Publications Systems Department,1983      Books in Print ,1982      **A Study of Action-adventure Fiction** William Henry Young,1996 Employing hitherto closed access to the histories of several publishing houses this is an investigation of the action adventure novel chronicling the rise and fall of small enterprises which first saw the potential in such an approach to fiction It focuses first on the creations of Don Pendleton tracing his 38 book series The Executioner and examining the evolution of the series under a growing number of writers The study also includes a commentary on the many Mack Bolan imitators      The Lord SENT It Troy J. Edwards,2016-11-16 There are numerous places in Scripture where God says that He will send or is said to have sent a disaster a plague pestilence delusion an evil spirit a cruel and ruthless enemy army ferocious man eating wild animals and other harsh judgments Atheists use such passages to castigate the God of the Bible Some theologians use such passages to present theological views of God that make Him appear to be harsh unloving and unfair Other Christians avoid such passages altogether believing that certain parts of the Bible are too difficult or irrelevant However an often neglected principle of Bible interpretation is found in the statement that God is said to send or to have sent that which He merely did not prevent or hinder When we understand this truth then we get a better picture of the God who is exactly like Jesus Christ      **Commentary Upon the Acts of the Apostles, Volume Two** John Calvin,2021-07-10      **Encyclopedia of Pulp Fiction Writers** Lee Server,2014-05-14 Provides an introduction to American pulp fiction during the twentieth century with brief author biographies and lists of their works
