James D'Angelo, 2005-05-27 A complete introduction to using the sounds of the voice to promote healing Explains the emotional meanings and healing attributes of human vocal expression from vowels and consonants to natural sounds such as laughter or sighs Includes easy to follow vocal and breathing exercises Contains chants and mantras from cultures around the world As infants and children we use our vocalizations to express our needs and emotions As we grow older these vocalizations become confined to language The suppression of emotional sounds because they may be considered childish or undignified is quite commonplace in Western cultures Yet when done with vigor the sounds made by laughing groaning humming keening and sighing hold within them great power for healing In *The Healing Power of the Human Voice* James D Angelo introduces the concepts behind sound healing and provides simple practical exercises to put these concepts into practice He explains in detail the meanings and healing attributes of the whole range of human vocal expression from vowels and consonants to the natural sounds of laughter or sighs He reveals the power of singing and the ways in which group singing can contribute to physical and mental health He also presents authentic classical chants and mantras from cultures around the world and shows how we can combine various vocal sounds to form our own mantras to help clear chakra blockages All of the sounds discussed as well as the techniques for producing overtones are placed in a ritualized context and are accompanied by simple movements to enhance tuning the body toward inner harmony health and peace In addition the author demonstrates all the major vocal techniques in the accompanying audio tracks including mantras chants from major religious traditions seed sounds and syllables and overtones giving you all the tools necessary to create these sounds yourself

Therapeutic Voicework Paul Newham, 1998 Based on Paul Newham's experience as a voice therapist and on his work running a professional training course in the psychotherapeutic use of singing this text explores both the theory and practice behind the use of voice and singing in expressive arts therapy Everyday Oracles Ann Bolinger-McQuade, 2013-07-11 It could be a cloud in the shape of a loved one's face or an extremely relevant song playing on the radio at the exact time of a friend's death if we allow ourselves to stop look and listen we can identify what spiritual teacher Ann Bolinger McQuade calls personal oracles And when we tune into these subtle messages from Spirit we will discover guidance for navigating life's most trying situations In this illuminating book readers will learn that the universe is constantly conspiring in our favor and is ready to lend a helping hand when we need it most if only we can look closely and open our hearts to the divine messages that are on display around us Sharing stories of divine inspiration from her own life as well as the lives of others many of them well known historical or contemporary figures McQuade shows readers how *A PAIR OF SPARROWS SAVE A MAN'S LIFE* Journalist Byron Pitts narrowly escaped being hit by a car and saw a couple birds circling in front of him The birds reminded him of the lyrics to his mother's favorite hymn His eye is on the sparrow and I know He watches me The comforting reminder of guidance and provision encouraged him to persevere in his challenging career in broadcast journalism which was ultimately rewarded when CBS offered him a position on *60 Minutes* *A LITTLE BOY BRINGS HOPE BACK INTO A*

WOMAN S LIFE Nancy was reeling from her husband s recent diagnosis of AML a rare form of leukemia when a seven year old boy knocked at her door collecting donations for AML research He smiled at her warmly as he told her how he had had AML since he was two and then he announced proudly that a transplant had saved his life SIR ISAAC NEWTON S APPLE WAS ACTUALLY AN EVERYDAY ORACLE Many are familiar with the story of how Sir Isaac Newton first discovered gravity when an apple fell on his head It is a lesser known fact that Newton was interested in the supernatural Born in the 1600s when astronomy and astrology were considered one and the same the highly respected alchemist looked to the heavens to assist him in his quest to decode the mysteries of the universe The falling apple that arrested his attention acted as a personal oracle In addition to illuminating oracles through examples McQuade discusses the history and science of oracles in general and of personal oracles specifically offering the reader practical instructions for identifying and decoding the divine messages in their own lives The Solution Is in Your Hands Heather Dorothy Pollock,2017-03-06 As a parent or teacher of children with learning or behavioral difficulties you're likely to feel worried or anxious You might also be frustrated and stressed having tried a range of things to help resolve the problems without success In The Solution is in Your Hands author Heather Dorothy Pollock offers a guide to help parents and teachers recognize children are unique individuals who need a safe holistic approach rather than expecting one label or one strategy to fix all It encourages the understanding that more of the same more teaching writing homework or tutoring isn't the answer and won't effectively change anything The Solution is in Your Hands provides a greater understanding of what's happening for the children enabling early intervention the implementation of strategies and the celebration of success It teaches how change will manifest without the need for drugs counseling punishment condemnation or medical intervention and eliminate the need for travel appointments and pressure on the family budget Based on her seventeen years of experiences Pollock shows that with an investment of as little as one hour per month for therapy and fifteen minutes a day for exercises parents and teachers can effectively achieve sustainable results
