On the Road to Santiago Bob Tuggle, 2000 A travel journal relating the experiences of a hiker on an ancient historical trail from the French border across Northern Spain The interesting day to day adventures of a trek along the thousand year old pilgrim's trail which stretches 500 miles across Northern Spain This is a non mystical guide which will be required reading for anyone who is contemplating this journey

Santiago's Way Patricia Laurent, 2014-08-01 Laurent's bold prize winning novel is one of the most important works of fiction to emanate from Mexico in the past 50 years Imagine that all your life you've been guided by someone else Someone who's steered you away from trouble taken you across the world brought you success He's called Santiago and he lives in your head and now he's turned against you The unnamed narrator of this debut novel blunders through life never quite getting things right until the arrival of Santiago a male presence who appears in her mind at the age of 14 Thanks to him the naive innocence that has led her into trouble so many times is gone replaced by a street smart wisdom that makes her attractive and successful with a ruthless streak that gets her out of sticky situations time and time again But as time goes by Santiago's good advice becomes increasingly paranoid From his operations room inside the narrator's mind he tortures her with old photos maps videos the story of everything that has ever gone wrong in her life He causes fits and hallucinations anything to get his way Suddenly Santiago is dangerous and will stop at nothing to be in control

Santiago Mike Resnick, 2022-09-13 When you're the most wanted man alive your legend never dies An adventure of interplanetary law and disorder from the multiple Hugo and Nebula Award winning author Santiago is a legend known far and wide across the galaxy as the greatest killer and thief alive He's the subject of songs the faceless wanted poster on the wall the bogeyman that parents name to scare their children into behaving And he's the target of every bounty hunter in the universe Sebastian Nightingale Cain has quite the reputation himself Known as the Songbird he's a former revolutionary who has killed hundreds of criminals for the right price But one has always eluded him Santiago Now Cain has gotten a lead on the elusive outlaw and it's too hard to resist In a race against a rival bounty hunter Cain's quest will take him to the far flung Frontier planets where he'll encounter aliens and evangelists journalists and cyborgs all of whom have a stake in finding or

protecting Santiago But unraveling the threads of Santiago s life might get Cain tangled up in something far bigger than he ever imagined This is one of those once in a lifetime never to be duplicated stories that ensnare you in such a wondrous universe that you never ever want to leave It will spawn a half dozen sequels and two dozen or more imitators that will feed on our enrapture but there will be only one Santiago The Evening Sun **Road Of Stars To Santiago** Edward F.

Stanton,2021-10-21 In the tradition of Colin Fletcher s The Man Who Walked Through Time and William Least Heat Moon s Blue Highways Edward F Stanton has written a quietly beautiful and engrossing account of his own pilgrimage Road of Stars to Santiago is a personal story of his journey along what has been called the premier cultural route of Europe I undertook a five hundred mile walk along the ancient Camino de Santiago from the French Pyrenees to Santiago de Compostella in northwest Spain the supposed burial site of the apostle St James the Elder and beyond to Finisterre Land s End on the Atlantic coast On my journey I followed the old road whenever possible passing through mountains medieval forests and remote villages as well as modern towns and cities I slept in fields abandoned schools or wherever I could on a thirty day trip that brought me into contact with a whole cross section of Spanish society and with pilgrims from France Belgium Holland Germany and England Most of the book has to do with my own trials and joys on the Road the physical struggle to walk about twenty miles a day in the heat or rain to find a place to eat and sleep with the psychological changes that take place when one leaves home family and routine with the contradictions inherent to a pilgrimage in the late twentieth centuiiy with experiences that ranged from the spiritual to the picaresque with the people I met on the way from shepherds and peasan ts to astrologers and philosophers There are plenty of humorous situations and unexpected turns Edward F Stanton

Santiago de Compostela Roger Rhoades,Nancy Rhoades,2005-07 Roger and Nancy traveled to northern Spain during the St James Holy Year 2004 to walk the ancient St James Camino trail This is a story taken from their daily journal notes An insightful true story of a couples desire to walk the Camino despite a few surprises mistakes and disappointments The story shares their observations and reflections as they strive to reach their destination of Santiago de Compostela Spain **The Santiago Saga** Mike Resnick,2022-09-13 Now in one volume the duology featuring the folk hero who leaves a mark on the galaxy that can never be erased from the multiple Hugo and Nebula Award winning author Santiago Sebastian Cain is a former revolutionary who has killed hundreds of criminals for the right price But one has always eluded him Santiago Now Cain has gotten a lead on the elusive outlaw and it s too hard to resist But unraveling the threads of Santiago s life might get him tangled up in something far bigger than he ever imagined This is one of those once in a lifetime never to be duplicated stories that ensnare you in such a wondrous universe that you never ever want to leave It will spawn a half dozen sequels and two dozen or more imitators that will feed on our enrapture but there will be only one Santiago The Baltimore Evening Sun The Return of Santiago Petty thief Danny Briggs discovers the original manuscript of the balladeer who wandered the spaceways a hundred years ago recording the adventures of larger than life heroes villains and misfits including Santiago
