The Savage Paradise Bud Lawrence, 2023-05-30      *Savage Paradise* Margaret Matches, 1931      *Savage Paradise* Cassie Edwards, 1997-04-08 Mariana Fowler detests the Minnesota Territory There are definitely no interesting men except the Chippewa brave who has just saved her life Joined in a forbidden union the lovers risk becoming outcasts for a chance at a future together Reissue      **This savage paradise** Anthony Shaffer, 1988      Beloved Embrace Cassie Edwards, 2008 New York Times bestselling author Cassie Edwards captivates with this tale of a man and woman from two different worlds who embark on an unforgettable journey of adventure and passion on the high seas From the moment Leana Rutherford s eyes meet the fierce gaze of the pirate keeping her captive she realizes her life is about to change For instead of fearing what the future may bring she finds herself welcoming the chance to be held in the arms of a man who always gets what he wants Abducted from his family as a young boy Brandon Seton has only known the free and stormy seas of a pirate s life But throughout his many voyages and conquests he has never set eyes on a woman like Leana Unfettered by land or law his desire for her spirited beauty may put him at his greatest risk yet but also bring him measureless riches      The Tempter's Voice Eric Jager, 2018-07-05 Why was the story of Adam Eve and the Serpent so important to medieval literary culture Eric Jager argues that during the Middle Ages the story of the Fall was incorporated into a comprehensive myth about language Drawing on a wide range of texts Jager shows how patristic and medieval authors used the Fall to confront practical and theoretical problems in many areas of life and thought including education hermeneutics rhetoric feudal politics and gender relations Jager explores the Fall s meaning for clergy and laity nobles and commoners men and women Among the works Jager discusses are texts by Ambrose Augustine the early Christian poet Avitus and scholastic authors Old English biblical epics Middle English spiritual writings French courtesy books and the poetry of Dante and Chaucer Examples from the visual arts are included as well Jager links medieval interpretations of the Fall to underlying cultural anxieties about the ambiguity of the sign the instability of oral tradition the pleasure of the text and the many rhetorical guises of the tempter s voice He also assesses the modern and postmodern legacy of the Fall showing how this myth continues to embody central ideas concerning language The Tempter s Voice will be essential reading for scholars and students in such fields as medieval studies literary theory gender theory comparative literature cultural history and the history of religion      **The Power of Form** Ana Fernandes, Ana Raquel Fernandes, Rui Carlos Fonseca, José Pedro Serra, 2015-02-27 Although positivism dismissed myths as childish fancy bound to be superseded by reason there has been a continuous reappraisal of the power of myths since the 19th century Once viewed as primitive and unreliable accounts and an inadequate and distorted form of knowledge myths came to be perceived as exemplary narratives consisting of rich and complex symbolic constructs that carry meaning and a connection to reality Myths then came to be regarded as a privileged expression of the human soul and of its possibly submerged and unconscious abysses and dramas Rather than inherently obscure and elusive to a rational grasp mythical

narratives would therefore be driven by logical reasoning giving shape to a particular worldview of life and humankind The enduring power of mythical narrative is attested to by its very plasticity subject to multiple recreations informed by changing concerns and insights Mythical narratives have thus attracted the interest of various disciplines from ethnology and history to philosophy literature sociology politics the history of religions and art history This interdisciplinary volume studies how myths are inscribed and recycled within both individual and collective heritage and examines the personal and political implications of multifaceted engagement with myths as one of the forms through which societies try to make sense of their perplexities

**Africa's Big Five and Other Wildlife Filmmakers** Jean Hartley,2010-11-01 Jean Hartley born in Kenya is acknowledged as being the first to legitimise fixing for wildlife film crews Over the last 25 years she has worked on over a thousand films the vast majority being about wildlife and nature She features five of the great film makers who all started their careers in Kenya in the 1950s legends whom she is proud to call personal friends Watching all of their films and many more she became fascinated by the history of film making in Kenya and determined to find out when it all started In this insightful book she traces the roots of wildlife film back a hundred years drawing on accounts of the original film makers and the professional hunters who guided those early safaris She tracks the changes from those grainy speeded up silent films through to the technologically perfect High Definition and 3D films that are being made today

**John Buchan: 28 Novels & 40+ Short Stories (Illustrated)** John Buchan,2023-12-06 In John Buchan 28 Novels he was a public figure whose experiences in journalism politics and the military shaped his writing His tenure as a member of Parliament and a governor general of South Africa imbued him with insights into national identity and the complexities of power These experiences are intricately woven into his narratives bringing authenticity and gravitas to his characters adventures and moral dilemmas profoundly reflecting the zeitgeist of the British Empire This remarkable collection is a must read for enthusiasts of classic literature and adventure stories as it unlocks the doors to a bygone world of espionage and cultural exploration Buchan s masterful storytelling will enthrall both new readers and long time fans inviting them to delve into the layered narratives that have defined a genre

*The Courts of the Morning* John Buchan,2025-01-01T09:01:00Z After Richard Hannay is approached by American diplomats regarding the disappearance of a wealthy industrialist he in turn seeks the help of his friend Sandy Arbuthnot Soon however Arbuthnot himself goes missing The story continues in the fictional country of Olifa located somewhere along the west coast of South America where a powerful head of a mining company is gradually enslaving the populace It seems that only guerrilla warfare will save the country from rule under a ruthless tyrant Some of John Buchan s more famous works like *The Thirty Nine Steps* are fast paced thrillers But while *The Courts of the Morning* contains plenty of excitement it also has more measured passages in which Buchan works out a particular military philosophy and an approach to international relations Its accounts of military engagement also owe something to his massive and carefully documented multi volume history of the First World War This book is part of the Standard Ebooks project which produces free public
