God Gave Rock and Roll to You Leah Payne, 2024-01-04 An entertaining history of the soundtrack of American evangelical Christianity Few things frightened conservative white Protestant parents of the 1950s and the 1960s more than thought of their children falling prey to the menace to Christendom known as rock and roll The raucous sounds of Elvis Presley and Little Richard seemed tailor made to destroy the faith of their young and in the process undermine the moral foundations of the United States Parents and pastors launched a crusade against rock music but they were fighting an uphill battle Salvation came in a most unlikely form Well maybe not that unlikely the long hair the beards the sandals but still a far cry from the buttoned up conservatism they were striving to preserve Yet when a revival swept through counterculture hippie communities of the West Coast in the 1960s and 1970s a new alternative emerged Known as the Jesus Movement and its members more colloquially as Jesus freaks the revival was short lived But by combining the rock and folk music of the counterculture with religious ideas and aims of conservative white evangelicals Jesus freaks and evangelical media moguls gave birth to an entire genre known as Contemporary Christian Music CCM By the 1980s and 1990s CCM had grown into a massive multimillion dollar industry Contemporary Christian artists were appearing on Top 40 radio and some most famously Amy Grant crossed over into the mainstream And yet today the industry is a shadow of what it once was In this book Leah Payne traces the history and trajectory of CCM in America and in the process demonstrates how the industry its artists and its fans shaped and continue to shape conservative mostly white evangelical Protestantism For many outside observers evangelical pop stars interpretive dancers puppeteers mimes and bodybuilders are silly expressions of kitsch Yet Payne argues that these cultural products were sources of power meaning and political activism Throughout she draws on in depth interviews with CCM journalists publishers producers and artists as well as archives sales and marketing data fan magazines merchandise everything that went into making CCM a thriving subculture Ultimately Payne argues CCM spurred evangelical activism in more potent and lasting ways than any particular doctrine denomination culture war or legislative agenda had before **Oriental Stories, Vol 2, No. 1 (Winter 1932)** John Gregory Betancourt, Robert E. these heroes worth following and the scoundrels to avoid This book has stories from the Bible about heroes from our culture and a few scoundrels These are stories that I taught to my kids while they were growing up I read them in the Bible then told them while we were doing dishes I think telling them is much better than just reading them to kids It means more It says that mom or dad actually know and believe what they are telling It imprints a child's mind to hear stories of heroes who dared to stand for God in spite of temptations to give in That is what makes a hero *The Collected Stories of William Goyen* William Goyen,1975 *The Letter in the Cedar Chest* cited by Bullough *Dramatic Mirror of Motion Pictures and the Stage* ,1917
