Paramacharya on Soundarya-Lahari Prof. V. Krishnamurthy, 2023-02-27 Kanchi Paramacharya Sri Chandrasekharendra Swamigal lectured on Soundaryalahari in the first quarter of the last century Ra Ganapathy one of his ardent students recorded and published them in Deivathin Kural a voluminous tome of 700 pages These Tamil lectures have now been condensed translated into English and published herein The exposition style here is one where it resembles a direct English lecture by Paramacharya himself The subject has been dealt in great depth by the Paramacharya and thus requires the reader to approach this translation as a study book rather than one for light reading

Department of Oriental Printed Books and Manuscripts,1908 Atheism and the Goddess Anway Mukhopadhyay,2023-03-21 This book seeks to explore the complex modes of interface between religion atheism and the Goddess in multicultural contexts While atheism has often been seen as an interrogation of and a battle against God the gender dimension of this discourse has not been sufficiently negotiated Is the fight against God also a fight against the Goddess Or is there something common between the ideological thrust of the battle against God the Father in atheism and the interrogation of the Divine Father in thealogy Can the Goddess be seen as an entity radically different from the imperious transcendental that the atheists find embodied in God the Father Or can the Goddess be seen as transcendental as well as immanent and hence subjected to the same atheist denial of transcendence to which God is subjected in non theistic or anti theistic arguments With this volume Anway Mukhopadhyay embarks on a difficult project of epistemologically ideologically and even politically renegotiating and reorienting some of the fundamental issues involved in the discussions of and debates over atheism **Sankaracharya the Great and His Successors in Kanchi** N.
