Satire In Persian Literature:

Satire in Persian Literature Hasan Javadi, 1988 **Humour in Iran** Homa Katouzian, 2023-12-14 Satire irony and humour have long been features of Persian literature's rich tradition taking various forms from the coarse and obscene to the subtle and refined Humour in Iran is a close and comprehensive study of satire and humour in verse as well as prose over the eleven hundred years since the emergence of classical Persian literature Combining Persian original texts with their English translations it covers a range of texts and authors from the lampoon in Ferdowsi's great epic of the ancient kings in the tenth century through such master satirists as Obeyd Zakani Sa'di Rumi Khayyam Hafiz Anvari Sana'i Khaqani Suzani Qa'ani Yaghma and so on The book also includes twentieth century authors such as Iraj Dehkhoda Bahar Eshqi Aref Hedayat Jamalzadeh Al-e Ahmad and more A must read for scholars and students of humour and satire as well as Persian literature and Middle Eastern studies and it will also appeal to general readers interested in ribald humour and satire **Iranian**

Political Satirists Mahmud Farjami, 2017-05-18 This volume surveys political satire as a journalistic genre in Iran since the latter days of the Qajar dynasty to the present thus spanning one century and more It is an important resource but it also provides an analysis Moreover this volume is a rare effort to answer a question that looks simple but is very complicated Why would someone produce satire knowing that this act might be followed by dangerous consequences and to find out what motivates political satirists For this aim nine prominent political satirists have been interviewed writers and cartoonists men and women those who live abroad and those who still live in Iran The author analyses this data in relation to among other things the main theories of humor to provide a descriptive report for each satirist's motivations as well as the strength of each motivational element in a general comparative context **Charand-o Parand** Ali-Akbar Dehkhoda, 2016-05-24 A

classic of Modern Persian literature Charand o Parand Stuff and Nonsense is a work familiar to every literate Iranian Originally a series of newspaper columns written by scholar and satirist Ali Akbar Dehkhoda the pieces poke fun at mullahs the shah and the old religious and political order during the Constitutional Revolution in Iran 1906-11 The essays were the Daily Show of their era The columns were heatedly debated in the Iranian parliament and the newspaper was shut down on several occasions for its criticism of the religious establishment Translated by two distinguished scholars of Persian language and history this volume makes Dehkhoda's entertaining political observations available to English readers for the first time

Irreverent Persia Riccardo Zipoli, 2015 Poetry expressing criticism of social political and cultural life is a vital integral part of Persian literary history Its principal genres invective satire and burlesque have been very popular with authors in every age Despite the rich uninterrupted tradition such texts have been little studied and rarely translated Their irreverent tones range from subtle irony to crude direct insults at times involving the use of outrageous and obscene terms This anthology includes both major and minor poets from the origins of Persian poetry 10th century up to the age of Jami 15th century traditionally considered the last great classical Persian poet In addition to their historical and linguistic interest

many of these poems deserve to be read for their technical and aesthetic accomplishments setting them among the masterpieces of Persian literature

Postcolonial Satire Amy L. Friedman, 2019-10-16 Postcolonial Satire Indian Fiction and the Reimagining of Menippean Satire positions postcolonial South Asian satiric fiction at the intersection of the cutting edge territory of political resistance writing and the ancient tradition of Menippean satire Postcolonial Satire disrupts the relationship between postcolonial literature and magic realism by discussing the work of writers such as G V Desani Aubrey Menen Salman Rushdie and Irwin Allan Sealy as one movement into the entirely subversive realm of satire Indian fiction as well as the fiction of other colonized cultures can be re construed through the lens of satire as openly critical of a broad spectrum of political and cultural issues Employing the strengths of postcolonial theory and criticism Postcolonial Satire expands upon the postcolonial works of these authors by analyzing them as satire rather than magical realism with satirical elements

The Persian Prince Hamid Dabashi, 2023-06-06 With its title borrowed from Machiavelli The Persian Prince goes far beyond Machiavelli s wildest imagination as to how to rule the world Hamid Dabashi articulates a bold new idea of the Persian Prince a metaphor of political authority a figurative ideal deeply rooted in the collective memories of multiple nations and a literary construct that connected Muslim empires across time and space and continues to inform political debate today Drawing on works from Classical Antiquity and the vast Persianate worlds from India to the Mediterranean as well as the Hebrew Bible and European medieval mirrors for princes Dabashi engages a diverse body of political thought to reveal the construction of the Persian Prince as a potent archetype He traces this archetype through its varied historic gestations and finds it resurfacing in postcolonial political thought as a rebel a prophet a poet and a nomad Bringing poetics and politics together Dabashi shows how this archetypal figure has long defined political authority throughout the wider Iranian and Islamic worlds With meticulous attention to literary and poetic texts moral and philosophical treatises allegorical and anecdotal stories sacred and secular evidence visual and performing arts histories of global empires and colonial conquests this sweeping work offers a deeply learned richly erudite and transformative piece of critical thinking As Dabashi shows the Persian Prince remains the stuff of current debate across the Muslim and Persianate worlds in contestations over the public domain and the collective will to power and above all in the prospects of democratic institutions
