Los Angeles the narrator of *The Sellout* spent his childhood as the subject in his father's racially charged psychological studies. He is told that his father's work will lead to a memoir that will solve their financial woes. But when his father is killed in a drive-by shooting, he discovers there never was a memoir. All that's left is a bill for a drive-through funeral. What's more, Dickens has literally been wiped off the map to save California from further embarrassment. Fuelled by despair, the narrator sets out to right this wrong with the most outrageous action conceivable: reinstating slavery and segregating the local high school, which lands him in the Supreme Court. In his trademark absurdist style, which has the uncanny ability to make readers want to both laugh and cry, *The Sellout* is an outrageous and outrageously entertaining indictment of our time.

**Applewood Canyon** Brian Canini, 2024-07-12. Welcome to Applewood Canyon, your typical suburban paradise bursting with wholesome Americana. With its landscaped lawns, safe and secure homes, and apple pie safely cooling on the windowsill. Everything was fine until Mr. Johnston decided to kill the Narrator. Come along with a trio of misfits as they go on a quest to dispose of the body while exploring the dark underbelly of the American Dream in this satire by Brian Canini. Really fun and/or disturbing. Kevin Bramer. *Optical Sloth*. It's like David Lynch meets Seth Adam Yeater. Small Press Express. *Applewood Canyon* is a masterclass in comic narrative structure and lyrical storytelling that peeks under the veneer of American exceptionalism and modern society. Evoking both the feeling of David Lynch's seamy underbelly vision in *Blue Velvet* and the commentary and wit of Dan Clowes' *Ice Haven*. Brian's beautiful voyeuristic point-of-view drawings of 21st Century Americana, coupled with his hilarious use of narration, is completely mesmerizing. With all the twists and turns of a *Twilight Zone* episode gone completely haywire, *Applewood Canyon* is executed with surgical precision by one of today's hardest working and talented cartoonists. S. R. Arnold. Perry Shitlife. **The Great American Boogaloo** Paul Flower, 2022.
