Save Our History The Missouri A Journey With Stephen Ambrose:

Stephen E. Ambrose Opening of the West E-Book Boxed Set Stephen E. Ambrose, 2013-06-25 This ebook box set includes *Undaunted Courage* and *Nothing Like It in the World* by Stephen E. Ambrose focusing on the ingenuity and the hardships that shaped the American West. *Undaunted Courage* This 1 New York Times bestseller gives a sweeping account of the most momentous expedition in American history. Ambrose follows the Lewis and Clark Expedition from Thomas Jefferson's hope of finding a waterway to the Pacific through the heart-stopping moments of the actual trip to Lewis's lonely demise on the Natchez Trace. Along the way Ambrose shows us the American West as Lewis saw it: wild, awesome, and pristinely beautiful. *Nothing Like It in the World* A riveting account of an unprecedented feat of engineering vision and courage: this is the story of the men who built the transcontinental railroad. The US government pitted two companies, the Union Pacific and the Central Pacific Railroads, against each other in a race for funding, encouraging speed over caution, and their race brilliantly comes to life in Ambrose's telling of the investors who risked their businesses and money, the enlightened politicians who understood its importance, the engineers and surveyors who risked and sometimes lost their lives, and the Irish and Chinese immigrants, the defeated Confederate soldiers, and all the laborers who did the backbreaking and dangerous work on the tracks. American History, 2001-06

Desloge Chronicles - A Tale of Two Continents - An Amazing Family's Journey - Volume One Christopher Desloge, 2012-12-30 *Desloge Chronicles: A Tale of Two Continents* is a monograph of an amazing family's journey supported by genealogical summaries which provide solid provenance. Situated in France and America, this is an authentic historical narrative built around one family's 600 letters dating from 200 years, providing live-action reality present at France, the French Revolution, and the American Frontier. Based upon one of the largest bodies of vibrant correspondence written from the turn of the 1800s, we are able to peer into the scene of teeming wildlife and Native American Indians in the young America, expanding from this family's French nobility on the young American frontier and then blooming into titanic industrialists and caring naturalists and philanthropists. Within this monograph, historical fact, studied historical research, and expanded narrative craft a compelling legend of the prominent Desloge family. More than simply cold chronology of facts, these are action figures. *The Video Librarian*, 2000

Lewis & Clark Kris Fresonke, Mark Spence, 2004-02-25 Two centuries after their expedition, it awoke the nation both to the promise and to the disquiet of the vast territory out west. Lewis and Clark still stir the imagination, and their adventure remains one of the most celebrated and studied chapters in American history. This volume explores the legacy of Lewis and Clark's momentous journey and on the occasion of its bicentennial considers the impact of their westward expedition on American culture. Approaching their subject from many different perspectives: literature, history, women's studies, law, medicine, and environmental history, among others, the authors chart shifting attitudes about the explorers and their journals, together creating a compelling, finely detailed picture of the interdisciplinary intrigue that has always surrounded Lewis and Clark's

accomplishment This collection is most remarkable for its insights into ongoing debates over the relationships between settler culture and aboriginal peoples law and land tenure manifest destiny and westward expansion as well as over the character of Sacagawea the expedition s vision of nature and the interpretation and preservation of the Lewis and Clark Trail

Undaunted Courage Stephen E. Ambrose,2011-11 In this sweeping adventure story Stephen E Ambrose the bestselling author of D Day presents the definitive account of one of the most momentous journeys in American history Ambrose follows

the Lewis and Clark Expedition from Thomas Jefferson's hope of finding a waterway to the Pacific through the heart stopping moments of the actual trip to Lewis' lonely demise on the Natchez Trace. Along the way Ambrose shows us the American West as Lewis saw it: wild, awesome and pristinely beautiful. Undaunted Courage is a stunningly told action tale that will delight readers for generations. In 1803 President Thomas Jefferson selected his personal secretary Captain Meriwether Lewis to lead a voyage up the Missouri River to the Rockies, over the mountains down the Columbia River to the Pacific Ocean and back. Lewis was the perfect choice. He endured incredible hardships and saw incredible sights including vast herds of buffalo and Indian tribes that had had no previous contact with white men. He and his partner Captain William Clark made the first map of the trans-Mississippi West, provided invaluable scientific data on the flora and fauna of the Louisiana Purchase territory and established the American claim to Oregon, Washington and Idaho. Ambrose has pieced together previously unknown information about weather, terrain and medical knowledge at the time to provide a colorful and realistic backdrop for the expedition. Lewis saw the North American continent before any other white man. Ambrose describes in detail native peoples, weather, landscape, science, everything the expedition encountered along the way through Lewis's eyes. Lewis is supported by a rich variety of colorful characters: first of all Jefferson himself, whose interest in exploring and acquiring the American West went back thirty years. Next comes Clark, a rugged frontiersman whose love for Lewis matched Jefferson's. There are numerous Indian chiefs and Sacagawea, the Indian girl who accompanied the expedition along with the French Indian hunter Drouillard, the great naturalists of Philadelphia, the French and Spanish fur traders of St. Louis, John Quincy Adams and many more leading political, scientific and military figures of the turn of the century. This is a book about a hero. This is a book about national unity. But it is also a tragedy. When Lewis returned to Washington in the fall of 1806, he was a national hero. But for Lewis, the expedition was a failure. Jefferson had hoped to find an all-water route to the Pacific with a short hop over the Rockies. Lewis discovered there was no such passage. Jefferson hoped the Louisiana Purchase would provide endless land to support farming, but Lewis discovered that the Great Plains were too dry. Jefferson hoped there was a river flowing from Canada into the Missouri, but Lewis reported there was no such river and thus no U.S. claim to the Canadian prairie. Lewis discovered the Plains Indians were hostile and would block settlement and trade up the Missouri. Lewis took to drink, engaged in land speculation, piled up debts he could not pay, made jealous political enemies and suffered severe depression. High adventure, high politics, suspense, drama and diplomacy combine with high romance and personal tragedy to make this outstanding work of scholarship as readable as a novel. *Spiritual Honesty* Paul H Price, 2012-08-23

The great peril of any religious life is the naturally produced conflict between rules and relationships. That conflict occurs when our focus becomes primarily the living of religion, attending mostly to the outwardness of faith, to the fulfilling of commandments. It is then that religion can become its own religion; it can become what we worship, believing that the satisfying of the processes and requirements of our faith are what will justify us. The rules of any faith are the means to an

end not the sole qualifications Religion and the practice of religion is a vehicle a catalyst a foundation designed to facilitate a very authentic change in us in our nature in our very behavior The underpinning of that change is when relationships become the reason for obedience and action not the blessings and consequences of the rules **The Land of the Divided:**
