Amelia Solo was born on July 30 1981 in the small city of Richland in Benton County which is in the US state of Washington Richland has an estimated total population of below 50 000 And perhaps because of its relatively limited size Hope had more opportunities to excel in her chosen activities But it must be said that even in a city 10 times the size of Richland she still would have stood out It s just that cities like Richland with their small populations can sometimes act as incubators for talents such as Solo s It s a fact that towns where a talented group of children grow up playing a particular sport often produce a higher number of excellent players in that sport It s something to do with dedication healthy competition and a relatively closed conducive environment Buy a copy to keep reading
