

A composite image featuring four big cats in a savanna setting at night. A large male lion with a full mane is at the top center. Below him are three other cats: a cheetah on the right, a hyena in the center, and a leopard on the left. A bright light source, possibly the moon, is positioned behind the hyena, creating a lens flare. The background shows silhouettes of acacia trees and a crescent moon in a dark sky.

memorable yet life shattering night **The Punishment Monopoly** Pem Davidson Buck,2019-11-22 Examines the roots of white supremacy and mass incarceration from the vantage point of history Why asks Pem Davidson Buck is punishment so central to the functioning of the United States a country proclaiming liberty and justice for all The Punishment Monopoly challenges our everyday understanding of American history focusing on the constructions of race class and gender upon which the United States was built and which still support racial capitalism and the carceral state After all Buck writes a state to be a state has to punish bottom line that is what a state and the force it controls is for Using stories of her European ancestors who arrived in colonial Virginia in the seventeenth and eighteenth centuries and following their descendants into the early nineteenth century Buck shows how struggles over the right to punish backed by the growing power of the state governed by a white elite made possible the dispossession of Africans Native Americans and poor whites Those struggles led to the creation of the low wage working classes that capitalism requires locked in by a metastasizing white supremacy that Buck s ancestors with many others defined as white helped establish and manipulate Examining those foundational struggles illuminates some of the most contentious issues of the twenty first century the exploitation and detention of immigrants mass incarceration as a central institution Islamophobia white privilege judicial and extra judicial killings of people of color and some poor whites The Punishment Monopoly makes it clear that none of these injustices was accidental or inevitable that shifting our state sanctioned understandings of history is a step toward liberating us from its control of the present

THE THIRTY-NINE STEPS & Other Adventure Stories (7 Action-Packed Titles in One Volume) John Buchan, 2023-12-08 In *The Thirty Nine Steps* Other Adventure Stories John Buchan masterfully weaves a tapestry of suspense, intrigue, and adventure encapsulating the essence of early 20th-century thrillers. The novella which serves as the centerpiece of this collection follows the protagonist Richard Hannay as he becomes embroiled in espionage and conspiracy in pre-World War I Britain. Buchan's vivid prose and sharp pacing establish an unrelenting tension that enraptures readers while his use of detailed settings provides a rich literary context reflective of the period's geopolitical anxieties. This volume includes six additional stories each demonstrating Buchan's deft narrative style and ability to draw readers into high-stakes scenarios where courage and wit are paramount.
