**Saudi Arabia** Nasser Ibrahim Rashid, Esber I. Shaheen, 1995      **Saudi Arabia** Nasser Ibrahim Rashid, 1995      *Adults in the Academy: Voices of Lifelong Learners*, 2021-11-01 This book examines themes from adult students in higher education dispositional characteristics situational barriers to academic success and how institutional policy and procedures create obstacles for these non traditional learners While much has been written in the peer reviewed literature about adult students a commonly missing perspective is that of the students In this book adult learners write about their own conditions and contexts bringing to light the gaps in institutional support for this growing community The rich narratives case studies and comprehensive reviews within chapters highlight the unique implications faced by this student population and provide first hand accounts on which institutions can acknowledge value and facilitate change for an evolved equitable and elevated educational experience Contributors are Lucas Allen Sandra Becker Keith Burn Adele Chadwick Kathleen Clarke Daniel Cleminson Jeremy Collom Amy De Jaeger Natalie Dewing Lori Doan Eli Duykers Susan E Elliott Johns Angelina Evans Melanie Exance Margaret Greenfields Leahann Hendrickse Troy Hill Sophie Karanicolas Rahul Kumar Cobi Ladner Beth Loveys Dorothy Missingham Barbara A Nicolls Katia Olsen Sarah O Shea Julie Podrebarac Carmen Rodriguez de France Rebecca Rochon Selina Sharma Nicola Simmons Matthew Slater Sherrie Smith Cathy Snelling Cathy Stone Ashleigh Taylor Preeti Vayada Monica Wice and Sinead Wright      The Venture Alchemists Rob Lalka, 2024-05-14 Gold Medalist 2025 Axiom Business Book Awards Business Ethics Future Trends category Shortlist 2024 Best in Business Book Awards Society for Advancing Business Editing and Writing We once idolized tech entrepreneurs for creating innovations that seemed like modern miracles Yet our faith has been shattered We now blame them for spreading lies breaking laws and causing chaos Yesterday s Silicon Valley darlings have become today s Big Tech villains Which is it Are they superheroes or scoundrels Or is it more complicated some blend of both In *The Venture Alchemists* Rob Lalka demystifies how tech entrepreneurs built empires that made trillions Meta started as a cruel Halloween prank Alphabet began as a master s thesis that warned against corporate deception and Palantir came from a campus controversy over hateful speech These largely forgotten origin stories show how ordinary fears and youthful ambitions shaped their ventures making each tech tale relatable both wonderfully and tragically human Readers learn about the adversities tech entrepreneurs overcame the troubling tradeoffs they made and the tremendous power they now wield Using leaked documents and previously unpublished archival material Lalka takes readers inside Big Tech s worst exploitations and abuses alongside many good intentions and moral compromises But this story remains unfinished and *The Venture Alchemists* ultimately offers hope from the people who decades ago warned about the risks of the emerging Internet Their insights illuminate a path toward more responsible innovations so that technologies aren t dangerous weapons but valuable tools that ensure progress improve society and enhance our daily lives      Disarmament Law Treasa Dunworth, Anna Hood, 2020-10-29 This volume seeks to start a revival of the field of disarmament law scholarship

Law is a fundamental component of disarmament yet today most perspectives on the wide range of disarmament issues that exist come primarily from political diplomatic and public advocacy angles The aim of this book is to revive the field of disarmament law building on earlier important and still relevant contributions by international lawyers to the subject The collection brings together international scholars on various aspects of disarmament The contributions range across a variety of weapons types adopt different approaches doctrinal historical and critical to the issues being discussed and taken together constitute a snapshot of the ideas concerns and issues that currently occupy disarmament law scholars The book will be essential reading for academics researchers and policy makers working in the area of disarmament

*International Tourism Development and the Gulf Cooperation Council States* Marcus L. Stephenson, Ala Al-Hamarneh, 2017-07-14 This book examines the challenges facing the development of tourism in the six member states of the Gulf Cooperation Council GCC Bahrain Kuwait Oman Qatar Saudi Arabia and the United Arab Emirates UAE This region which largely comprises the Arabian Peninsula possesses some of the fastest growing economies in the world and is remarkably unique It shares similar associations and affinities tribal histories royal kinship political associations Bedu cultural roots Islamic heritage rapid urbanization oil wealth rentier dynamics state capitalist structures migrant labour economic diversification policies and institutional restructuring Therefore this volume takes the study of tourism away from its normative unit of analysis where tourism in the region is being examined within the context of the Middle East and the wider Islamic and Arab world towards an enquiry focusing on a specific geo political territory and socially defined region Although international tourism development in the region embodies a range of challenges complexities and conflicts which are deeply contextualized in this volume the approach overall does not endorse the normative Gulf bashing position that has predominated within the critical enquiries in the region It presents a forward looking and realistic assessment of international tourism development examining development potentialities and constructive ways forward for GCC states and the region as a whole This edited volume provides a real attempt to examine critically ways in which tourism and its development intersect with the socio cultural economic political environmental and industrial change that is taking place in the region By doing so the book provides a theoretically engaged analysis of the social transformations and discourses that shape our contemporary understanding of tourism development within the GCC region Moreover it deciphers tourism development's role within the context of the GCC states undergoing rapid transformation urbanization ultra modernization internationalization and globalization In addition to state specific illustrations and destination case studies the work provides insights into relatable themes associated with international tourism development in the region such as tourism's relationship with religion heritage and identity the environment and sustainability mobility and cross border movements the transport industry image production and destination branding mega development and political stability and instability The book combines theory with diverse case study illustrations drawing on disciplinary knowledge from such fields as sociology political economy and social

geography This timely and original contribution is essential reading for students researchers and academics in the field of tourism studies and related subject areas along with those who have regional interests in Middle East studies including Gulf and Arabian Peninsula studies

The One Percent Doctrine Ron Suskind,2008-09-04 In his devastating new book Pulitzer Prize winning journalist Ron Suskind takes readers inside the defining conflict of our era the war between the West and a growing shadowy army of terrorists armed with weapons of alarming power Relying on unique access to former and current government officials this book will reveal for the first time how the US government from President Bush on down is frantically improvising to fight a new kind of war Where is the enemy What have been the real victories and defeats since 9 11 How are we actually fighting this war and how can it possibly be won Filled with astonishing disclosures Suskind s book shows readers what he calls the invisible battlefield a global matrix where US spies race to catch soldiers of jihad before they strike It is a real life spy thriller with the world s future at stake It also reveals the shocking and secret philosophy underpinning the war on terror Gripping and alarming in equal measure it will reframe the debate about a war that each day redefines America and its place in the world

Middle Power in the Middle East Thomas Juneau,Bessma Momani,2022-03-01 The Middle East has not historically been a first order priority for Canadian foreign and defence policy Most major Canadian decisions on the Middle East have come about through ad hoc decision making rather than strategic necessity Balancing international obligations with domestic goals Canadian relations with this region try to find a balance between meeting alliance obligations and keeping domestic constituents content Middle Power in the Middle East delves into some of Canada s key bilateral relations with the Middle East and explores the main themes in Canada s regional presence arms sales human rights defence capacity building and mediation Contributors analyse the key drivers of Canada s foreign and defence policies in the Middle East including diplomatic relations with the United States ideology and domestic politics Bringing together many of Canada s foremost experts on Canada Middle East relations this collection provides a fresh perspective that is particularly timely and important following the Arab uprisings

Contemporary Cases in U.S. Foreign Policy Ralph Carter,2021-03-12 This engaging case study approach brings together a diverse set of contributors to help students question motives consider alternatives and analyze outcomes in many of the most controversial foreign policy issues now confronting the United States Many actors from the president and members of Congress to interest groups NGOs and the media compete to shape U S foreign policy While previous editions of this popular text focused more on national security issues in the wake of 9 11 and the War on Terror the 13 case studies in this edition deal with a wide range of policy areas national security homeland security diplomacy trade immigration epidemics climate change and Russian interference in the 2016 presidential election Many reflect how the demarcation between foreign and domestic policy has become even more blurred and polarization has come to play a significantly increased role in American foreign policy

*Comparative Criminal Justice* Jospeter M. Mbuba,2023-04-17 As the world becomes increasingly globalized a shared understanding and

appreciation of the various aspects and approaches of criminal justice becomes imperative Examining nineteen countries purposefully selected to ensure not only broad geographic distribution but also cultural and religious diversity political differentiation and historical experiences this book is a go to reference for comparative criminal justice studies human rights studies victimology gender studies anthropology and political science Divided into five parts this book includes chapters on Sub Saharan Africa East Asia and the Pacific Europe and Eurasia the Middle East and the western hemisphere Although each chapter represents a different country all chapters have similar thematic sections providing summaries of the wide array of policing practices exploring the different types of criminal procedure used across the world and recognizing the many methods that different societies use to sanction criminal behavior among their citizens **50 Things You Want to Know**
