Raised by a Narcissist Belle E. Ray, 2022-05-20 Raised by a Narcissist with Borderline Personality Disorder By Belle E Ray A vivid honest and powerful memoir in which the author Belle E Ray recounts what it was like to grow up amidst the chaotic and irrational behavior of her narcissistic mother Turning from the calm Dr Jekyll to the ferocious Mr Hyde Belle wanted to believe that her life was like any other child's but as she grew older it was harder to deal with the deceiving and manipulative environment her mother insisted on Not knowing how to break free from her mother's apron strings Belle couldn't ignore her own desire for freedom anymore which then resulted in disownment Dealing with the mental toll of being rejected and estranged for more than a decade Belle's journey of PTSD depression and anxiety took on such a strong impression that surrendering to therapy was the only solution for Belle to move forward Learning of her brother's rejection as he broke from the maternal narcissistic control as well as the mental withdrawal of their father Belle wanted to share her story to those who may be experiencing something similar in hopes that comfort strength and courage could be taken from reading her story [Laowai for Sale](#) Kurt M. DiClementi, 2015-04-17 My recently completed novel entitled Laowai for Sale was written in the genre of realistic fiction first person omniscient The plot of the story is the moral financial and spiritual bankruptcy of the American people as represented by the story's four main characters in China and the president of the United States in America While the four main characters in China represent the hope that America can prevail against

adversity and reclaim its legacy as the greatest nation on earth the character of the president represents an America that is willing to mortgage its soul for sensual satisfaction with the risk of losing its identity and position on the world stage These ideas are conveyed through satire and comedy in the character dialogue The storys protagonist John Winston is an Aspergers syndrome savant with a photographic memory who attained material success through his musical ability and encyclopedic capacity for knowledge on all things regarding American pop music Unfortunately he lost everything as did many others in the economic times that are characteristic of todays US economy Because of the limited social skills associated with his disability Winston descends into a downward spiral that resulted in his isolation and drinking Then he is whisked away to China with three other main characters in a government program to stem the mounting crisis of an unemployment rate that has exceeded 50 percent This crisis seriously threatens the US presidents chances for a second term in office so his chief of staff devises a plan using the CIA to initiate a massive wholesale exportation of Americas unemployed labor force to China as English teachers in order to rapidly change the unemployment statistics
