Savage Priest A Novel Of Tahiti:

Ishmael James Baird, 2019-12-01 Originally published in 1956 In *Ishmael* Professor James Baird responds to the increasing secularization of Western civilization and the creation of what he calls authentic primitivism For Baird the aesthetic austerity of Protestantism undermined the structure of symbols created by Catholicism In the absence of a meaningful structure of cultural authority in Western civilization primary art took on a quasi religious role by connecting humans to a transcendent being Ishmael describes a new system of art beginning around 1850 that supplanted Christian symbolism Baird examines writers who helped to create a modern authentic primitivism with emphasis on Herman Melville whom Baird sees as a locus of change for the cultural significance of primary art Baird provides a social history and biography of writers who participated in the primary art movement from 1850 to 1950 *The Cambridge Companion to Wilkie Collins* Jenny Bourne Taylor, 2006-11-23 Wilkie Collins was one of the most popular writers of the nineteenth century He is best known for *The Woman in White* which inaugurated the sensation novel in the 1860s and *The Moonstone* one of the first detective novels but he wrote over 20 novels plays and short stories during a career that spanned four decades This Companion offers a fascinating overview of Collins's writing In a wide range of essays by leading scholars it traces the development of his career his position as a writer and his complex relation to contemporary cultural movements and debates Collins's exploration of the tensions which lay beneath Victorian society is analysed through a variety of critical approaches A chronology and guide to further reading are provided making this book an indispensable guide for all those interested in Wilkie Collins and his work Men Against the Sea - Book Set James Norman Hall, 2023-12-23 In *Men Against the Sea* James Norman Hall masterfully weaves a narrative that captures the harrowing struggles of a group of men cast adrift in the vast unforgiving ocean following a naval catastrophe The prose is marked by a vivid realism and poetic cadence providing a profound exploration of human endurance amid the existential threat of the sea With its intricate character development and philosophical undertones the book not only serves as an adventure tale but also engages with themes of fate camaraderie and the indomitable spirit of survival situating it firmly within the literary tradition of nautical fiction and post war existentialism James Norman Hall an American author and aviator co authored the celebrated *Mutiny on the Bounty* His personal experiences during World War I and his passion for the sea heavily influenced his writing Hall's own adventures and insights into the human condition lend an authentic depth to the characters in *Men Against the Sea* as he draws upon both his literary acumen and real life encounters with danger and resilience This compelling book is a must read for those intrigued by themes of survival against nature's wrath and the inner workings of the human psyche Hall's evocative storytelling invites readers to reflect on their own struggles and triumphs making it an enduring classic that resonates with anyone seeking inspiration amid adversity **The Glamour of Strangeness** Jamie James, 2016-08-09 From the early days of steamship travel artists stifled by the culture of their homelands fled to islands jungles and deserts in search of new creative and

emotional frontiers Their flight inspired a unique body of work that doesn't fit squarely within the Western canon yet may be some of the most original statements we have about the range and depth of the artistic imagination Focusing on six principal subjects Jamie James locates a lost national school of artists who left their homes for the unknown There is Walter Spies the devastatingly handsome German painter who remade his life in Bali Raden Saleh the Javanese painter who found fame in Europe Isabelle Eberhardt a Russian Swiss writer who roamed the Sahara dressed as an Arab man the American experimental filmmaker Maya Deren who went to Haiti and became a committed follower of voodoo From France Paul Gauguin left for Tahiti and Victor Segalen a naval doctor poet and novelist immersed himself in classical Chinese civilization in imperial Peking In *The Glamour of Strangeness* James evokes these extraordinary lives in portraits that bring the transcultural artist into sharp relief Drawing on his own career as a travel writer and years of archival research uncovering previously unpublished letters and journals James creates a penetrating study of the powerful connection between art and the exotic

James Norman Hall - Ultimate Collection

James Norman Hall, 2023-11-23 James Norman Hall Ultimate Collection serves as a comprehensive compendium of Hall's significant literary contributions showcasing his mastery in blending adventure realism and introspective narrative This

collection not only highlights Hall's renowned works such as *Mutiny on the Bounty* and other tales set against both the backdrop of the Pacific and the complexities of human emotions but it also reveals his adeptness in capturing the spirit of early 20th century literature. Characterized by vivid prose and intricate characterizations, Hall's writing invites readers to navigate through the tumultuous terrains of bravery, morality, and the human condition. James Norman Hall, an American writer and aviator, was profoundly influenced by his diverse experiences, including his service in World War I and his explorations in Tahiti. His unique perspective on life and literature is reflected in his storytelling, which often encapsulates themes of adventure juxtaposed with profound existential inquiry. Hall's collaborations, most notably with Charles Nordhoff, and his international travels provided fertile ground for shaping the vibrant narratives seen in this collection, making it a pivotal representation of his literary journey. This ultimate collection is a must-read for those who appreciate a deep dive into the human spirit through the lens of historical and literary adventure. Readers will find themselves enchanted by Hall's ability to blend the personal with the universal, making the collection not only a tribute to his legacy but also a profound exploration of life's inherent struggles and triumphs. **The Sunset**, 1905 The Pursuit of Spiritual Wisdom Naomi E.

Maurer, Vincent van Gogh, Paul Gauguin, 1998. This book explores van Gogh's and Gauguin's concepts of spirituality in life and art and the ways in which their ideas and the events of their personal lives shaped their creation of repertoires of meaningful symbolic motifs. **Language Contact in the Early Colonial Pacific** Emanuel J. Drechsel, 2014-03-27. This volume presents a historical sociolinguistic description and analysis of Maritime Polynesian Pidgin. It offers linguistic and sociohistorical substantiation for a regional Eastern Polynesian-based pidgin and challenges conventional Eurocentric assumptions about early colonial contact in the eastern Pacific by arguing that Maritime Polynesian Pidgin preceded the introduction of Pidgin English by as much as a century. Emanuel J. Drechsel not only opens up new methodological avenues for historical sociolinguistic research in Oceania by a combination of philology and ethnohistory but also gives greater recognition to Pacific Islanders in early contact between cultures. Students and researchers working on language contact, language typology, historical linguistics, and sociolinguistics will want to read this book. It redefines our understanding of how Europeans and Americans interacted with Pacific Islanders in Eastern Polynesia during early encounters and offers an alternative model of language contact.
