Child Life, 1929 **Kant and Parfit** Husain Sarkar, 2018-09-06 Derek Parfit's *On What Matters* is widely

recognized as elegant profound and destined to change the landscape of moral philosophy In Volume One Parfit argues that the distinct indeed powerfully conflicting theories of deontology and contractualism can be woven together in a way so as to yield utilitarian conclusions Husain Sarkar in this book calls this The Ultimate Derivation Sarkar argues however that this derivation is untenable To underwrite this conclusion this book traverses considerable Parfitian terrain Sarkar shows why Parfit hasn't quite solved what Sidgwick had called the profoundest problem in ethics he offers a reading of Kant Rawls and Scanlon that reveals Parfit's keen utilitarian bias and he demonstrates why Parfit's Triple Theory does not succeed in its task of unifying conflicting moral theories without making substantial utilitarian assumptions The final chapter of the book is about meta ethics It shows that Parfit's Convergence Principle is mistaken even though it unveils Parfit's utterly humane concerns Moral philosophers are not as Parfit thinks climbing the same mountain But for all that Sarkar maintains Parfit's book is arguably the greatest consequential tract in the history of moral philosophy *Save Your Child's Life!* David Hendin, 1974 *"EVERYONE JUST YELL 'NO' AT THE 'BULLIES!' THAT SHOULD HELP TO STOP THEM!* Molly Murray, 2011-08 I think most of us have been bullied at one time in our life or another I believe there were times we may not have realize we were being bullied If we were not being hit or yelled at we were not being bullied Not true Have you ever had something gnaw away at you in the pit of your stomach and you did not know what it was I have Have you ever been left out of a conversation not only when you were young but now as adults It hurts and is so uncomfortable Have you ever been laughed at and to you for no reason at all Have you ever had people just look down at you Have you ever had people make you feel worthless without having to say anything Has anyone ever teased you until it hurt Yes these are all forms of bullying Have you ever yelled at your children and I don't mean just normal mom and dad discipline Have you said things you should not have and did not realize it was emotional abuse to your children The things that I have heard parents say are stupid and shut up That is just a couple things Think about it and then apologize to your children no matter how old or young they are Just love them If any of the above sounds familiar you are a bully That is right Re read the bad feelings above and if you have done that to anyone you know well maybe you need to tell them just how sorry you are This goes for bosses also Being a boss does not give you the right to be a bully If you think you will get a better employee that way you are so wrong **Letters to My Child's Guardian** Virginia C.
