first volume Kuyper discusses how Satan's kingdom opposes, undermines and obscures Christ's kingship. He then lays out the kingship of Christ according to Scripture. From his vantage point at the dawn of the 20th century, Kuyper explains the scope of Christ's dominion over all of life in his own culture yet does so in a way that also strikingly impacts the 21st century reader. This new translation of *Pro Rege* created in partnership with the Abraham Kuyper Translation Society and the Acton Institute is part of a major series of new translations of Kuyper's most important writings. The Abraham Kuyper Collected Works in Public Theology marks a historic moment in Kuyper studies aimed at deepening and enriching the church's development of public theology.
