Stewart, Sharon Roberta Stewart, 2011 A biographical account of the life of Norman Bethune detailing the story of his life including his career as a surgeon his fight to eradicate tuberculosis his commitment to establish a medicare system in Canada and his communist ideologies through considerable research and interviews with friends family former patients and colleagues **Walker Percy** Gary M. Ciuba, 2010-09-01 In Walker Percy Books of Revelations Gary M Ciuba examines how

Percy's apocalyptic vision inspires the structure themes and strategies of his fiction This book explores the unity of the southern novelist's fiction by focusing on its religious and artistic design one of the first studies to approach Percy's work from this perspective Ciuba considers Percy's six published novels *The Moviegoer* *The Last Gentleman* *Love in the Ruins* *Lancelot* *The Second Coming* and *The Thanatos Syndrome* and also offers the first extended critical analysis of his unpublished work *The Gramercy Winner* Although the novels are often seen as increasingly satiric jeremiads about the possible doom of America Ciuba argues that Percy's fiction is principally shaped by a demythologized and partially realized form of eschatology This apocalyptic vision has less to do with the end of the external world than with the demise of the protagonists internal worldviews According to Ciuba Percy does more than offer direly comic warnings about the end of the world he shows how the world actually ends and then may begin again in the everyday lives and extraordinary loves of his astonished seers Tuberculosis and Nontuberculous Mycobacterial Infections David L. Branch Rickey Lee Lowenfish,2022-08-15 He was not much of a player and not much more of a manager but by the time Branch Rickey 1881 1965 finished with baseball he had revolutionized the sport not just once but three times In this definitive biography of Rickey the man sportswriters dubbed The Brain The Mahatma and on occasion El Cheapo Lee Lowenfish tells the full and colorful story of a life that forever changed the face of America s game As the mastermind behind the Saint Louis Cardinals from 1917 to 1942 Rickey created the farm system which allowed small market clubs to compete with the rich and powerful Under his direction in the 1940s the Brooklyn Dodgers became truly the first America s team By signing Jackie Robinson and other black players he single handedly thrust baseball into the forefront of the civil rights movement Lowenfish evokes the peculiarly American complex of God family and baseball that informed Rickey s actions and his accomplishments His book offers an intriguing richly detailed portrait of a man whose life is itself a crucial chapter in the history of American business sport and society *Federal Correctional Facility Construction, Preston County ,1999*

The Agency Frank Rose,1996 The story of the William Morris Agency is the stoyr of show business itself Founded at the turn of the century it stood as the premier agency in Hollywood for 80 years With unvarnished descriptions of the board that runs William Morris and the needy and demanding stars they represent The Agency is a compelling tale that lifts the curtain on the most intriguing business in Americ today Photos *Arequipa Sanatorium* Lynn Downey,2019-09-12 As San Francisco recovered from the devastating earthquake and fire of 1906 dust and ash filled the city s stuffy factories stores and classrooms Dr Philip King Brown noticed rising tuberculosis rates among the women who worked there and he knew there were few places where they could get affordable treatment In 1911 with the help of wealthy society women and his wife Helen a prot g of philanthropist Phoebe Apperson Hearst Brown opened the Arequipa Sanatorium in Marin County Together

Brown and his all female staff gave new life to hundreds of working class women suffering from tuberculosis in early twentieth century California Until streptomycin was discovered in the 1940s tubercular patients had few treatment options other than to take a rest cure at a sanatorium and endure its painful medical interventions For the working class and minorities especially women the options were even fewer Unlike most other medical facilities of the time Arequipa treated primarily working class women and provided the same treatment to all including Asian American and African American women despite the virulent racism of the time Author Lynn Downey s own grandmother was given a terminal tuberculosis diagnosis in 1927 but after treatment at Arequipa she lived to be 102 years old Arequipa gave female doctors a place to practice female nurses and social workers a place to train and white society women a noble philanthropic mission Although Arequipa was founded by a male doctor and later administered by his son the sanatorium s mission was truly about the women who worked and recovered there and it was they who kept it going Based on sanatorium records Downey herself helped to preserve and interviews she conducted with former patients and others associated with Arequipa Downey tells a vivid story of the sanatorium and its cure that Brown and his talented team of Progressive women made available and possible for hundreds of working class patients

Exposing the Wilderness Robert Bogdan,1999-10-01 Robert Bogdan combines a richly descriptive text with striking illustrations to create vivid biographical sketches of these pioneer photographers who worked their individual styles to illuminate six different regions of the Adirondack Mountains The book also provides insight into the popular culture of the times mainly through postcards but it also takes an in depth look at the families and work lives of these artisans as they plied their trade in the popular venue of commercial postcards Aside from the Adirondack locals and a few postcard connoisseurs the gifted folk artists and craftspeople profiled here were virtually unknown until now Bogdan

has collected nearly 250 illustrations including postcards and photographs depicting Adirondack life of the time Many of these images have never before been published
