Wells,2016-09-14 This book is a collection of eight short stories written by H G Wells The Short Stories of H G Wells constitutes a must have for lovers of the short story form and is not to be missed by fans of Wells fantastic work Herbert George Wells 1866 1946 was a prolific English writer who wrote in a variety of genres including the novel politics history and social commentary Today he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as The Time Machine 1895 The Invisible Man 1897 and The War of the Worlds 1898 The Father of Science Fiction was also a staunch socialist and his later works are increasingly political and didactic The stories include The Time Machine The Empire of the Ants A Vision of Judgement The Land Ironclads The Beautiful Suit The Door in the Wall The Pearl of Love and The Country of the Blind Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this book now in an affordable modern high quality edition complete with a specially commissioned new biography of the author Mrs. Golightly and Other Stories

Ethel Wilson,2010-09-21 The eighteen pieces collected in Mrs Golightly and Other Stories bring together the many and subtle voices of Ethel Wilson demonstrating her extraordinary range as a writer From the gentle mockery of the title story to the absurdist reportage of Mr Sleepwalker Wilson exerts unerring narrative control Revealing what is simple and complicated and timeless in everyday life these stories also venture into irrational realms of experience where chance encounters assume a malevolent form and coincidence transmuted into nightmare First published in 1961 Mrs Golightly and Other Stories is a diverse and rewarding collection unified by Ethel Wilson's distinct and engaging wit Underground

Spirit: 1983 to 1989 Gémino H. Abad,2010 Because of the ever present danger of arrest and torture during the years of the Marcos dictatorship 1972 to 1986 the writers were driven to other forms or guises of the short story such as fantasy sci fi tale and parable But whatever the form you come away from the story with an image of a lifetime or a moment lived that the story's words have evocatively forged and that image sums up and makes into a whole the story's meaningfulness by which its form has been achieved Back cover
