of Ravensmuir This is the first series to take place in this world These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series 1 The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense Their relationship is a class war he's the laird and she's a village girl but there's an immediate attraction between them Can Merlyn trust in love at first sight Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help This is the first book featuring Ravensmuir and in it we learn the story of its sister holding Kinfairlie 2 The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love In this story Gawain meets his match the enticing Eglantine who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires This is cat and mouse story of action adventure and intrigue takes us from York to the highlands of Scotland to Eglantine's home at Inverfyre 3 The Warrior At the end of The Scoundrel Inverfyre is lost to the notorious MacLaren clan but years later Eglantine and Gawain's son Michael the Hawk of Inverfyre returns to reclaim his

legacy He has need of an heir so he abducts Aileen to be his bride never guessing that these two have shared a great passion in their past lives At Inverfyre Aileen is plagued by visions and fears she is going mad while the Hawk is uncertain whether his beguiling new bride can be trusted or whether she has let the MacLarens in the gate This medieval Scottish romance has some fantasy elements as it s a reincarnation story II The Jewels of Kinfairlie At the end of The Warrior there is a family gathering at Inverfyre We briefly meet Merlyn and Ysabella s son Roland his wife Catherine and their eight children This series begins several years later after Roland and Catherine s tragic death when their oldest son Alexander suddenly becomes laird The treasury is empty The harvest will be poor Alexander needs to see his sisters married as quickly as possible but they wish to wed for love 1 The Beauty Bride Alexander arranges an auction for the hand of his defiant sister intending to manage the list of bidders but a notorious mercenary Rhys fitzHenry pays the highest price This arranged marriage doesn t begin well as Madeline is a runaway bride but Rhys pursues her saves her and tries to court her I love that Rhys tells Madeline stories to win her heart and that she quickly figures out that each choice of story reveals one of her husband s secrets 2 The Rose Red Bride Alexander thinks he s learned his lesson and is thrilled when Vivienne s former suitor Nicholas Sinclair wants to claim her hand It s a little uncommon that Nicholas wants to abduct his bride but Alexander is sure that Vivienne will think that a romantic gesture and when the wedding is held in the morning all will be well But the highlander seeking Alexander s agreement isn t Nicholas it s his brother Erik in disguise a man who needs a wife only because he needs a son to claim his legacy He s not counting on Vivienne stealing his heart too 3 The Snow White Bride It s Christmas at Kinfairlie and a mysterious noblewoman seeks refuge in the chapel When the sisters learn that she s a widow in need of protection they decide to play a trick on Alexander and arrange his marriage Eleanor thinks husbands are all the same so is agreeable although she isn t counting on Alexander s youth charm and desire to claim her heart When her past catches up to her and Kinfairlie is at risk how much will Eleanor sacrifice to see her new husband safe What price will Alexander pay to defend his bride 4 The Ballad of Rosamunde Rosamunde the pirate queen and aunt of the siblings at Kinfairlie was adopted by Gawain in The Scoundrel and trapped in the realm of the Fae in The Rose Red Bride In this short story a friends to lovers story Padraig rescues Rosamunde his valor making her realize that she loves him too III The True Love Brides At the end of The Snow White Bride Alexander decrees that his remaining sisters will marry for love The portal to the realm of the Fae has been opened though and the Fae king Finvarra desires Elizabeth Finvarra agrees that he will abandon his suit if four of the siblings marry their true loves although Elizabeth knows that the portal to the Fae realm has to be closed as well 1 The Renegade s Heart Isabella is smitten with a rogue knight come to Kinfairlie to demand the return of his family s stolen treasure She takes Murdoch s cause against that of her brother then learns that Murdoch has been claimed by the Fae queen who holds his heart still Can a mortal maiden defeat an immortal queen by winning Murdoch s love for her own 2 The Highlander s Curse Garrett is cursed to hear the thoughts of others as clearly as his own a spell intended

to make him an outcast so his legacy could be stolen He finds solace in the company and the touch of gentle Annelise Can Annelise's love heal him so he can recover his stolen legacy and give her the home and the husband she deserves 3 The Frost Maiden's Kiss Malcolm returns to Ravensmuir after years as a mercenary with a hoard large enough to finance the rebuilding of his legacy and his soul due to the Fae When pregnant Catriona arrives at Ravensmuir Malcolm knows he can give her a future with a marriage of convenience that makes her child heir to Ravensmuir Catriona expects nothing of men but Malcolm's kindness and strength earns her love and makes her determined to save his soul regardless of the price 4 The Warrior's Prize The mercenary Rafael thinks his companion's sister Elizabeth could be an angel come to earth and one who will hold him accountable for his sins Challenged by her and enticed by her Rafael offers himself instead of his comrade Malcolm and begins to change his life with his choices Can he save Elizabeth from Finvarra He's determined to try no matter what the risk to himself and Elizabeth cannot resist a man who chooses nobly just for her IV The Brides of Inverfyre There is one sibling left unmarried Ross and we follow him to Inverfyre where the children of the Hawk and Aileen also need to be married 1 The Mercenary's Bride This Scottish medieval romance is a Christmas novella the story of a knight returning to Inverfyre to keep his promise to the laird's daughter Having been attacked and left for dead Quentin is no longer the man he was and he blames the Hawk for the change in his fortunes But his bitterness melts before the admiration of Mhairi for the maiden he admired has become a beauty he would die to serve 2 The Runaway Bride Even though Aiofe is a beauty and an heiress she wants to marry for love Her marriage is arranged to the oldest son of the Hawk of Inverfyre but she chooses to flee instead hoping that his cousin Ross will be sent after her Aiofe intends to claim Ross's heart no matter the price for she knows with one glimpse that he's the man for her Ross is caught between his duty and his heart and the wicked MacLarens who would use Aiofe as a pawn in their own plan to possess Inverfyre There will be more stories in this series too There are Family Trees for Inverfyre Ravensmuir and Kinfairlie available as free downloads in my online store The links are on my website right here <http://delacroix.net/ravensmuir/familytrees/> medieval romance historical romance scottish romance marriage of convenience runaway bride outlaw hero beauty and the beast scotland wales action adventure intrigue *The Sublime Dilemma* Pasquale De Marco, 2025-07-18 In the heart of a reality teetering on the precipice of chaos a figure emerges from the depths of obscurity challenging the very fabric of existence Meet the Stranger a man who awakens in the vibrant metropolis of New York City a city pulsating with life yet shrouded in an aura of mystery Haunted by cryptic messages etched into his flesh he embarks on a quest to unravel the enigma of his forgotten past unaware of the profound impact he will have on the world As the Stranger delves deeper into the labyrinth of his history he encounters a kaleidoscope of enigmatic characters each holding a piece of the puzzle From the enigmatic Stinky Wiggler a shadowy figure rumored to possess the key to his lost memories to the intriguing Aretha Nightingale an ex-football player turned drag queen with a knack for deciphering hidden realms he finds himself entangled in a web of intrigue and deception His extraordinary odyssey takes him through

Richardson Beyond this I cannot pretend to be certain of much about them I suppose they reflect a self with only a tenuous grip on its surroundings threatened by their and its own continuous vanishing The poems respond with a helplessness fitful control and not a little tenderness Like the protagonists of The Encyclopedia of Stones A Pastoral I am very slow both unsettled and inspired by the vertiginous strangeness and speed of events I suspect these melancholy and disembodied poems are attempts to arrest the moment long enough to say farewell to let things go rather than be subject to their disappearance Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Colonizing Ourselves José Angel Hernández, 2024-10-15 In the late nineteenth century the Mexican government seeking to fortify its northern borders and curb migration to the United States set out to relocate Mexico Texano families or Tejanos on Mexican land In Colonizing Ourselves Jose Angel Hernandez explores these movements back to Mexico also known as autocolonization as distinct in the history of settler colonization Unlike other settler colonial states that relied heavily on overseas settlers especially from Europe and Asia Mexico received less than 1 percent of these nineteenth century immigrants This reality coupled with the growing migration of farmers and laborers northward toward the United States led ultimately to passage of the 1883 Land and Colonization Law This legislation offered incentives to any Mexican in the United States willing to resettle in the republic Tejanos as well as other Mexican expatriates abroad were to be granted twice the amount of land for settlement that other immigrants received The campaign worked ethnic Mexicans from Texas and the Mexican interior as well as Indigenous peoples from Mexico established numerous colonies on the northern frontier Leading one of the most notable back to Mexico movements was Luis Siliceo a Texan who with a subsidized newspaper El Colono and the backing of Porfirio Diaz's administration secured a contract to resettle Tejano families across several Mexican states The story of this partnership which Hernandez traces from the 1890s through the turn of the century provides insight into debates about settler colonization in Mexico Viewed from various global national and regional perspectives it helps to make sense of Mexico's autocolonization policy and its redefinition of Indigenous and settler populations during the nineteenth century
