JOHNSON, 2025-05-22 Sappho The Lesbian A Monograph delves into the life and work of Sappho the renowned lyric poet from ancient Greece This insightful exploration examines Sappho's poetry her cultural context and her enduring legacy as an icon of female expression and same sex love Thomas George Johnson presents a detailed study of Sappho's contributions to literature and her significance in shaping perceptions of female sexuality throughout history This book offers a unique perspective on Sappho's poetry exploring themes of love desire and the female experience It provides valuable historical context shedding light on the social and cultural norms of ancient Greece and their influence on Sappho's work Sappho The Lesbian remains a relevant and important resource for scholars students and anyone interested in classical literature women's history and LGBTQ studies This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Sisters of Sappho** , 1969 The Complete Poems of Sappho (illustrated) Sappho, 2021-02-01 Sappho is widely recognized as one of the great poets of world literature an author whose works have caused her readers to repeat in many different forms Strabo's amazed epithet when he wrote that she could only be called a marvel The reception of Sappho's poetry even through the twentieth century offers a case study of the conflicts induced by the sexual preferences she seemingly alludes to in her verse Little is known with certainty about the life of Sappho or Psappha in her native Aeolic dialect She was born probably about 620 B C to an aristocratic family on the island of Lesbos during a great cultural flowering in the area In antiquity Sappho was regularly counted among the greatest of poets and was often referred to as the

Poetess just as Homer was called the Poet *Sappho* Nancy Freedman,2014-11-18 In this finely drawn portrait Sappho of Lesbos narrates her extraordinary life from her childhood in war torn Mitylene to her later relentless search for passionate love Driven by the all consuming fever of her Muse inspired poetic gift Sappho leads the reader on a journey that is at once turbulent and divine desperate and sensuous With breathtaking lucidity and great leaps of imagination Nancy Freedman shows us a Sappho we have never known and one we will never forget The toast of kings for her verse Sappho was also a shrewd businesswoman an educator an advocate of women s equality and a rebel who was banished from her island home Remembering her solely as a lesbian icon reveals only one aspect of her multifaceted personality Here finally Nancy Freedman gives us the complete Sappho She was arguably the most accomplished lyric poet of the ancient world but her writing was all but destroyed by the early Church Only in this century have fragments been uncovered so that we too may glimpse the force of this strangely enigmatic woman Contradictory in nature she inspired equally passionate adoration and loathing her fame brought her a series of obsessive loves Her relations with women are well known but it was for the love of a man that she set sail to face her destiny *Sappho Is Burning* Page duBois,1995 To know all we know about Sappho is to know little Her poetry dating from the seventh century B C E comes to us in fragments her biography as speculation How is it then Page duBois asks that this poet has come to signify so much *Sappho Is Burning* offers a new reading of this archaic lesbian poet that acknowledges the poet s distance and difference from us and stresses Sappho s inassimilability into our narratives about the Greeks literary history philosophy the history of sexuality the psychoanalytic subject In *Sappho Is Burning* duBois reads Sappho as a disruptive figure at the very origin of our story of Western civilization Sappho is beyond contemporary categories inhabiting a space outside of reductively linear accounts of our common history She is a woman but also an aristocrat a Greek but one turned toward Asia a poet who writes as a philosopher before philosophy a writer who speaks of sexuality that can be identified neither with Michel Foucault s account of Greek sexuality nor with many versions of contemporary lesbian sexuality She is named as the tenth muse yet the nine books of her poetry survive only in fragments She disorients troubles undoes many certitudes in the history of poetry the history of philosophy the history of sexuality DuBois argues that we need to read Sappho again *Sappho: Lesbian Fragments* Sappho,1991 **Sappho and Alcaeus.**

An Introduction to the Study of Ancient Lesbian Poetry. By Denys Page. [The Poems and Longer Fragments of Sappho and Alcaeus, with Translations, Commentaries and Explanatory Essays.]. Denys Lionel Page,SAPPHO.,1955

The Other Sappho Ellen Frye,1989 Obscure Greek folklore inspires this novel about a young lesbian slave named Lykaina wolf woman After her mistress instructs her to seek out the elegant Sappho and her famous school of poetry Lykaina undertakes her own small odyssey from Sparta to the celebrated island of Lesbos En route she meets Maia a travel companion extraordinaire who initiates her into the worship of the Earth Mother Once in Sappho s home Lykaina thrives This is a palace of love This is a land of poetry Here I belong Eventually however she leaves the court offended by the other poets disdain for the less privileged Lykaina returns to Maia who urges her to recite for the country people so close to her heart With Maia s patronage the other Sappho evolves her own school of poetry From descriptions of markets and clothing to expositions of women s love affairs and the art of verse Frye The Marble Threshing Floor A Collection of Greek Folk Songs shores up her imaginings with persuasive research Goodreads

Sappho of Lesbos Jefferson Cooper,1964 The perverse pleasures of her orgies and her sexual excesses paled before the flooding desire she felt with her virile warrior Sappho Jane Montgomery Griffiths,2010 2700 years ago Sappho is the world s first love poet the tenth muse of the ancient Greeks and the inspiration for every lovelorn writer and songster since But as the centuries have passed with the coming and goings of hundreds of libidinous handymen restoring her buttresses history has caught up with Sappho Her tale has become a gap in time for new generations to pour their needs and desires but what is the truth behind her own story Placed alongside a modern love story of sensuality sexual awakening and broken hearts Sappho in 9 Fragments exposes the timeless undoing of love 1 act 1 female

The Sappho Companion Margaret Reynolds,2001 Born around 630BC on the Greek island of Lesbos Sappho is now regarded as the greatest lyrical poet of ancient Greece ironic and passionate capturing the troubled depths of love Her work survives only in fragments yet her influence extends throughout Western literature fuelled by the speculations and romances which have gathered around her name her story and her sexuality This remarkable anthology brilliantly displays the way different periods have taken up Sappho s haunting story bringing together many different kinds of work We see her image change re created in Ovid s poetry and Boccaccio s tales in translations by Pope Rossetti and Swinburne Baudelaire in the modern versions of Eavan Boland Ruth Padel and Jeanette Winterson
