**Swift and History** Ashley Marshall, 2015-04-23 This book explores the

importance of history to Jonathan Swift through close reading of his historical polemical and satirical writings     The Ends of Satire Daniel Bowles,2015-02-24 How are we to think of satire if it has ceased to exist as a discrete genre This study proposes a novel solution understanding the satiric in the postwar era as a set of writing practices figures of inversion myth making and citation By showing how writers and theorists alike deploy these devices in new contexts this book reexamines the link between German postwar writing and the history of satire and between literature and theory     The Oxford Handbook of the Eighteenth-Century Novel J. A. Downie,2016-09-01 Although the emergence of the English novel is generally regarded as an eighteenth century phenomenon this is the first book to be published professing to cover the eighteenth century English novel in its entirety This Handbook surveys the development of the English novel during the long eighteenth century in other words from the later seventeenth century right through to the first three decades of the nineteenth century when with the publication of the novels of Jane Austen and Walter Scott the novel finally gained critical acceptance and assumed the position of cultural hegemony it enjoyed for over a century By situating the novels of the period which are still read today against the background of the hundreds published between 1660 and 1830 this Handbook not only covers those masters and mistresses of early prose fiction such as Defoe Richardson Fielding Sterne Burney Scott and Austen who are still acknowledged to be seminal figures in the emergence and development of the English novel but also the significant number of recently rediscovered novelists who were popular in their own day At the same time its comprehensive coverage of cultural contexts not considered by any existing study but which are central to the emergence of the novel such as the book trade and the mechanics of book production copyright and censorship the growth of the reading public the economics of culture both in London and in the provinces and the re printing of popular fiction after 1774 offers unique insight into the making of the English novel     *History Beyond the Text* Sarah Barber,Corinna Peniston-Bird,2013-02-01 Historians are increasingly looking beyond the traditional and turning to visual oral aural and virtual sources to inform their work The challenges these sources pose require new skills of interpretation and require historians to consider alternative theoretical and practical approaches In order to help historians successfully move beyond traditional text Sarah Barber and Corinna Peniston Bird bring together chapters from historical specialists in the fields of fine art photography film oral history architecture virtual sources music cartoons landscape and material culture to explain why when and how these less traditional sources can be used Each chapter introduces the reader to the source suggests the methodological and theoretical questions historians should keep in mind when using it and provides case studies to illustrate best practice in analysis and interpretation Pulling these disparate sources together the introduction discusses the nature of historical sources and those factors which are unique to and shared by the sources covered throughout the book Taking examples from around the globe this collection of essays aims to inspire practitioners of history to expand their horizons and incorporate a wide variety of primary sources in their work     **British Women Satirists in the Long Eighteenth Century** Amanda

Hiner, Elizabeth Tasker Davis, 2022-04-07 This collection of innovative essays by leading scholars on eighteenth century British women satirists showcases women's contributions to the satiric tradition and challenges the assumption that women were largely targets rather than practitioners of satire during the long eighteenth century The essays examine women's satires across diverse genres from the fable to the periodical and attend to women writers' appropriation of a literary style and form often viewed as exclusively masculine The introduction features a new theory of women's satire and proposes a framework for analyzing satiric techniques employed by women writers Organized chronologically the contributors' essays address a wide range of authors and explore the ways in which satiric writings by women engaged in contemporary cultural conversations influencing assumptions about gender sociability politics and literary practices This inclusive yet tightly focused collection formulates an innovative and provocative new feminist theory of satire *Libel and Lampoon* Andrew Benjamin Bricker, 2022 Explores the mutually shaping influences of legal developments over the eighteenth century and the expression and form of satire in the period from satirical literature to non verbal forms including caricature **A Handbook of Romanticism Studies** Joel Faflak, Julia M. Wright, 2016-01-19 The Handbook to Romanticism Studies is an accessible and indispensable resource providing students and scholars with a rich array of historical and up to date critical and theoretical contexts for the study of Romanticism Focuses on British Romanticism while also addressing continental and transatlantic Romanticism and earlier periods Utilizes keywords such as imagination sublime poetics philosophy race historiography and visual culture as points of access to the study of Romanticism and the theoretical concerns and the culture of the period Explores topics central to Romanticism studies and the critical trends of the last thirty years **Humans and Other Animals in Eighteenth-Century British Culture** Frank Palmeri, 2020-07-09 Combining historical and interpretive work this collection examines changing perceptions of and relations between human and nonhuman animals in Britain over the long eighteenth century Persistent questions concern modes of representing animals and animal human hybrids as well as the ethical issues raised by the human uses of other animals From the animal men of Thomas Rowlandson to the part animal part human creature of Victor Frankenstein hybridity serves less as a metaphor than as a metonym for the intersections of humans and other animals The contributors address such recurring questions as the implications of the Enlightenment project of naming and classifying animals the equating of non European races and nonhuman animals in early ethnographic texts and the desire to distinguish the purely human from the entirely nonhuman animal Gulliver's Travels and works by Mary and Percy Shelley emerge as key texts for this study The volume will be of interest to scholars and students who work in animal colonial gender and cultural studies and will appeal to general readers concerned with the representation of animals and their treatment by humans **The Power of Satire** Marijke Meijer Drees, Sonja de Leeuw, 2015-10-15 Satire is clearly one of today's most controversial socio cultural topics In this edited volume The Power of Satire it is studied for the first time as a dynamic discursive mode of performance with the power of crossing and contesting cultural boundaries The

collected essays reflect the fundamental shift from literary satire or straightforward literary rhetoric with a relatively limited societal impact to satire's multi-mediality in the transnational public space where it can cause intercultural clashes and negotiations on a large scale. An appropriate set of heuristic themes space target rhetoric media time serves as the analytical framework for the investigations and determines the organization of the book as a whole. The contributions written by an international group of experts with diverse disciplinary backgrounds manifest academic standards with a balance between theoretical analyses and evaluations on the one hand and in-depth case studies on the other.

**The Oxford Handbook of British Romantic Prose** Robert Morrison, 2024-04-03 The Oxford Handbook of British Romantic Prose is a full-length essay collection devoted entirely to British Romantic nonfiction prose. Organized into eight parts, each containing between five and nine chapters arranged alphabetically, the Handbook weaves together familiar and unfamiliar texts, events, and authors and invites readers to draw comparisons, reimagine connections and disconnections, and confront frequently stark contradictions within British Romantic nonfiction prose but also in its relationship to British Romanticism more generally and to the literary practices and cultural contexts of other periods and countries. The Handbook builds on previous scholarship in the field, considers emerging trends and evolving methodologies, and suggests future areas of study. Throughout, the emphasis is on lucid expression rather than gnomic declaration, and on chapters that offer not a dutiful survey but evaluative assessments that keep an eye on the bigger picture yet also dwell meaningfully on specific paradoxes and the most telling examples. Taken as a whole, the volume demonstrates the energy, originality, and diversity at the crux of British Romantic nonfiction prose. It vigorously challenges the traditional construction of the British Romantic movement as focused too exclusively on the accomplishments of its poets and it reveals the many ways in which scholars of the period are steadily broadening out and opening up delineations of British Romanticism in order to encompass and thoroughly evaluate the achievements of its nonfiction prose writers.

**Swiftly Sterneward** W. B. Gerard, E. Derek Taylor, Robert G. Walker, 2011-04-07 These thirteen essays have been collected to honor Melvyn New, professor emeritus, Florida, and are prefaced by a description of his scholarly career of more than forty years. Suggesting the wide range of that career, the first eight essays offer various critical perspectives on a diverse group of eighteenth-century authors. These include a reading of Eliot in the shadow of Pope, a comparison of Gainsborough's final paintings and Sterne's *Sentimental Journey*, a study of Johnson and casuistry, a discussion of Smollett's view of slavery in *Roderick Random*, a bibliographical study of a Lyttelton poem, a comparison of Swift and Nietzsche, and two essays about Fielding's *Joseph Andrews*. Laurence Sterne, the primary focus of Professor New's scholarship, is also the focus of the final five essays, which treat Sterne in contexts as disparate as the kabbalah, abolitionist discourse, local English church politics, the use of the fragment, and finally the culture of modernity.

**Historical literatures** Noelle Gallagher, 2018-04-30 *Historical literatures* recovers a rich, vibrant, and complex tradition of Restoration and early eighteenth-century English historical writing. Highlighting the wide variety of historical works being printed and read in England,

between the years 1660 and 1740 it demonstrates that many of the genres that we now view primarily as literary verse satire and panegyric memoir scandal and chronicle were also being used to represent historical phenomena In surveying some of this period s historical literatures it argues that many satirists secret historians and memoirists made their choice of historical subject matter a topic of explicit commentary presenting themselves as historians or inscribing their works in an English historical tradition By responding to other varieties of history in this self conscious way writers like Andrew Marvell John Dryden Delarivier Manley Daniel Defoe and John Evelyn were able to pioneer influential new techniques for representing their nation s past

**Mocking the Age** Elaine B. Safer, 2012-02-01 The first comprehensive assessment of Philip Roth s later novels *Mocking the Age* offers rich and insightful readings that explore how these extraordinary works satirize our contemporary culture From *The Ghost Writer* to *The Plot Against America* Roth uses humor to address deadly serious matters including social and political issues psychological problems postmodern concerns and the absurd In her clear and extensive analyses of these works Elaine B Safer looks at how Roth s approach to the comic incorporates the self deprecating humor of Jewish comedians as well as the humor of nineteenth century Eastern European Jewish storytellers and such twentieth century writers as Bernard Malamud and Saul Bellow Filling the void on critical examinations of Roth s later work Safer s book provides a thorough appraisal of Roth s lifetime accomplishment and an essential evaluation of his comic genius

**The Routledge Companion to Literature and Human Rights** Sophia McClennen, Alexandra Schultheis Moore, 2018-02-05 The *Routledge Companion to Literature and Human Rights* provides a comprehensive transnational and interdisciplinary map to this emerging field offering a broad overview of human rights and literature while providing innovative readings on key topics The first of its kind this volume covers essential issues and themes necessarily crossing disciplines between the social sciences and humanities Sections cover subjects with pieces on subjectivity humanity identity gender universality the particular the body forms visiting the different ways human rights stories are crafted and formed via the literary the visual the performative and the oral contexts tracing the development of the literature over time and in relation to specific regions and historical events impacts considering the power and limits of human rights literature rhetoric and visual culture Drawn from many different global contexts the essays offer an ideal introduction for those approaching the study of literature and human rights for the first time looking for new insights and interdisciplinary perspectives or interested in new directions for future scholarship Contributors Chris Abani Jonathan E Abel Elizabeth S Anker Arturo Arias Ariella Azoulay Ralph Bauer Anna Bernard Brenda Carr Vellino Eleni Coundouriotis James Dawes Erik Doxtader Marc D Falkoff Keith P Feldman Elizabeth Swanson Goldberg Audrey J Golden Mark Goodale Barbara Harlow Wendy S Hesford Peter Hitchcock David Holloway Christine Hong Madelaine Hron Meg Jensen Luz Ang lica Kirschner Susan Maslan Julie Avril Minich Alexandra Schultheis Moore Greg Mullins Laura T Murphy Hanna Musiol Makau Mutua Zoe Norridge David Palumbo Liu Crystal Parikh Katrina M Powell Claudia Sadowski Smith Mark Sanders Karen Magrethe Simonsen Joseph R Slaughter
