## Sarah's Idea:

**Sarah's Revenge** Gail Loreth, 2014-02 After Henry Jacobs literally runs into Jillian Brooks when he backs into her front bumper in a shopping center parking lot she exchanges insurance information with the stranger without any idea that a small crinkle in a fender is about to escalate into months of terror After she is stalked and tormented for six months by Jacobs Jillian finally puts an end to her torture by firing a fatal bullet into Jacobs's brain Now after months of therapy and a move into a new house built by her husband's construction company it seems life is returning to normal or so she thinks When she starts receiving phone calls with nothing but silence on the other end and psychotic notes with her name written in red Jillian wonders if it is someone's idea of a bad joke or if something more sinister is in the works Fearing she is the object of another killer's desire Jillian has no choice but to summon help from her detective friend Carol Hobbs In this gripping thriller a woman in fear for her life must battle to protect herself and her husband and daughter from a killer driven by cold blooded revenge

***Sarah's Game*** Stephan Marlow, Ken White, 2012-10 A Movie Length Tale from Aisle Seat Books A hardball TV sports reporter learns that the gambling scandal that drove her potential Hall of Fame father from major league baseball was a setup With the help of an idealistic sportscaster a former teammate of her father's and her girlhood heartthrob she sets out to clear her father's name

***Sarah's Last Secret*** Jack Trammell, 2001-11 General Fiction How well do we really know the people who are closest to us Jack Baird knows everything about his wife or so he thinks One terrible secret seemingly insignificant is powerful enough to wreck a relationship and possibly even end lives

***Lady Sarah's Redemption*** Beverley Oakley, Beverley Eikli, 2021-03-22 When spoiled heiress Lady Sarah Miles assumes the identity of a drowned governess to escape an undesirable marriage she never expected to fall in love with her employer or become so attached to her difficult charge Caro After a month living at the grand estate of reformist MP Roland Hawthorne where she is governess to the widower's rebellious sixteen year old daughter Sarah is greatly changed Gaining Caro's trust and earning Roland's love is much more important to her than new ballgowns and dancing slippers But Sarah's deceit has played into the hands of an unexpected adversary a man who wants to punish Roland and who uses Caro as a pawn in a high stakes game of revenge Now Sarah must risk everything she holds dear if she's to save Caro protect Roland from the past and redeem herself Heat rating Sweet but filled with intrigue and the unexpected What readers are saying Dramatic heartfelt and unusual Eikli sweeps you away into a dangerous world where only the most daring player wins love Best selling romance writer Anna Campbell Pleasurable regency that has a lot of actions with turns Sweet and clean with no sex is just how I like them Kindle Reader The love story romance was clean and wholesome The ending left you feeling warm and fuzzy Kindle Reader Full of action scandal and a tumultuous love story If you like historical fiction with suggested romance or sweet and HEA this is the book for you Kindle Reader I enjoyed this twist on the old gothic novel standby plot of the governess in the mysterious household This imaginative writer stands a lot of the expected clichés on their heads and treats the reader to something

rather different and refreshing Long and Short Reviews      Reclaiming Her Story Jon L. Berquist, 2006-01-09 Their stories are as varied as the women who lived them provocative poignant often painful But they are not readily accessible to us The voices are muted The shapes and textures are blurred and easily distorted Can the stories of Old Testament women of faith be reheard and reclaimed in an empowering way by women and men today With remarkable sensitivity and a keen awareness of his own unavoidable male biases Jon Berquist casts new light on Eve and Sarah Lot's wife and Jephthah's daughter Ruth and Esther and others This timely volume serves as a valuable resource for rediscovering the multiple witness of biblical women that has all too often gone unnoticed in the church's faith and life      **A Little Brass Book of Full Metal Fiction** Douglas E. Winter, 2021-01-28 The thirteenth in the first series of Little Books from Borderlands Press is A Little Brass Book of Full Metal Fiction This is a collection of short stories about guns The author is the editor of two bestselling anthologies Prime Evil and Revelations and the author of the novel Run He is a World Fantasy award winner Included in this collection one more red nightmare black coffee history is of ages past murder blessed assurance going south nothing at all      **Seeds of Turmoil** Bryant Wright, 2023-12-19 Dive into the biblical history that provides a clear in depth explanation of the origin history and significance of the Middle East conflict Starting with Abraham learn how he became the father of 3 religions how his sons rivalry planted the roots for turmoil and how the nations of Israel and Palestine continue this stalemate in current affairs The current conflict in the Middle East began long before the creation of the state of Israel in 1948 It originated when Abraham sinned distorting God's promise that he and his heirs would make a great nation and inherit the land now called The Holy Land A historical and political account Seeds of Turmoil clearly explains the biblical story of Abraham Sarah and Hagar and the ensuing sibling rivalry between Jacob and Esau whose choices formed the world's three most influential religions Judaism Christianity and Islam This fascinating insight into the beginnings of the conflict also explains what about the land is so important today In addition Wright sheds light on the conflicting Jewish Christian and Islamic perspectives and answers the question Does God play favorites A faith based view on Middle Eastern relations Seeds of Turmoil provide the historical context for a modern understanding of how and why these current events take place      **Vampire Leaders Suck** Patrice W. Glenn Jones, 2025-09-19 Vampire Leaders Suck sheds light on the characteristics and impacts of a form of toxic leadership that sucks the life out of individuals groups and organizations      *Sarah's Promise* Devra West, 2003 An absolute must read on the topic of the Middle East A profound catalyst for the timely questions of the human heart A critical call for the deepest of personal introspection and proactive response Sarah's Promise is an extraordinary odyssey of the inner and outer exploration of the questions of the ages and the immediate crucial decisions facing the human race through the conflict in the Middle East Dr West shares a profoundly intimate heart rending and intensely frank view of life as a peacemaker in a region of timeless wisdom and ruthless conflict She has journeyed extensively throughout the Middle East region giving her a visceral first hand experience of the issues influences and unique challenges that make this part of the world a global hot

spot The magnitude of Devra s inner exploration in the midst of orchestrating an international peace effort demands that a personal quest be engaged on the part of the reader and is sure to inspire many questions of far reaching impact for all who enter her world of deep contemplation and passionate desire to make a difference The first in a series Sarah s Promise is a must read for anyone wanting to gain greater insight into the polarized nature of peace and conflict in Israel and Palestine and the critical planetary dilemma that must be addressed by all responsible world citizens [Read Me Like a Book](#) Jason Cusick,2014-06-05 Many pastors feel overwhelmed and ill equipped to deal with the counseling issues in their congregations But pastors are actually better equipped for counseling than they realize Hermeneutics homiletics pastoral care and counseling all share a common foundation in the field of interpretation With this book pastors can learn to interpret people with the same expertise they use to interpret Scripture Read Me Like a Book offers a simple practical and theoretically sound approach to help pastors leverage their exegetical skills to improve their pastoral counseling **Right By Design** Ed Henshall,2023-03-10 Product design is becoming increasingly challenging as product complexity increases dramatically with the advent of autonomous control and the need to achieve zero emissions Companies continue to have poor product launches with significant numbers of recall campaigns and high after sales warranties It is important that potential product failures are identified and fixed during the design of a product Failure modes found after the design has matured are normally easy to find with some being identified by the customer but are often difficult and expensive to fix modifying one part will often have a knock on effect on other parts causing other problems Discovering failure modes early in the design process is often difficult requiring rigorous and comprehensive analysis but once found such failure modes are usually easy and cheap to fix This book presents an approach to product design based on Failure Mode Avoidance that utilises a series of strongly interrelated engineering tools and interpersonal skills that can be used to discover failure modes early in the design process The tools can be used across engineering disciplines Despite engineering being largely a team activity it is often the case that little attention is paid to the team process after the team membership has been identified with membership normally being based on technical expertise In addition to technical expertise an effective engineering team requires individual engineers to work together efficiently Good leadership is also required with the leader able to both manage change and encourage individual team members to work to the best of their ability This book interweaves technical skills team skills and team leadership in a way that reflects their real life interrelationship The book tells the fictional story of a small engineering team and its leader as they implement the skills introduced in the book and follows their experiences reflecting individual difficulties enthusiasm humour and scepticism in applying the methodologies and tools for the first time In addition the story tells of team members interactions with their management and peers within a company that having been very successful finds itself in financial difficulties It promotes constructivist learning through the reader empathising with the characters in the book These characters ask questions that are typical of those that learners will ask about the subject matter Learning

reinforcement is also integrated into the storyline as a natural and unobtrusive feature

**The Challenge of Front-Line Management** Carolyn L. Facheau, Katherine A. Jackson, Ronald R. Sims, John G. Veres, 2000-11-30 As the way work is done changes and as organizations flatten themselves down in response to demands posed by the new global economy managers on the front lines where some say the real work is done need a broader set of skills than ever before They must learn to see their jobs differently to become tougher and more durable but they must also become more flexible in how they interact with the organization itself and its changing work and economic environments The authors emphasize key tasks that front line managers must do today such as strategic planning budgeting quality management and benchmarking and how they must focus attention on their customers until now far removed and perhaps out of mind They must also recognize the need for effective information systems and find ways to align their immediate work units with larger organizational strategies and processes In short the authors offer essentially a new paradigm for the way management should now be practiced in a far ranging book that today's managers will need to keep pace with changes that could threaten their careers and a book that offers others on the way up a way to start their own careers on the right foot Becoming an effective front line manager starts with understanding the job The authors begin with a comprehensive look at what it means to be a front line manager and the special challenges they face They must become all things to all people say the authors and at the same time consider other perhaps unfamiliar challenges such as safety and health concerns Front line managers today must also learn to grow and adapt to changing work environments The authors present an extensive view of these new tasks and roles and detail the ways in which front line managers can address and overcome the obstacles they will find The book is a readable thought provoking study of special interest to teachers of general management courses on the undergraduate and graduate levels

**Sarah's Story** Sarah Barnes, 2015-01-24 Memories of a lifetime chronicled in stories poems and essays Explore a childhood from a simpler time and place A working class neighborhood in Detroit filled with front porch neighbors vacant lots and baseball games A teenager's first love along her road to becoming a young wife struggling to raise four children A story of one woman's journey through life A story of love from beginning to end Her story her decisions her consequences Sarah's Story

**Sarah's Psalm** Florence Ladd, 1997-08-05 Against the background of the civil rights movement and the beginnings of Afrocentrism in the late 1960s Florence Ladd tells the story of a young African American woman's search for her love and identity a journey that takes her from Massachusetts to Senegal and from a stifling marriage to a life filled with the riches of a new culture marriage and motherhood

Sarah's Story Helen Susan Swift, 2021-12-11 In 19th century Isle of Wight Sarah Bembridge sets on a journey of adventure and misadventure With Napoleon Bonaparte just across the Channel poised to invade Sarah has other things on her mind First she rescues a shipwrecked sailor who she suspects to be French Soon after she gets engaged with a handsome officer And when the mysterious Mr Howard calls at her inn Sarah's life becomes even more complicated A rollicking romance that sees Sarah search for a suitable husband across the backdrop of the Napoleonic War her story takes her from deserted manor houses to country inns ancient standing stones to bright churches and lonely cottages But can she find her true love

**Psychoanalytic Perspectives on Puberty and Adolescence** Gertraud Diem-Wille, 2020-12-31 Puberty is a time of tumultuous transition from childhood to adulthood activated by rapid physical changes hormonal development and explosive activity of neurons This book explores puberty through the parent teenager relationship as a normal state of crisis lasting several years and with the teenager oscillating between childlike tendencies and their desire to become an adult The more parents succeed in recognizing and experiencing these new challenges as an integral ineluctable emotional transformative process the more they can allow their children to become independent In addition parents who can also see this crisis as a chance for their own further development will be ultimately enriched by this painful process They can face up to their own aging as they take leave of youth with its myriad possibilities accepting and working through a newfound rivalry with their sexually mature children thus experiencing a process of maturity which in turn can set an example for their children This book is based on rich clinical observations from international settings unique within the field and there is an emphasis placed by the author on the role of the body in self awareness identity crises and gender construction It will be of great interest to psychoanalysts psychotherapists parents and carers as well as all those interacting with adolescents in self family and society

**The Power of Woman** Pamela R. Durso, 2003 Sarah Moore Grimke 1792-1873 wanted to become a useful member of society a goal she met through her impressive contributions to American social reform during the 1830s The issue that loomed largest during that decade was

slavery and Sarah became a spokeswoman for and a leader in the abolition movement As a Southern gentlewoman her contributions were unique in that she critiqued the institution based on personal experience But Sarah did more than fight for the rights of slaves Perhaps her greatest contribution was as an advocate of women s rights Her feminist beliefs are set forth in her *Letters on the Equality of the Sexes* 1838 In this collection of letters she implemented a new hermeneutic to interpret biblical verses traditionally considered to subject women to the tyranny of men She confronted the subjugation of women based on divine authority and rejected patriarchal interpretations of Scripture Based on her interpretation of Scripture Sarah advocated full equality for women in education vocation politics and finances She became a role model for many women who later became leaders in the suffrage movement and is still a role model for many today Sarah Moore Grimke confronted racism and prejudice within church society and herself Most books and articles dealing with the Grimke sisters focus on Angelina and no biography has been written of Sarah This is the first book length treatment of Sarah s life and work and as such is indispensable reading for those interested in women s studies racism suffrage history and religious history
