Quest, 2022-04-12

Organized crime retained its hold on the New York boroughs through neighborhood loyalty As the residents struggled economically due to increasing gentrification the mob was seen as more of a potential savior than the corrupt politicians The one two punch of gentrification and displacement was felt most keenly in the South Brooklyn neighborhoods of Gravesend and Benconhurst In spite of the influx of Yuppies and Hipsters robbing the area of its classic charm the Italian Mafia fought to retain its presentence and control Organized crime was struggling due to relentless pursuit by law enforcement pursuing RICO cases Yet they maintained a presence even if it was diminished in comparison to their legacy Italian American Teresa Cussimano and her nephew Anthony become involved with the mob when they desperately need help But neither Teresa or the mob knew there was an informant working with the F B I to build a RICO case When mob members are finally arrested for Racketeering Teresa feels an obligation to those who helped in her time of need She becomes involved in the trial on the side of the most unlikely of allies      **Greetings From Jamaica, Wish You Were Queer** Mari SanGiovanni, 2006-11-01

Marie Santora has always known her Italian family is a little crazy but they now have a million more reasons to act nuts when she inherits her grandmother s estate It soon becomes clear that the money Marie needs to live comfortably will be decided by her family if they don t get enough of her money she won t live comfortably Marie Plans her escape She ll give her family a parting gift and then move to Hollywood to chase her dream of writing film scripts But with millions at stake it will take more

than a free vacation to Jamaica to get the erratic Santora family to toe the line And the timing couldn't be worse when her hot pursuit changes from screenplay to foreplay Now she has to stop her loud mouthed clan from spilling her secrets as fast as they're swilling Jamaican rum Climb aboard this hilarious rollercoaster ride where Marie is left wishing out was the new in and where every lounge chair is a hot seat when the Santora family ventures this close to the equator The island of Jamaica just may not be big enough

**Fifteen Digits** Nick Santora, 2025-04-08 A gritty thriller set in the world of powerful New York law firms from Nick Santora writer of the hit crime dramas *The Sopranos* *Law Order* *Prison Break* and *Breakout Kings* and the nationally bestselling author of *Slip Fall* Is it really insider trading if you've been an outsider your entire life Five men Five walks of life Every day they come together at the white shoe law firm Olmstead Taft But they're not lawyers They're Printers blue collar guys consigned to the dark basement of the firm charged with copying collating and delivering the mountains of paperwork that document millions of dollars of sensitive legal secrets Until the five are approached by an ambitious young attorney who teaches them what they have insider information Together they make a plan to take the classified documents that pass through their hands every day and use them to get rich They create a joint account to deposit the spoils An account with a safeguard each one only knows one section of the access code Which means that for all five conspirators there's no way out But as too much money piles up to go unnoticed the Printers will discover there's one thing even worse than being an outsider being in too deep

**Blood and the Badge** Michael Cannell, 2025-01-14 For the first time in forty years former New York Times editor Michael Cannell unearths the full story behind two ruthless New York cops who acted as double agents for the Mafia No episode in NYPD history surpasses the depravities of Louis Eppolito and Stephen Caracappa two decorated detectives who covertly acted as mafia informants and paid assassins in the Scorsese world of 1980s Brooklyn For more than ten years Eppolito and Caracappa moonlighted as the mob's early warning alert system leaking names of mobsters secretly cooperating with the government and crippling investigations by sharing details of surveillance phone taps and impending arrests The Lucchese boss called the two detectives his crystal ball Whatever detectives knew the mafia soon learned Most grievously Eppolito and Caracappa earned bonuses by staging eight mob hits pulling the trigger themselves at least once Incredibly when evidence of their wrongdoing arose in 1994 FBI officials failed to muster an indictment The allegations lay dormant for a decade and were only revisited due to relentless follow up by Tommy Dades a cop determined to break the cold case before his retirement Eppolito and Caracappa were finally tried and then sentenced to life in prison in 2009 nearly thirty years after their crimes took place Cannell's *Blood and the Badge* is based on entirely new research and never before released interviews with mobsters themselves including Sammy the Bull Gravano Eppolito and Caracappa's story is more relevant than ever as police conduct comes under ever increasing scrutiny
