Rube Foster in His Time Larry Lester, 2012-09-18 Although Andrew Rube Foster 1879-1930 stands among the best African American pitchers of the 1900s, this baseball pioneer made his name as the founder and president of the Negro National League, the first all-black league to survive a full season. In addition to founding this groundbreaking black-owned and operated business, Foster also founded and managed the Chicago American Giants, one of the most successful black baseball teams of the pre-integration era. This definitive biography combines period editorials and correspondence with insightful narrative to provide a comprehensive portrait of this innovative Hall of Famer. From the unstructured early days of black baseball when Foster gained glory as a hard-throwing pitcher through his struggles to establish the NNL and the Giants to his tragic death from complications of syphilis, this work pays overdue tribute to an authentic American baseball icon.

Play Harder Gerald Early, National Baseball Hall of Fame, 2025-04-29 An authoritative exploration of how Black Americans have shaped baseball from its emergence after the Civil War to the Negro Leagues and Jackie Robinson's breaking of the color barrier up to today's game by award-winning author Gerald Early in collaboration with the National Baseball Hall of Fame. No sport has been more associated with America's sense of itself with its identity than baseball. No sport has been so inextricably bound with America's traditions with its notions of democracy and fair play than baseball. And no professional sport in America has been as dramatically connected to social change as Major League Baseball when it became racially integrated the moment Jackie Robinson took the field with the Brooklyn Dodgers on April 15, 1947. *Play Harder* comes at a time when the history of Black baseball has become especially relevant following MLB's recent recognition of the Negro Leagues as major leagues and the effort to incorporate statistics from the Negro Leagues into those for all players. Before Robinson, as *Play Harder* shows, Black athletes played baseball as far back as the 1800s, even before the

establishment of the Negro Leagues But once founded in 1920 the Negro Leagues gave Black Americans an inroad to baseball that would be enduring and profound The leagues were an instrument of community building during a time when discrimination separated Black people from all white enterprises including baseball and they paved the way for racial integration that Black players hoped would come Play Harder showcases the Black stars of the game those from baseball s early years such as Moses Fleetwood Walker and Rube Foster Negro Leagues stars like Satchel Paige and Cool Papa Bell Jackie Robinson and those who crossed the color line after him like Hank Aaron and Willie Mays followed by Frank Robinson and Curt Flood and the stars who ushered in today s game such as Reggie Jackson Dave Winfield Barry Bonds and Ken Griffey Jr Playing out against the cultural and political events of 150 years the story bears witness to the richness of this country s diversity while remaining clear eyed about the racial injustice endured by Black Americans In the end Play Harder celebrates the triumph of some of baseball s greatest players and their remarkable contributions to the game we know and love today
